REEVE GREENE RE-ELECTED IN CLOSE CONTEST MONDAY

C. H. Hooper Wins By Big Majority in Markham and Harry Barber, W. L. Clark and Albert Reesor Chosen as Councillors — Jefferson Wins in King Big Turnover in Whitchurch

RICHMOND HILL HAS HAD ONLY ELEVEN REEVES IN SIXTY-FOUR YEARS

In a keenly contested election on Monday J. A. Greene was re-elected reeve of Richmond Hill for a fifth term with a majority of twenty-four votes over James McLean a member of the 1936 council. The contest lived up to expectations in that a small margin separated the candidates. Mr. McLean had a majority of three in polling sub-division number one, but the Reeve had a majority of fourteen in number two and thirteen in sub-division three.

In the school board election the three members seeking re-election were re-elected, A. D. Buchanan heading the poll with 438, L. A. Hill second with 336 and P. E. Angle third with 326. James Butler the new man seeking election was thirty-one votes behind with a total of 295.

There were eight more votes cast in the reeveship contest this year than a year ago. In 1936 the vote was Greene 345, Neal 164, making a total of 509 and there were 2 spoiled ballots. This year the vote was Greene 264, McLean 240, and there were 15 spoiled ballots. Some of the ballots were spoiled by crosses for both candidates but on the majority no choice at all was recorded.

Following the counting of the ballots and the announcement of the result Mr. McLean congratulated the Reeve on his re-election and Mr. Greene congratulated Mr. McLean on putting up such a good fight. Both candidates spoke briefly to the assembled ratepayers and thanked their supporters for their work.

The vote by sub-divisions was:

	Greene	McLean
No. 1	109	112
No. 2	58	44
No. 3	97	84
	264	240

For School Board

	No. 1	No. 2	No. 3	Total
Angle	135	87	104	326
Buchanan	148	192	98	438
Butler	112	94	89	295
Hill	149	93	94	336

In being re-elected for a fifth term Reeve Greene is by no means setting a precedent in Richmond Hill because this municipality is noted for giving its reeves long terms of office. In sixty-four years since the village was incorporated there have been only eleven reeves, and of these four served but one year. Abraham Law was the first reeve, serving for one year in 1873. He was followed in 1874 by William Harrison and then came William Trench who was the chief magistrate for seven years from 1875 to 1882 except one year in 1880 when James Langstaff held the reeveship. John Brown was reeve in 1883 and 1884 and then followed W. H. Pugsley who established the long service record for the town with 24 years as Reeve. In reality Mr. Pugsley was a member of County Council more than 24 years as he served in the County body when the County representatives were elected from districts including several municipalities. Mr. Pugsley was Reeve from 1885 until 1896 when he became a district representative in County Council. From 1896 until 1905 a term of nine years Peter G. Savage was Reeve and in 1906 Isaac Crosby had a one year term. Mr. Pugsley came back to the Reeveship in 1907 and served continuously in that office until 1918. Thomas H. Trench became the reeve in 1918 and like his father the late Wm. Trench served for seven years. He was followed by J. Lunau who was seven years in office and in 1933 the present Reeve, J. A. Greene was first elected to office.

For long service as a member of council the honors belong to John H. Sanderson and Peter G. Savage who each served for sixteen years as members of council. Others who gave long years service on council include T. H. Trench 14 years, John Palmer 12 years, David Hill 10 years, William Innes 9 years, William Powell, William Atkinson, Isaac Crosby, Benjamin Redditt, and J. Lunau 8 years each, George S. Sims, J. A. Monkman, J. A. Greene, 7 years, John Tyndall and James McLean six years. Councillor H. J. Mills is now starting his seventh consecutive term as a member of council.

Hooper Scored Notable Victory in Markham

Charles H. Hooper who after three years service in council sought the deputy-reeveship of Markham township scored a decisive victory over F. A. Coakwell piling up a majority of 319. In the race for council Harry H. Barber, a new candidate, romped home at the head of the field with a total vote of 686. He was closely followed by W. L. Clark who polled 618 votes and Albert Reesor seeking re-election was only eight votes behind with 610. A. Summerfeldt, a member of last year's council, suffered defeat along with R. L. Stiver and R. Pearse. James Rennie, the reeve, was elected by acclamation. The votes by sub-divisions appears elsewhere in this issue. Last year C. H. Hooper who this year was elected deputy-reeve headed the council poll with 792 votes.

New Reeve in Whitchurch

Earl Toole, deputy-reeve of Whitchurch in 1936 scored one of the most decisive municipal victories in the County on Monday when he defeated former Reeve Newton Rae by a vote of 868 to 341. It was one of the largest majorities ever recorded in the township. Jesse Cook won the deputy-reeveship from Lorne Evans with a majority of 68. The council members elected were George Leary, W. Wells, and Herman Kidd, a former Reeve of the township.

Jefferson Re-elected in King

Reeve J. Jefferson was re-elected as Reeve of King Township defeating ex-reeve Norman MacMurchy with a vote of 1040 to 987. Councillor C. E. Walkington was elected deputy-reeve with a majority of 296 over former deputy-reeve John Lawson. The council elected were: Thomas MacMurchy, L. B. Goodfellow and E. M. Legge.
