BROADWAY MELODY

Vaughan Relief Roll Decreased From 106 to 72

Thirty-Four Fewer Families on Relief Than a Year Ago — March Costs Down \$1500 — Maple Sideroad Now a County Highway

With seventy-two families on relief in March Vaughan township relief bill for the month totalled \$2,838.13 which is a large reduction in costs as compared with March of last year. In the corresponding month a year ago relief costs amounted to \$4,328.44 and there were 106 families receiving municipal aid. The accounts were passed at the regular meeting of the municipal council held at Vellore on Monday when Reeve R. W. Scott presided and all the members were present. Members of council expressed satisfaction with the gradual lessening of relief costs. The relief costs in February were \$2,969.49 which was \$131.36 more than in March and now with the coming of spring with warm weather and increase in demand for labor Relief Officer Orr and members of council anticipate still further substantial reductions. The large reduction as compared to the same month a year ago was particularly pleasing to council as an indication of diminishing demand for public assistance for township families.

Hospitalization costs for March took a sharp increase and totalled \$254.00 as compared with \$133 for February. This item of expenditure however is largely beyond the control of council except in keeping a strict check on those who receive hospital care. Road accounts passed totalled \$711.50. The reeve and council members will soon be making their annual inspection of township roads and laying out the work for the year. A considerable increase in road improvement is anticipated this year.

Now a County Road

A communication was read from the Toronto and York Roads Commission advising that on April 1st the Maple sideroad from Maple west to the Weston road was taken over as a County Highway. The road from Richmond Hill to Maple was already a County road, so now the sideroad all across the township is a county highway. Improvement to the road will be made as the construction program of the County Commission permits.

Assist Coronation Celebration

J. Varley and G. Masters appeared asking a grant towards cost of the Coronation Celebration to be held in Richmond Hill on May 12th. All children attending the celebration will receive souvenir medals and as many from Vaughan will attend the council made a donation if \$10.00.

NOTED SPEAKER COMING HERE TO PEACE MEETING

"Pathways to Peace" will be the subject of an address to be delivered Friday evening, April 9th at 8 p.m. in the High School "gym" by Dr. F. J. Day, internationally known scholar and speaker. Dr. Day has visited Geneva, the seat of the League of Nations, twice and has studied and lectured extensively on the continent. He is a member of the Toronto executive of the League of Nations Society. The meeting is sponsored by a group of local citizens interested in promoting world peace and Reeve John A. Greene will act as chairman. These are days when thinking people are much concerned about the prospect of peace and it is felt that all possible should be done to educate our people about world conditions. While the great majority of the people of the world want peace we are confronted with the spectacle of practically all the nations of the world engaged in a mad race in armaments, which, according to many observers, must eventually lead to another world war. What are we doing about it? Another world war would of necessity touch every home—how can we avert such a catastrophe? All the citizens of Richmond Hill and surrounding district are cordially invited to attend this meeting.

Reeve J. A. Greene Asks Someone Else Take Over Relief

CONSIDER OFFERING INDUCEMENTS FOR BUILDING

At the regular session of the municipal council of Richmond Hill Village held Monday evening Reeve J. A. Greene intimated to the members of council that he wished to be relieved of the duties of relief officer. For the past number of years the Reeve has administered relief in the village and it is well known that the duties in connection with this responsibility have made severe demands upon his time. The Reeve suggested that someone else be appointed in his stead but there was no apparent rush on the part of the members of council to assume the job. In fact some members frankly stated that they would not accept the responsibility and the possibility of naming a paid official was suggested but no action taken. In making the announcement the Reeve stated that there was a lot of work in the administration of relief and he felt that someone else should take it over now, as along with the other duties of the reeveship it made too great demands on his time.

Charles Malloy, deputy-reeve of Aurora interviewed the council and asked support for the York County Music Festival which will be held in Aurora April 12th, 13th, 14th and 15th. He pointed out that the aim of the organization was to encourage musical talent and that the project had the support of most of the municipalities in this district. On motion of councillor C. Nelson the council voted \$15.00 to purchase a shield for annual competition at the festival.

T. H. Trench and L. H. Clement appearing on behalf of the Agricultural Society were assured of the usual grant from the municipality.

A party in receipt of relief during the winter appeared asking for seeds to plant this spring. The list asked for amounted to over \$50.00 but council did not consider the request. The Reeve said that in years past the council had assisted those with small gardens to secure seed to plant but certainly were not going into the business wholesale.

It was decided to commence the garbage collection next Tuesday, April 13th and tenders will be called for the supplying of the truck for the monthly collection.

The Salvation Army was granted the privilege of holding a tag day here on May 24th.

The A. E. Jupp Co. were awarded the tender for the oiling of the streets. Councillor Little, chairman of the roads commission stated that 5,800 gallons used last year was not quite enough and that a little more should be purchased this year to make a real job. It was agreed that a double strip should be oiled on Centre Street east where there is an exceptionally heavy traffic. The possibility of doing permanent improvement on certain sections of streets each year was discussed at some length but no action taken.

It was agreed to proceed at once with the painting of the flag pole at the war memorial. Pool room license was granted to W. C. Savage new proprietor of the Richmond Hill billiard rooms.

There was considerable discussion regarding the discontinuance of relief and meals for transients. Relief last year was discontinued on April 1st but this year it will be continued until April 15th and meal tickets will be given transients for at least another month. Council members agreed that while the cost was between \$25 and \$30 a month it was preferable to have this expense than to have householders continually bothered by transients asking for hand-outs.

T. Binns, representing the local veterans organization asked council to purchase coronation decorations. Council bought one dozen shields at a cost of \$8.00.

It was decided to proceed as soon as possible with the work of painting the waterworks tank. Tenders were called for the work and the contract let at a cost of \$495.00.

Reeve Greene urged that council consider the advisability of giving assessment exemptions on new buildings. He suggested no assessment on new buildings for the first year, 25 per cent for the second year, 50 per cent for the third year and full

York Musical Festival Opens Monday, April 12

Preparations are now complete for the York Musical Festival to be held in the United Church, Aurora. The first session begins at 7.30 Monday evening, April 12th. Tuesday morning a session begins in the auditorium at 9.15 and another session will begin at 9.30 in the Parlours downstairs. There will be two sessions on Tuesday afternoon, both begin at 1.30. The Readings will be heard that day and some of the Junior Vocal. Thursday has no morning session and the afternoon will be devoted to Violin and some Piano. Programmes will be ready this week. They contain all names of contestants and time of performance. Price 10c. Admission prices as follows: mornings 10c.; afternoons 15c.; evenings 25c. Membership tickets, \$1.00, good for all sessions to the bearer, will save money for those who wish to come often. There is something fine at every session. Come and enjoy the Festival April 12, 13, 14 and 15.

Markham Council Suggests Study Radial Expense

Think Operating Costs Too High—
Relief Costs in Township
On The Decrease

An investigation into charges made for the operation of the North Yonge Radials by the T.T.C. is asked for in a resolution passed by Markham township council at the regular monthly meeting held at Unionville last Monday. The resolution sponsored by Councillors W. L. Clark and Harry Barber states "Whereas the North Yonge radials have been operating with a deficit and whereas the charges of the T.T.C. for operation appear too high, be it resolved that this council go on record as favoring an investigation into charges made for operation of the line."

The Toronto Transportation Commission operates the North Yonge Railway under agreement with the four municipalities of North York, Markham, Vaughan and Richmond Hill, and the Markham township resolution seeks to have the whole agreement revived for consideration with the hope of ascertaining whether the recurring deficits are due to too high operating costs or to poor patronage of the railway.

Requests and complaints from relief recipients occupied a large part of the council meeting session. Requests for more generous relief were sternly refused by the council who stated that no relief over the schedule would be granted.

One single relief recipient asked for \$100 to start in business in Toronto, but council did not grant the request.

Relief Officer A. V. Orr reported relief costs for March at \$1,990, which is approximately \$1,000 less than was spent for relief in March 1936.

Reeve James Rennie had to leave the council session early and Deputy Reeve Charles H. Hooper presided during the remainder of the meeting.

General accounts were passed as follows: James Walker, salary and mileage \$105.00, Home Telephone Co. \$5.50, York County Hospitalization for March \$181.12. Road accounts: R. Agar, Victoria Square, \$46.40; R. J. Cunningham, Gormley, \$14.25; D. Shadlock, Milliken, \$378.70; A. W. Millroy, Milliken, \$13.75; Carson Armstrong, Markham, \$12.30; W. J. Stonehouse, Markham, \$6.70; E. A. Buchanan, Unionville, \$255.60; C. Wideman, Markham, \$56.70; D. Boyd, Stouffville, \$16.30; Louis Grove, Stouffville, \$67.30; William Allchurch, Locust Hill, \$23.60; J. Jones, Gormley, \$6.63; J. G. Wideman, Stouffville, \$9.00; W. G. Maxwell, salary, \$110.00.

It's all right, though, to call a political job "property." That's something you can buy and sell.

SPORT NOTES

By Bunny White

Your news reporter hears that P. C. Hill is trying to get a lacrosse team started. There is ample material in this district for a good team, and there are plenty of men who could chip in and get this started and next year the team could step up into Senior company and go after the Mann Cup.

Rome wasn't built in a day and neither is a lacrosse team built in a week. To get a good lacrosse team means a lot of work and some money must be spent. Once started the team would pay its own way.

There is no greater pleasure to be derived from sport than to be one of those responsible for the team that is playing. If they are winning everything is alright. If they are losing you have the worry of trying to find out what is wrong and no matter which way you look at it, it is a lot of fun.

So people of Richmond Hill get behind this lacrosse team, both with your cheers and money and put Richmond Hill once more on the lacrosse map of Canada.

AMATEUR SHOW

Send in your entries now for the big Amateur Show to be held Friday and Saturday, April 23rd and 24th in the Masonic Hall under the auspices of the Trumpet Band. Send entries to Box 69, The Liberal Office, Richmond Hill.

CORONATION MEETING

A meeting of the general committee and all interested in the Coronation celebration will be held in the Council Chambers next Tuesday evening at 8 p.m.

Spring prices for coal effective at once. See us. I. D. Ramer & Son, telephone Richmond Hill 10.

assessment the fourth year. The exemption would only be on buildings and the land would pay the same assessment as previously. It was thought such action would encourage building activity in the village. Solicitor J. H. Naughton was asked to ascertain if such exemption could legally be granted.

Veterans Hold Banquet in Honor of Coronation

The first event to mark the Coronation of His Majesty King George VI was held in Richmond Hill last Friday evening when a Coronation banquet was held by the Vaughan and Richmond Hill Veterans and their associated Women's Auxiliary. Over one hundred and fifty attended and in addition to representatives of Veterans' organizations in all parts of the County many friends of the Veterans were present as guests and enjoyed the splendid supper and fine program. The sumptuous supper was served by the ladies of Richmond Hill L.O.B.A. and the fine menu was the subject of many congratulatory remarks. Mr. James Butler made an ideal toastmaster and master of ceremonies for the evening and kept the program going in lively manner. Words of welcome to the guests were expressed by Mr. George Masters, president of the local branch and Mrs. T. Wood, president of the Women's Auxiliary. Short addresses were made by Capt. Condie representing the County organization of veterans, Major McKenzie of Woodbridge, Rev. W. F. Wrixon, Rev. J. D. Cunningham, Dr. C. E. Hill of Lansing, Dr. J. P. Wilson, Dr. R. L. Langstaff, councillor C. Nelson, Reeve R. W. Scott of Vaughan and others. Several talented entertainers added to the enjoyment of the program for the evening which was unanimously voted a success in every respect.

L. H. Clement Again Heads the Bowlers

Club Looks Forward To Another
Good Year

One of the most enthusiastic meetings in the history of the Richmond Hill Bowling Club was held Wednesday evening when officers were elected for the coming year and plans made for the season. Len. H. Clement was re-elected as president and George Walwin was chosen as vice-president. C. P. Wiley was re-elected as sec.-treas. and these officers will name the various committees for the year. A splendid financial report for last year was presented showing all obligations of the season met in full with no outstanding accounts at the end of the year. Encouraged by the splendid enthusiasm shown at the opening meeting the officers and members are looking forward to a banner year.
