Thornhill Takes Oak Ridges
The game between Thornhill and Oak Ridges Friday night was played on soft ice. The game considering the condition of the ice was one of the best.

In the first period Oak Ridges opened the scoring Boyle scoring on a pass from Shropshire. Hume and Clapman stopped many shots from close in. Bruce Findlay scored to tie it up, then M. Findlay scored two goals on passes by J. Harris making it 3-1. Boyle scored again on a pass from Helmky to end the period.

In the second period play became a little rough Harris scoring the only goal of the period on a pass from M. Findlay. The play became very strenuous at the end of the period. M. Findlay and Helmky were both penalized for fighting.

Thornhill scored 3 goals in the third period, Good, Bennett and Todd being the marksmen. Hunter scored for Oak Ridges making the final score 7-5 in favor of Thornhill.

Thornhill—Clapman, Morrison, C. Ellacott, Echlin, M. Findlay, B. Findlay, J. Harris, Todd, Good, Bennett. Oak Ridges—Hume, Brown, Helmky, Carlisle, Boyle, G. Boyd, Shropshire, Hunter.

In a game that was called at the end of the second period B. A. were leading Silver Stream 3-2.

Owing to the games having to be finished at 11 o'clock they were unable to finish the game. Sayers scored twice for the Oilers and Miller once.

Trotter and Moore scored for Silver Stream.

This game does not count in the standing.

Oak Ridges Defeat Richmond Hill

Hockey fans who passed up the games on Tuesday missed two of the best games that have been played on the local ice for a long time.

In the first game Oak Ridges defeated Richmond Hill 4-2.

In the first period both teams turned on the heat and things got so hot that Weese and Carlyle started a fight. After both goalers had played a swell game, Art Crean scored for the Intermediates.

In the second period E. White scored for the Intermediates to make it 2-0. Oak Ridges played hard but so far were unable to put the rubber past Grainger.

In the third period Oak Ridges went to town while Richmond Hill faltered. Brown scored. Then Shropshire scored on a pass from Helmky. Helmky made it three. And Carlyle on a pass from Brown made the fourth goal.

There were no outstanding stars. Every player played his head off.

Richmond Hill—Grainger, Lynett, Weese, Palmer, Mabley, Saul, White, Crean, S. Young.

Oak Ridges—Hume, Brown, Boyle, Archibald, Helmky, Hunter, Carlisle, Shropshire, Burgess.

Thornhill Defeat Bond Lake

In the second game Thornhill defeated Bond Lake 3-1.

And believe me Thornhill had all they wanted. Bond Lake made them earn every goal they got.

Frank Carr in the Bond Lake goal stopped a million pucks. Time and again he came out of his net to save sure goals. The rest of the team all played a good checking game, but were weak on their passing plays.

Goalgetters for Thornhill were B. Findlay 2, Harris one. For Bond Lake J. Wall scored the only goal. Thornhill—Clapman, Morrison, Ellacott, Harris, B. Findlay, M. Findlay, Good, Todd, Bennett, Echlin.

Bond Lake—Wilkins, O. Jones, C. Burnett, J. Wall, Lloyd, S. Burnett, N. Burnett, Marne, M. Jones.

WILLIAM MILLER ASKED TO MAKE POLICE SURVEY

William Miller, once inspector on the Toronto police force, was chosen by the warden and commissioners of York County to investigate the county's police needs and prepare a report.

After a private session with the two commissioners, Warden W. E. MacDonald issued the following statement:

"After due consideration of the question of re-organizing county police, the warden and commissioners decided to appoint William Miller, former inspector of the Toronto police force, to make a complete survey of the county's police requirements and report his findings to council as soon as possible.

"Mr. Miller is a police officer of some year's experience, having been on the Toronto police force as constable, detective and inspector, and after 28 years, retired to go into private business.

"Mr. Miller has been given full authority to investigate the present situation and make a comprehensive report."

Now we're so used to wrecks that one doesn't sound serious unless we make it turn over four times.

What causes these 3 a.m. wrecks? Well, does anybody stay out till that hour drinking milkshakes?

VICTORIA SQUARE

February so far has not been a very seasonable month. Rain and ice are not usually associated with this time of year, but blizzards and blocked roads.

The social evening held in the community hall last Friday evening under the auspices of the J.W.I. was a very enjoyable event. Progressive euchre and crokinole were played during the first part of the evening. Prizes were awarded as follows: high crokinole, Pearl Caseley; high euchre, Mrs. P. Willows; consolation crokinole, Myrtle Avison; consolation euchre, Earl Empringham. After lunch, dancing was enjoyed.

Rev. Macdonald delivered a very splendid companion sermon to that of the Sunday previous, on Sunday. His subject dealt with the relation of the children and young people in the home.

There was a very good attendance at Y.P.U. on Sunday evening. The program was under the direction of the missions convener, Myrtle Avison. The topic by Mrs. Haig was much appreciated, as were a solo by Richard Rice and a reading by Eloise Perkins.

Next Sunday evening Mr. Kuhns of the staff of the Gormley Bible College will be the speaker. There will be special music. The program is in charge of the Citizenship Convener, Thelma Hart.

The ladies of the W.M.S. Auxiliary are holding their annual quilting at the church on Thursday, February 18th.

Don't forget the date, February 25. The time 6 o'clock. What is it? The Woman's Association Oyster Supper. The place, the Sunday School room. Come and enjoy a good supper and program.

Miss Mable Sanderson took tea with Miss Eloise Perkins on Sunday evening.

The cast of "Lena Rivers" presented this interesting drama at Temperanceville United Church on Tuesday evening.

Combine ingredients. Butter mould, fill two-thirds full with mixture. Steam 2 hours. Serve with brown sugar sauce.

CAPITOL THEATRE

SLIM ORDERS SEXTET. STORK DELIVERS ONE

Belief in the superiority of numbers causes Slim Summerville to place a personal order with the stork for sextuplets in his determination to outshadow his rival, John Qualen, who plays the father of the Dionne Quintuplets in "Reunion," a hilarious comedy-drama coming to the Capitol Theatre next week.

The Twentieth Century-Fox picture gives these two grand comics incomparable situations, and when the six-times-blessed event occurs—it's the funniest thing on the screen!

Featured again as the Country Doctor is the lovable Jean Hersholt, and the large, important cast also includes Rochelle Hudson, Helen Vinson, Robert Kent and Dorothy Peterson.

LITTLE THINGS

Oh it's just the little homely things, The unobtrusive friendly things, The "Won't you let me help you" things,

That make our pathway bright. And it's just the jolly, joking things, The "Never-mind-the-trouble" things, The Laugh-with-me-it's funny" things That make the world seem light. For all the countless famous things, The wondrous record-breaking things, The "never-to-be-equalled" things, That all the papers cite. Are not like the little human things, The every-day-encountered things, The "Just-because-I-like-you" things, That makes us happy quite.

—From "Wings of Healing."

Creating a greater market is easy. Just slip a stiff tax on the undistributed or unspent surplus of private incomes.

Electrical transcription is necessary. You couldn't find anybody to sing jolly songs at 7.30 of a gold gray morning.

"He found himself married to a strange woman," says a publisher's ad. Well, who doesn't?

Southern Towns Talk Secession

If moves of York Township, Forest Hill Village and part of East York township, to secede from York county are successful Lake Shore towns will ask immediate separation from the county, said Reeve W. E. MacDonald, of New Toronto.

Officials of Mimico and Long Branch fully supported Reeve MacDonald's suggestion of separation. "We have little in common with the rest of York county," declared the Reeve. "We would be quite within our legal rights to seek secession in our present status."

"I do not expect any financial amalgamation for several years yet," he continued, commenting on the suggestion the three municipalities seek incorporation as a city. "At the same time there is no doubt we are making great strides in that direction. We are moving to co-ordinate certain services such as the police. Water and sewerage services are now combined."

Reeve MacDonald held that the Lake Shore towns could separate from the county without seeking status as a city.

"The sooner we separate from York county and link up with the Lake Shore towns the better," said Reeve Joseph Deyman of Long Branch. "We are heartily in favor of it. If the matter is precipitated by the secession of York, part of East York, and Forest Hill Village, then we will be forced to leave the county to protect ourselves."

Mayor Amos Waites of Mimico thought York county might as well be broken up completely at once. Northern and southern municipalities have entirely different problems, he said.

"As presently constituted the sensible thing to do is break up," he stated. "Of course the Lake Shore would have to secede if other municipalities started that move. I would favor incorporation of the three as a city on the Lake Shore."

York county, Mayor Waites claimed, has little left to do in the way of administration and much of this is likely to be taken away in the near future by government control of services.
