Oilers Win First Play-off Game

In a game that had the fans in an uproar all the time the Oilers defeated Oak Ridges 3-2 and take a one-goal lead into the final game Tuesday night.

In the first period both teams started out slowly just to feel each other out. Oak Ridges then started to burn up the ice. Burgess broke clean through, missed the net and then missed Carlyle's pass out with nobody to beat but Stewart. The Oilers fought back and fired shot after shot on Hume but the door was closed. Helmky split the defence only to have Stewart make a great save. Miller scored the first goal for the Oilers and just at the close of the period Hart got right in on Hume only to have him smother the puck.

Oak Ridges came out in the second period rarin' to go. Shropshire tied the score on a pass from Helmky. Temple scored on a rebound from Ren Brown making the score 2-1. Hume saved on Miller's blazing shot and Stewart who was playing the best game of his career made a great save on Helmky who with Carlyle and Boyle made a great passing play just failed to click.

Sayers made it 3-1 on a passing play with Miller.

The third period was just one rush after another with both goalkeepers having their hands full.

Helmky after trying hard all night was successful in putting the puck past Stewart to make the score 3-2.

To pick any star of the game would be unfair to the other players because every man gave all he had and no man can do more.

The line-ups:
Oilers—Stewart, W. Young, H. Young, Miller, Sayers, Harris, Buchanan, R. Brown, Temple, Yakes, Hart.

Oak Ridges—Hume, Shropshire, Helmky, G. Boyle, H. Boyle, Burgess, Brown.

Silver Stream Defeats Thornhill

In an exhibition game that was a great exhibition of fast hockey Silver Stream defeated the good Thornhill team 3-2.

Silver Stream scored two goals in the first period and Thornhill one. There was no score in the second period.

Both teams scored 1 goal in the third period.

B. A. Oilers Win Play-off

B. A. Oilers defeated Oak Ridges 4-3 and earned the right to meet Thornhill in the finals Friday night.

The game was not as fast as the first play-off game. The ice was too hard for the Oak Ridges players who forgot to get their skates sharpened. The B. A. team played real hockey and are worthy opponents for Thornhill.

Miller scored one goal. R. Sayers with 3 goals and Helmky with 3 goals were the 3 star players.

Both goalkeepers played well and were responsible for the score being kept below double figures.

Oilers—Stewart, W. Young, H. Young, Miller, Sayers, Harris, Buchanan, R. Brown, Temple, Yakes, Hart.

Oak Ridges—Hume, Shropshire, Helmky, G. Boyle, H. Boyle, Burgess, Brown.

Thornhill and Silver Stream played a tie game in the night cap affair, 4-4 being the score.

The game was very fast and was a good work-out for the Thornhill team.

Thornhill and B. A. Oilers meet in the first game of the finals Friday night. The hockey fans should not miss seeing these two good teams in action. The game starts at 8 p.m.

Bond Lake and Richmond Hill Intermediates will play the second game.

LACROSSE

There will be a lacrosse meeting in the Town Hall Monday, March 15th at 8.30 for the purpose of forming an Intermediate Lacrosse team.

Will the following please turn out: Mel Morrison, C. Elliott, H. Echlin, A. White, Cal Miller, W. Young, J. Hart, A. Stong, S. Young, Glen Miller, H. Weese, G. Stong, G. Ingram and also anyone who is interested in making the team.

We would also like a representation of the public to attend this meeting.

There is material around this district for forming one of the strongest Lacrosse teams ever to represent Richmond Hill in the O.A.L.A.

ACCIDENT LEADS TO MAJOR INDUSTRY

A cow kicking over a lamp, they say, started the Chicago fire. A spider climbing a thread brought Bruce of Scotland victory. But these and many other like historical incidents pale before the story of the housewife whose carelessness founded one of the most important phases of the Canadian fish industry.

Away back in a Scottish village a housewife left a haddock hanging from the rafters of her cottage as she went out for the day. She had left it too near the peat fire, however, and when she returned the fish was all dried by the smoke from the fire. She decided to cook it anyway and the result was so appetizing that the news spread like wildfire and smoked fish became a national delicacy.

Today the popularity of smoked fish has spread everywhere and the appetite for this delicacy has founded Canadian organizations of international repute, some of which have been established for a century and more.

The Canadian climate has been found ideal for the production of this delicacy and other cured fish and today the Dominion holds a foremost place in world trade in the export of dried, smoked, and pickled fish.
