

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

This is the beginning of months and we start together on another year in the pleasant association with many friends, who through their cheerful co-operation have made possible this news column.

Behind us on the year road, there are many places where we have failed, leaving memories perhaps not as sweet as we intended them to be. We ask your tolerance as we blot out the errors of the past and trust that the future may hold many new and happy experiences for us all.

Your scribe takes this opportunity to express gratitude for all assistance given and to wish all the readers of The Liberal increasing Joy, Good Health and Prosperity throughout the Coming Year.
