## Fire Marshall Is Investigating Sunday Blaze

Fire, believed to be of incendiary origin, destroyed a garage containing a sedan automobile and an adjoining tool-shed at the rear of the home of Joseph Glenn, Oxford St., early Sunday morning. Loss was estimated at \$500.

In a nearby chicken-coop police found oil-soaked papers on the floor, which had been pushed through a hole bored in the window screen. An official of the Fire Marshall's department visited the scene this week and in co-operation with local police, is making a thorough investigation. Miss Jane Glenn and her brother, Joseph Glenn, were awakened at 4 a.m. Sunday morning by a neighbor who informed them that the out-buildings were ablaze. Richmond Hill Volunteer Fire Brigade was quickly on the scene but was unable to stem the blaze and concentrated their efforts on saving the nearby house and other buildings. After a brief investigation, Fire Chief Harold Mills, in consultation with County Constable Sydney Barraclough, communicated with the Fire Marshall's Department.

A detailed probe into the cause of the blaze has been under way this week, under direction of Constable Barraclough.

## Many Features Planned For The Celebration Here

Attractive Afternoon and Night Program To Mark Coronation — Prizes For Decorations

With the Coronation date only about three weeks away plans are rapidly taking form for the monster celebration to be held in Richmond Hill on May 12th. A meeting of the general committee was held Tuesday evening and it is now assured that this district will have a celebration second to none in the County.

The afternoon program will be ushered in with a parade in which there will be competition for the best decorated doll carriage and best decorated bicycle in addition to several representative floats.

At the park there will be speeches, band music and community singing and the gathering will listen in to the speech of the King over a loud speaker system. Coronation souvenir medals will be distributed free to all children in attendance and this will be followed by a sport program. There will be another big program in the arena at night with very attractive features.

Paul E. Angle, chairman of the decoration committee, has announced that there will be prizes for the best decorated house and the best decorated store, and Reeve J. A. Greene has issued an appeal that all citizens co-operate by decorating their homes and places of business for the celebration.

The committee acknowledges donations from Village Council, Vaughan Council, Richmond Hill Agricultural Society, Vaughan and Richmond Hill Veterans, Women's Auxiliary of the Veterans, Women's Institute, L.O.L. and L.O.B.A., H. J. Mills Ltd., Richmond Tailors, 5c. to \$1.00 store.

### HORTICULTURAL NOTES

Don't forget the illustrated lecture to-night (Thursday) by Mr. C. A. Cruickshank on bulb culture, which will be held in the school room of the United Church (note change of place) at 8 o'clock. No admission. To-night also the commission on Public Properties will be appointed. Make an effort to be present.

### CHEAPER FARM TELEPHONES

There is special interest for farmers in the Bell Telephone Company's announcement of reductions in rates. All told, farmers of Ontario and Quebec will save over \$100,000 a year. The reduction of 25c. per month (\$3.00 yearly) on rural service should make the farmer's telephone yield more for what it costs than almost anything else he can buy. There should be a substantial growth in rural telephones this Spring.

### WILLOWDALE PLANS CINDER SIDEWALKS

Responding to complaints that the lives of pedestrians are menaced on Yonge St. through lack of sidewalks, North York township council has called for tenders for construction of cinder sidewalks, four feet wide, on both sides of Yonge St. from Finch Ave. to Steele's corners. The tenders will be considered on or after April 19th.

Specifying that the truck drivers must be paid at least 50 cents an hour, the council has also decided to call for tenders to supply gravel in the township.

### HUNT CLUB ENTERS WAR ON GROUNDHOG

Prizes Offered for Greater Number of Snouts  
Determined to cut down the groundhog population of North York riding, thus reducing the number of stumbling hunters as well as aiding the farmers, the Toronto and North York Hunt posted a list of prizes and bounties for slain groundhogs. The man who delivers the greatest number of snouts at Beverley Farm between June 1 and Sept. 30 will get \$25 in cash. Other prizes range from \$5 to \$20.

Right now the spring round-up is on in King, Whitechurch and East Gwillimbury townships, with a bounty of 10 cents a snout being paid between April 1 and May 31.

### EUCHRE

The last Euchre of the season will be held at St. Mary's R.C. Rectory, Tuesday, April 20th, at 8.30 p.m. Good prizes. Admission 25c. Everybody welcome.

## Attractive Prize Lists Issued For The Annual Fair

Several New Classes Added This Year — Directors Make Presentation To Major Basher

Prize lists for Richmond Hill annual Spring Horse Show were issued this week and the attractiveness of awards this year has already been the subject of favorable comments among horsemen and exhibitors. The list this year has been revised and several new classes added which promise to attract a much larger showing of horses than ever before.

In the saddle and hurdle classes many new breeders have become interested this year and some of the foremost hunters in Canada will perform for visitors to the Richmond Hill show.

In conjunction with the York Kennel Club of Toronto the local Society will stage a matinee Dog Show in the arena in the afternoon. Anyone desiring information should write Mrs. G. C. Price 70 Chudleigh Ave., Toronto, secretary of the York Kennel Club.

At the directors' meeting held on Wednesday evening it was announced that a very attractive prize list for children's work will shortly be issued. This special list will be sent to all schools in the district and it is hoped to have a large competition in all kinds of children's work.

At the meeting Wednesday night President R. W. Scott on behalf of the Society presented Major G. H. Basher who leaves next week for the Coronation with a leather travelling kit. Major Basher has been one of the hard working officers of the fair for some years and his associates on the board took this opportunity of expressing their appreciation for his splendid support and wishing him an enjoyable trip and safe return.

Prize lists for the fair may be secured by writing to the Secretary, R. S. Cooper, Richmond Hill.

### VICTORIA SQUARE NEWSY NOTES

Drama Festivals and Music Festivals have been the chief topics of conversation these last few days but now all is changed. The winning team has been announced and the prizes awarded to Unionville, the victors. Congratulations, Unionville. Now the subject of conversation for a while will be "We'll put into practice Mr. Dean's advice and see what we can produce next year." Noble ton came second place this year. They were the successful ones the last two years.

In the Music Festival Pine Orchard public school came first with eighty-three points, Mr. L. L. Nichols school second with eighty-two points and Miss Holden's school third with eighty-one points. All did well and are to be congratulated on the effort they made and what they accomplished because all would benefit whether they came near the top or not.

The W. A. of this church under the direction of Mrs. Ross Nichols' group are giving another of those suppers for which this society is famous, on Thursday evening, April 22nd. Supper will be served from six to eight after which a splendid program will be given. Rev. Mr. Follett will give one of his illustrated lectures on "Newfoundland and Labrador." Those who have heard Mr. Follett's lectures tell us there is a treat in store for the ones who attend this supper and entertainment. Also there will be special music by the Jr. Maple Orchestra. Come o.e. come all.

This community has been saddened by learning that Mr. Herb Boynton's physician has persuaded him that he should enter the Sanitarium. Our sympathy is extended to Mr. Boynton and his family but we hope that his sojourn there will be short and the cure permanent.

Also this community regrets very much to learn that Mr. William Neill of Richmond Hill, but once of Victoria Square, and Mrs. Harold Mortson's father, is very ill. We wish for him a speedy recovery.

The Primary Class of this Sunday School extends a hearty welcome to the beginners. The Sunday School seems brighter and is brighter. Among the beginners so far are Miss Lillian Nichols, Master Ronda Klinek, Master Howard Avison and Master Leonard Frisby.

Mr. Richard Rice and Miss Pat Kay attended the Drama Festival on Monday evening.

Mr. and Mrs. Donald Pickering entertained Mr. and Mrs. William Klees and family on Sunday. We were glad to see them in Sunday School in their old places.
