

Big Money Changes Hands As B. A.'s Win From the Richmond Hill Intermediates

LOTS OF THRILLS AT LOCAL ARENA AS DISTRICT TEAMS COMPETE IN LEAGUE GAMES

(By Bunny White)

B.A. Oilers Defeat Intermediates 4-3 Friday night, January 8th was the night of the big battle at the local arena.

All week there had been arguments which was the better team, the B.A. Oilers or the Richmond Hill Intermediates and there was big money bet on the game. We hear one enthusiastic fan of the B.A. Oilers bet 50c. on his team.

But the weatherman stepped in and sent down the rain and fog and the ice was in no condition for these two teams to show their best. At that it was a game that was worth watching.

In the first period B.A. Oilers opened the scoring with Miller doing the trick. Richmond Hill evened the score with a goal by Saul. The Oilers then scored one, Sayers bulging the twine behind Grainger. Harris then scored for the Oilers.

The second period was a ding dong battle from the start to the finish with Weese scoring the only goal of the period for the Intermediates.

The third period was the slowest period of the game with the Intermediates pressing. The Oilers kept shooting the puck down the ice. Yakes scored for the Oilers and Jones completely fooled Stewart with a nice shot to end the scoring.

With a fast sheet of ice, the game when these teams meet again should not be missed.

The line-ups:— Oilers—Stewart, W. Young, H. Young, Sayers, Hart, Miller, Yakes, Harris, Buchanan.

Intermediates—Grainger, S. Young, Richardson, Palmer, Crean, Saul, Weese, Jones, Cooper, White, Mabley.

Referee—F. Grainger.

Thornhill Defeats Oak Ridges In the opening game on Tuesday night Thornhill proved much too good for Oak Ridges defeating them 8-3.

The first period opened slow with both teams looking for openings. Bruce Findlay scored the only goal of the period.

The second period started off with an early goal by Bruce Findlay. Boyle then scored for Oak Ridges. J. Ellacott scored for Thornhill. Bruce Findlay scored his third goal and M. Findlay scored the fifth goal for Thornhill. This period was a battle royal. Every player was skating with a chip on his shoulder. C. Ellacott and Helmky had several hard bumping matches, and even the Thornhill goalkeeper was affected by the tension. He wanted to fight everyone who came near his goal.

In the third period Bruce Findlay, who was the star of the game got his fourth goal. Tempers started to flare again but the referee soon cooled them down with penalties. M. Findlay scored the eighth goal for Thornhill and Carlyle scored for Oak Ridges.

Line-up—Oak Ridges—J. Mabley, Brown, Boyle, Archibald, Helmky, Hunter, Carlyle, Shropshire, Burgess, Hume.

Thornhill—Chapman, J. Ellacott, Morrison, C. Ellacott, B. Findlay, M. Findlay, Bennett, Jackson and Harris.

B.A. Oilers Defeat Bond Lake The second game was one of those games in which each player tried to see if he was stronger on his feet than his opponent. B.A. Oilers defeated Bond Lake 4-1.

Yakes scored the only goal in the first period for the Oilers.

In the second period B. Franklin evened the score and Harris put the Oilers ahead by a nice goal.

In the third period Miller scored twice for the Oilers.

Frank Carr in goal for Bond Lake was very good and Hart and W. Young were good on the Oilers' defence.

Miller was going good and was hard to stop whenever he had the puck. Orville Jones was very good. He made rush after rush only to come

to grief when he hit the Oilers' defence, he was either knocked flying or was tripped.

Line-up—B. A. Oilers—Stewart, W. Young, H. Young, J. Hart, Yakes, Sayers, Miller, Harris, Jim Mabley, Temple.

Bond Lake—Carr, C. Burnett, O. Jones, M. Jones, S. Burnett, N. Burnett, B. Franklin, Bert Franklin, M. Stewart, J. Wall, G. Lloyd.

Referee—F. Grainger.

Monster Carnival Thursday, January 21st the North Yonge Intermediate Hockey League are holding a fancy dress carnival. See the bills for the various events. There will also be some added attractions.

The money raised will go to make up the deficit in the gates at the hockey games and also prize money for the first and second teams.

Schedule Friday, January 15 Oak Ridges vs. Bond Lake. Richmond Hill vs. Thornhill.

East York Defeats Stouffville Monday, January 11th East York defeated Stouffville 5-3.

In the first period Stouffville had the better of the play outscoring East York 1-0.

The second period started off fast and good hockey was played by both teams. Stouffville opened the scoring and East York scored also. The score was 2-1 at the end of the second period.

The third period started off with East York finding their scoring combination and they ran in 2 quick goals to put them up for the first time. They scored again and Stouffville scored their last goal. East York scored their fifth and last goal to win the game 5-3.

Line-up—East York—Watson, Rogers, Ashenhurst, Miller, Kings, U. Mueller, Newman, Logan, Marshall, Taylor, Kinsman, Clarke.

Stouffville—Holden, Anderson, Spencely, Davis, Cochrane, Baker, Harper, Brillinger, Malloy, Austin, Maynard, McPherson.

The attendance at the Hockey games is very disappointing so far. The boys are playing a real game and deserve the support of all Hockey Fans. The admission is only 15c. and 10c. for children. Many a person will spend \$1.10 to see a game at Maple Leaf Gardens and not have as much fun as they would at these games.

The golden gates were open, A gentle voice said "Come!" And with farewell unspoken They calmly entered home.

MILK PRODUCERS DISCUSS PROBLEMS

A general meeting of the Toronto Milk Producers was held at Unionville on January 7 by the executive of Division No. 6 with the intention of an immediate straightening up of the milk situation.

Approximately 200 shippers were present, representing the following districts: Weston, Downsview, Woodbridge, Scarboro, East Etobicoke, North Etobicoke, Pickering, Whitchurch, Peel and Markham.

There was a representation from the Toronto executive including Dr. J. R. Reynolds, W. H. Wilmot and Erle Kitchen.

Various discussions arose in regard to the raising the price of milk. The Toronto executive explained the problems they were confronted with in the raising of this price, as the dairies claim, despite the disposal of so many cattle, they are at present actually flooded with milk, more so than ever before.

Considerable dissatisfied feelings were voiced at this meeting in respect to their agreements in regard to the setting of quotas and milk agreements, which will be looked into by the Toronto executive with the intention of bringing these dairies to the proper agreements.

A resolution was proposed and agreed with by the meeting, which said: If the Toronto executive cannot reach a satisfactory agreement within two weeks an immediate protest meeting will be called for all Ontario shippers to meet in Toronto where a higher price will be demanded.

If this meeting is called, a notice will be announced in this paper.

James on Humber River. November 3—Bridge Party at the home of Mr. and Mrs. Angle. 84 players took part. A most successful and pleasant evening.

The sprayer visited 35 gardens and orchards at a cost to the users of \$89.15 and to the society of \$90.77. The park and Yonge St. boulevard were as well cared for as possible. Our big undertaking was the laying out and planting of a Rockery at the south end of the village which it is hoped will be extended during 1937. Civic undertakings cost \$72.20. Solicited donations amounted to in cash \$32.50 with also donations of goods.

We close our year with a balance of \$122.64 but only part of this is a credit to the society. The failure to hold the usual flower shows for which we had money on hand accounts for a large proportion of the balance. Of course, this will be needed during 1937 and, too, our legislative grant will be less this year owing to our not having held the shows. We therefore dare not congratulate ourselves on our large balance but rather we must determine to strive to create in our village folk

a deeper interest in Horticulture. Mary Hume, secretary, Richmond Hill Hort. Society.
