

VERSE FOR THE KIDDIES  
O. K.

There's a poet, a Persian, called Omar Khayyam,  
Who has written some verses which sound like a Psalm,  
And a kitten I own that has eyes of real gold,  
And the fluffiest tail, is a Persian, I'm told,  
Like Omar Khayyam.  
So I named it today after him,  
But for short I just call it O. K.

Auction Sale of Furniture, Etc.

SPORT NOTES  
By Bunny White

Thornhill Whitewash B. A. Oilers in First Play-off Game  
Thornhill taking advantage of the B. A. Oilers' mistakes, and there were plenty of them, took the Oilers to town to the tune of 9-0 last Friday night.  
The score did not indicate the play as the Oilers deserved 4 goals at least. While Thornhill like the good team they are, back-checked like fiends and gave their goalkeeper all the protection in the world.  
Stewart in the Oilers goal saw more rubber coming at him than he ever has in all his hockey career.  
In the first period B. Findlay scored the first goal for Thornhill on a rebound and M. Findlay made it 2-0 for Thornhill.  
Jackson opened the scoring for Thornhill in the second period taking the rebound and fooling Stewart completely. There was scramble after scramble in front of the Oilers net. Harris took the puck off Miller behind the Oilers net, passed out to M. Findlay who banged it home making the score 4-0. J. Ellacott banged home a loose puck making the score 5-0.  
At the start of the third period Bucky Harris who played a great game for the Oilers shot a blazing shot right over the top of the net while parked right on Clapman's door step. Clapman robbed Bucky Harris of about 4 goals. Harris was the only Oiler who had clear cut shots on Clapman. M. Findlay scored his 3rd goal on a nice rush. Echlin banged in a rebound making the score 7-0. Harris scored on a scramble and Jackson who was parked right in front of Stewart had no difficulty

in scoring on a pass from Harris making the score 9-0.  
Thornhill—Clapman, Morrison, C. Ellacott, M. Findlay, B. Findlay, J. Harris, J. Ellacott, Bennett, Good, Jackson.  
B. A. Oilers—Stewart, H. Young, W. Young, Harris, Miller, Sayers, Hart, Temple.  
B. A. Oilers Even Series  
B. A. Oilers evened the round by defeating Thornhill 5-4 in one of the fastest games to be played in the local arena, Tuesday night.  
Both teams gave everything they had and the Oilers back-checked like they never have before.  
In the first period Jackson opened the scoring for Thornhill with a nice goal. Sayers evened the score. Both goalkeepers were called upon to make phenomenal stops. Sayers scored his second goal on a pass from Miller.  
In the second period right at the start Bucky Harris swept in on Clapman and shot. Clapman stopped the puck and Bucky tore in and scored on the rebound. Bruce Findlay was in on Stewart twice and looked to have him beaten but each time Stewart pulled off an almost impossible save.  
Bucky Harris was in close on Clapman only to have him pull off the impossible. Both goalkeepers were given plenty of work in this period.  
In the third period Sayers scored his third goal on a pass from Bucky Harris. Jackson scored his second goal on a pass from J. Harris. Buchanan scored to make it 5-2 for the Oilers. Bucky Harris and J. Harris started a small fight and were given 5 minute penalties. Thornhill put on the power plays and came in on the Oilers like waves on the ocean. M. Findlay made it 5-3 on a nice scoring effort and repeated to make the score 5-4. The Oilers defence looked very weak on this play.  
To pick out any individual star wouldn't be fair to the other players as every one gave everything they had and the third and deciding game should be one of the best of the season.  
Thornhill—Clapman, Morrison, C. Ellacott, M. Findlay, B. Findlay, J. Harris, J. Ellacott, Bennett, Good, Jackson.  
B. A. Oilers—Stewart, H. Young, W. Young, Harris, Miller, Sayers, Hart, Temple.  
The third and deciding game between Thornhill and B. A. Oilers will be played Friday night at 8 p.m. Don't fail to see this game.  
Friday night Richmond Hill will see the last game of hockey ever to be played in the local arena by the North Yonge Intermediate League. 24 people turned out to see a final game of hockey and the great total of 2 fans came from Richmond Hill. To say it is discouraging is to put it mildly. It is a disgrace to the sport fans of the vicinity. Some of the best hockey that has ever been played locally has been played by this League and it has cost them \$50.00 to put it on. One can't blame the boys if next winter they take their games to Aurora where 2 and 3 hundred people turn out to a game. How about it folks?

CAPITOL THEATRE

WHEN GABLE PLAYS A ROLE THOUSANDS PROFIT BY IT!

Illuminating Checkup Reveals Fact That M-G-M Star Is Responsible for 100,000 Men and Women Holding Steady Jobs in Hundred-and-One Varied Occupations.  
Clark Gable is responsible for 100,000 men and women holding steady jobs.  
Because Gable climbed from the extra ranks to become one of Hollywood's top ranking stars, the florist, the carpenter, the salesman, the artist, the photographer and thousands of others have profited directly and indirectly.  
A casual analysis will establish the figure which is neither exaggerated nor theoretical. If anything, it is an underestimate. The motion picture industry is the third largest in the nation employing approximately 4,000,000 persons. Star names attract patrons to the thousands of theatres operating in every city and town in America. At the outside, there are forty actors and actresses on the screen who rank legitimately as stars. The rest is a matter of simple division.  
What Gable's popularity means to working men and women aside from entertainment might just as easily be applied to Norma Shearer, Robert Taylor, Claudette Colbert, Shirley Temple, Fred Astaire, Gary Cooper or Bette Davis.  
On an average, Gable appears in six pictures a year. It is estimated from available figures that 81,000 persons figure in the making, distributing and showing of a film.  
There are 5,000 regular employees at Metro-Goldwyn-Mayer. A large percentage of these have a part in every picture made. For Gable's latest film, "Love on the Run," which co-stars Joan Crawford, and opens at the Capitol Theatre for 3 days beginning Monday, March 22 thousands were working before a camera turned. Writers worked on the screen play; architects, draftsmen and artists prepared designs for the sets; carpenters and plasterers built the sets; electrical experts lighted them.

Mr. Jones—I didn't get a single real bite on my fishing trip. I only got a few little nibbles."  
Mrs. Jones—"But, dear, why did you not bring them home? At least there would have been enough for your breakfast."  
The C.P.R. Port McNicol line running through Lindsay to Medante, a distance of nearly 60 miles, will be torn up, commencing April 1st.  
Opening three weeks earlier this year with a 15-inch snow fall on December 2, the skiing season in Quebec province was off to a flying start with special Canadian Pacific trains as well as regulars crowded with enthusiasts on the first week-end thereafter from Montreal to the Laurentians.  
The Empress of Britain will start the winter cruise season from New York December 29 on a nine-day voyage to the West Indies and Cuba. It will carry its own night club of Broadway entertainers and a smart dance band. The Empress of Australia, between January 7 and March 25 will make six cruises of eight, nine, ten, 16 and 18 day duration to the West Indies, all from New York.  
Gift of a visit home for Christmas and New Year was the unusual present suggested for the year end by G. E. Carter, general passenger agent, Canadian Pacific Railway, Montreal, as he explained the company's pre-paid ticket plan for sending transportation to out-of-town relatives and friends. Arrangement of details of such visits is extremely simple, Mr. Carter said, and tickets cost no more despite use of telegraph in case of emergency and the guarantee that the tickets will reach the right person. This service is not confined to Christmas and New Year but is particularly popular at this season.  
Canadian and world skiing enthusiasts will have an opportunity to test the Rocky Mountains' claim of having ski facilities equal to any when the Dominion championships of the Canadian Amateur Ski Association are held from March 5 to 8 on the steep slopes of 8,275-foot Mount Norquay, four miles from the Canadian Pacific Railway station at Banff.  
According to announcement by Canadian Pacific Communications Department Christmas and New Year's greetings of pre-arranged message texts will be again available to the public this year. Within Eastern or within Western Canada they will be accepted at the low rate of 25 cents. Between eastern and western Canada and from points in eastern and western Canada to points in the U.S.A. they will be accepted at 40 cents. Rates are subject to government tax.
