An Easter pageant picturing the Gospel Story of the Resurrection will be given in the Maple United Church Sunday evening at 7 p.m., March 21 under the auspices of the Women's Missionary Society.

The service has a wonderful appeal with its Bible words accompanied by suitable music and oriental costumes to portray the scenes of the resurrection story and is so arranged to present a unique and wonderfully impressive Easter Service.

VICTORIA SQUARE

So, "Winter" is come! Well, we don't mind entertaining her for a few days but she has lingered too long elsewhere to expect a very warm welcome from us. The month of March, though, is the month of surprises, when weather is concerned, and she really has eclipsed herself in the way of surprises this time.

Mr. and Mrs. Phillip Willows entertained at tea on Sunday evening. Mr. and Mrs. George Dennis and Master Norman Roberts.

Mr. and Mrs. Herb Smith, Miss Gwen and Miss Love, Mr. and Mrs. H. R. Mortonson and little daughters and Mrs. F. Jaques took tea with Mrs. Annie Mortonson on Sunday.

The "Community Hall" sponsored a very successful Masquerade Dance on Wednesday evening. Congratulations are extended to the committee, namely, Mr. D. Rummy, Mr. Jack Frisby and Mr. Fraser Gee for the part they played. The proceeds are to go toward the general upkeep of the hall.

Revival Building Activity Aim of Improvement Plan

Members of the local Advisory committee of the Home Improvement plan met Monday evening in the Municipal Hall under the chairmanship of T. H. Trench and heard an address by Joseph Bannigan, district representative of the Home Improvement Plan, and discussed plans for the local campaign to stimulate activity in the general improvement of homes and property.

It is a recognized fact that during the past number of years many needed repairs and alterations to homes have been postponed on account of the depressed business conditions. The purpose of the present campaign for Home Improvement is to stimulate building activity and suggest as its slogan "Do It Now." Building materials are on the up-grade in price and it is pointed out that needed repairs can be done more cheaply now than in the course of a few years. In addition the Dominion Government has made it possible to finance improvement on a deferred payment plan with monthly payments, and offers to property owners the cheapest plan of deferred payment ever offered anywhere in the world.

Any property owner desiring to take advantage of this opportunity to improve his property should immediately consult his banker, contractor, or T. H. Trench, chairman of the local advisory committee who will supply full information regarding the plan.

Contractors throughout the district are looking to a large increase in business as a result of the campaign and even now building activity in the North Yonge Street district is on the increase.

Reeve J. A. Greene and other municipal leaders in the district have heartily endorsed the plan as one which will improve the community, stimulate activity in the building and supply trades and thus relieve unemployment. Plan to improve, repair or modernize your home this summer.

PUBLIC SCHOOL HOCKEY

(By Sam Macdonald)

The battle to nowhere continued at the Public School when Rooms 3 and 4 played their second game last Friday. The game ended 3-1.

Ross opened the scoring in the first period when he broke through the opposing defence and scored for Room 3. He also scored two other goals in rapid succession. For Room 4 the goal-getters were two for Bell and one for Lunau. The teams were short of players so the vacancy was filled by the smaller players from Room II. Ross was by far the best player on the ice. Room II beat Room I by the score of 2 to 1.

Line-up for Rooms 3 and 4:
Room 3—Bill Darby, Donny Glen, John White, Ewen Ross, Alex. Belgrade and Frank Yonge.

Room 4—Howard White, Norman Tyndall, Leonard Lunau, Murray Hunt, Bill Bell and Billy Neal.

The High School Commencement Successful Event

The fourteenth annual Commencement exercises at Richmond Hill High School last Friday and Saturday evening attracted large audiences and proved as usual to be delightful entertainment. A talented cast did exceptionally well in the presentation of Gertrude Tonkony's "Three Cornered Moon" a comedy character sketch with setting in a modern home where the troubles and affairs of the rising generation cause many amusing and exciting situations. The cast included Dorothy Barraclough as Mrs. Rimplegar, Fred Carter as son Douglas, Lorne Wells as son Ken, Marjorie Cunningham as Jenny the Maid, Eric Wilson as Ed. Rimplegar another son, Ruth Angle as Elizabeth, the daughter of the household, Bill Campbell as Dr. Stevens and Jean Robinson as Kitty the girl friend of Ken.

Enjoyable numbers on the program in addition to the feature presentation included a piano solo by Lovica Wigmore, vocal solo by the ever popular Doreen Johnson and a piano solo by Jack Watkins. Friday evening academic and athletic awards were presented to the winners by Principal James Stewart, Mr. F. S. Tyndall, chairman of the High School Board and Mrs. Garfield Yerec president of the Women's Institute. Saturday evening the past president's address was given by Stewart Rumble.

Amateur Contest At Thornhill April 2

**ENTRANTS FROM ALL SECTIONS
REPRESENTED**

Applications from all parts of the district, including Richmond Hill and Toronto, have been received for the Amateur Night contest, to be held in the Lawrence Memorial Parish Hall, Thornhill, on Friday, April 2nd, under the sponsorship of Trinity Women's Club for the purpose of augmenting the Hall funds.

Miss Wilson, the Secretary, has been forced to limit the number of entries to twenty-five and it is expected that this quota will soon be filled. "We could," she said, "do with a few more good musicians, violinists, etc." The keen interest in these amateur contests has been enhanced by the success that Canadian amateurs have attained on American radio programs and vaudeville circuits. Although this contest does not offer any stage or radio contracts, it is understood that some very valuable prizes will be awarded and the presence of a popularly known radio man may result in a "find" being given an opportunity on the air. Harry Lord, of the Lord Advertising Agency, who has wide experience in arranging radio programs, has consented to act as one of the judges and Douglas Cooper, well known among Little Theatre groups and Hart House Players, will act as Master of Ceremonies.

As we go to press, the interest displayed both in the way of applications and in securing tickets, assures a crowded Hall and an excellent show.

HYDRO DEMONSTRATION AT WOMEN'S INSTITUTE

Another well attended meeting of the Women's Institute was held at the home of Mrs. Duncan Chamney when Miss Ditchburn of the Hydro Electric Power Commission gave a perfectly splendid demonstration of home lighting. Miss Ditchburn brought lamps of many types showing the one most suitable for every occasion. Miss Phyllis Glass favored the meeting with a solo after which the Institute hostesses served afternoon tea.

PATTERSON

Miss Laura and Mr. Herschel McConnell entertained the Patterson Club at their home on Wednesday evening. Court Whist was played with Theresa Allen, W. Coveyduck, Madeleine Rumble and Mr. P. Walker prize winners. The Club paper was read by Edith Ainslie. A solo contributed by Miss Anne Lindsay was much enjoyed. Dainty refreshments were served at the close of a very pleasant evening.
