## VICTORIA SQUARE NEWSY NOTES

The uncertain weather still continues to be with us. Unfortunately this mildness seems to produce more sickness than the seasonable winter weather. So, let us hope it will be sufficiently cold to drive the germs to where they can do no harm.

The sympathy of the community is extended to Mr. and Mrs. H. F. Collard in the loss of their infant son, Kenneth McLeod. Little Kenneth was ill for only a few days. When his cold developed into pneumonia Dr. James Langstaff rushed him to the Sick Children's Hospital but all to no avail. He grew steadily worse and in the early hours of Saturday morning he passed on. The funeral at the home on Monday afternoon was largely attended by sympathizing friends and neighbors. Further expressions of sympathy were sent in the form of flowers by relatives, friends and the Sunday School, Women's Missionary Society and the Women's Association.

On January 19th the Junior Farmers and Junior Women's Institute held their annual banquet in the Community Hall. Among those present were Miss Margaret Watson, County representative of the Institute and her brother Mr. M. Watson, Mr. Bill Champion, Mr. Grange, Rev. and Mrs. MacDonald, Miss Ethel Chapman, assistant editor of the "Farmer" magazine, Mr. Cockburn, agricultural representative and Mrs. Cockburn, Mr. and Mrs. R. F. Klineck and the trustees of the Hall and their wives. A splendid programme was provided with Mr. J. Frisby acting as chairman and toastmaster. The following proposed and replied to the toasts in an interesting manner: Mr. J. Frisby, to the King; Mr. Runney and Miss E. Morton, the ladies; Mr. Barber and Mr. Champion, Jr. Farmers; Mr. F. Gee and Mr. Cockburn, Agriculture. Miss Dorothy Valliere introduced Miss Chapman to her audience in her usual bright manner and the promise of a treat made by Dorothy was fulfilled entirely in Miss Chapman's address, namely, "Social Relations." If we follow Miss Chapman's suggestions, we'll surely improve that part of the world in which we live. Mr. Cockburn informed us that the farm was a university and we'd get out of it just what we put into it. The evening ended in dancing, music being provided by Brown's Corners' Orchestra.

On Thursday of last week the Markham Township Sunday School Convention was held in the Victoria Square United Church. A splendid attendance was noted at all the sessions. In the morning satisfactory reports were read and approved and after the appointment of the Nominating Committee the Rev. J. Lorne Graham, B.A., B.D., delivered an address on the "Effects of the Depression on Sunday School Work" in his usual interesting and enlightening manner. At the conclusion of this address and a hymn dinner was served to over a hundred.

At two o'clock another interesting

session was in charge of Rev. J. Lorne Graham, B.A., B.D.

After some music in charge of Mr. R. E. Sanderson, Mrs. J. J. Eaton gave an address on "Relation of Parents to the Sunday School" which was very helpful indeed. Early in the afternoon Mrs. Eaton also talked to the children of the community and the neighboring churches. All were served to supper and at seven-thirty another service was held, conducted by Rev. A. Winger. A short installation service was conducted by Rev. L. Atkinson of Stouffville. The audience was then honored by hearing a delightful and inspiring address by the Ex-Moderator of the General Assembly of the Presbyterian Church, Rev. J. S. Shortt, M.A., D.D., on "Teaching the Bible to the Young People of today." Those who were privileged to hear Dr. Shortt could not but feel they were living in a "land of plenty" compared with many parts visited by him, especially in the West.

His address, followed by singing, closed a good day in every sense of the word. All interested in Sunday School work must have left feeling more determined to make next year a greater success by carrying out suggestions offered there.

On Tuesday evening, February 2nd the Junior Institute will hold their regular monthly meeting in the basement of the church at eight o'clock sharp. A splendid program has been provided, a five minute talk by Mrs. Willows on "Do good to thy friend to keep him, to thy enemy to gain him." The response to the Roll Call "Important Figures in Canadian History" is to be followed by an address on "Peace and Canadianization" by Miss Izzard. Miss Izzard is on the High School Staff of Richmond Hill and consequently is well qualified to speak on this subject. A cordial invitation is extended to all ladies to attend this meeting.

On the same evening the Jr. Farmers will hold their meeting in the Community Hall and their speaker, Mr. Leonard Harman of Temperanceville will speak on "Consumer Co-operation in America." As Mr. Harman is giving this subject a very careful study it will be worth your while gentlemen, to attend this meeting. All are welcome.

On Sunday evening an interesting program has been arranged under the leadership of Mr. Harold Wellman. The Worship Service will be ably conducted by Miss Dorothy Valliere and Miss Pearl Caseley will contribute an instrumental. The topic will be given by Mr. Fraser Gee. All are very welcome to attend these young people's meetings.

## High And Public School Boards To Operate Separately

At a special meeting of the municipal council of Richmond Hill held this morning Reeve J. A. Greene was instructed to convey to the Board of Education the ruling of the chief inspector for schools for the province that the High School Board and Public School board in this village must operate as separate organizations. There is provision for a joint board in municipalities where the High School district and public school section are the same, but this being a Union public school section, makes this arrangement impossible here.

The School Board meets again tonight when the order for separate organizations for the two schools will likely be the main topic of business before the organization and estimates for the coming year are considered.

Richmond Hill Board of education consisting of six public school trustees elected by the ratepayers of the section and six High School trustees, three appointed by the Village Council and three appointed by the County Council have carried on as a joint board of education for 63 years. The public school trustees elected are: P. E. Angle, A. D. Buchanan, Robert Endean, L. A. Hill, Robert D. Little and F. N. Hopper. The High School trustees appointed by the village are: A. A. Eden, C. H. Sanderson and Alan Bales, and T. H. Trench, F. S. Tyndall and Jas. Skeele are High School trustees appointed by the County Council.

At the inaugural meeting of the Board held last Thursday evening no business was transacted except the election of a chairman until a definite ruling could be obtained on the details of organization.

Considerable damage was done to the building but the flames were checked by the efficient work of the brigade before any extensive harm was done. The fire is believed to have been caused by a short circuit in the motor.

The Missionary allocation was met this year and the Church Treasurer reported \$126.00 more in receipts this year over that of the previous year. It was made known at the meeting that the Church had received one hundred dollars from the estate of the late Mr. D. Steele. The Board of Managers were all re-elected. Messrs.
