OBITUARY

LATE THOMAS G. JONES

Mr. Thomas G. Jones, a former resident of this neighborhood, and a native of Bentinck township, died at his home at Richmond Hill Saturday last, after an illness of only a few hours from heart trouble. Taken ill about 1 o'clock Saturday morning, he passed away about 11 o'clock, in his 77th year.

The late Mr. Jones was born in Bentinck on a farm two miles north of town, the north half of the property now owned by Mr. Murray Ritchie. He lived here until a young man, when his family moved to Walkerton. Shortly after leaving Durham he went West to Winnipeg, where most of his life was spent until 14 years ago, when he came East, and has resided in Richmond Hill since that time. He was a carpenter by trade.

The late Mr. Jones who was a much respected resident of Richmond Hill, was twice married, first to Miss Chambers, who died about 20 years ago. Fourteen years ago the deceased was married to Mrs. John Collier of Glenelg, and since their marriage they have lived in Richmond Hill.

The funeral was held Tuesday afternoon to Trinity church cemetery, Durham. On Monday evening a service was held at his late residence, Richmond Hill, and Tuesday morning the remains were brought to Durham by motor and taken to the home of his stepson, Mr. Thomas Collier, where service was conducted by Rev. M. H. H. Farr of Trinity Anglican church. The pall bearers were Messrs. William Williams, Victor Williams, R. A. Lawson, J. D. McFayden, D. J. McArthur and S. Stauffer. Many beautiful floral tributes were laid on the casket by old friends in Richmond Hill, where the deceased and Mrs. Jones were held in the highest esteem.—Durham Chronicle.

YORK MARKET

A double-yolked goose egg for which 15c was asked, large pop corn balls 5c each, delicious looking lemon curd 20c. jar, flats of sturdy little tomato plants, about 600 for 50c., ready for market garden planting, and an assortment of five different kinds of dried beans, were a few of the unusual offerings at North York market this week.

The lady who had the beans which sold at 10c. ½ pt. or 15c. pt., explained that while all kinds sold for seed, the kidney wax, and lima, were the favorites for use as a vegetable. She had also sulphur, brown kidney used in the preparation of chili con carne, and black pencil pod for making black bean soup.

Potatoes were up in price as they become scarcer, selling at 25c. and 30c. basket. Quantities of small salad things were 5c. bunch and 3 for 10c., among the freshest and greenest were some from Oriole Gardens, but throughout the market quality was good, and plenty of washing and constant sprinkling made for attractive display, keeping lettuce and

dress beautifully crisp. Mushrooms were 35c. lb., hothouse tomatoes 60c., imported vegetables included green beans 35c. box, asparagus 25c. bunch and cauliflowers 15c. to 25c. each. Apples were selling at 35c. to 45c. basket.

Eggs were 25c., 28c. and 30c. a dozen on most stands, but the Thistle town chicken farmer who has about 600 birds, had plenty of grade "A" pullet eggs of good size which he sold at 22c. dozen. Butter was 30c. and 33c. lb., cream 30c. pint. Meat prices were unchanged; the fish seller had herring 15c. and 18c. lb., and whitefish 20c. Maple syrup could be bought from 20c. ½ pt. up to \$2.50 gallon.

Flowers of all kinds were on the market. Among the newer arrivals were pots of pansies 20c., calceolana 75c. and 50c. and cineraria 35c. Roses at \$1 dozen offered a choice of color: Red, pink, white and yellow tones being on the stands.

THORNHILL

Smellie gave a reading for the promotion of Temperance. Mrs. Wesley closed with prayer.

A few friends dropped in to tea at the close. Mrs. Brilling assisted Miss Boyle.

The Trinity W. A. will pack their bale of clothing at the Rectory on Thursday, April 22 at 2.30.

The prize was a Walnut Shield with silver mountings. Mr. Jack Todds, teacher, is to be congratulated on the success of his pupils. Also a number of individual pupils received prizes for recitations and musical numbers.

Mr. and Mrs. Wesley Thompson and family returned to Thornhill this Thursday after spending the winter in Toronto.

'Pep' Up Fish Day

Don't throw away any trimmings or bones of fish, but if you are using fish that requires trimming and has bones, throw these instead into the kettle with a little pepper corn, a bit of onion, and salt and pepper. Cover with cold water and simmer until reduced to a good strong stock. It forms the basis of many fish sauces, especially the butter sauces used with some fish.

Fish Soup is delicious, too. On a recent trip to England, Elizabeth Craig gave us a demonstration of how delicious fish soup can be made in her testing kitchen at Lycrome, Bucks. Here famous dishes are concocted to tempt the palate of Kings and peasants. It is here Elizabeth Craig writes articles which set the housewives of England agog—and not long ago printed a series of articles, showing that the English housewife wastes more food down the sink than would pay off the national debt. It is her job to show them how to economize—how to make up dishes which will be tasty as well as nutritious and her fame has spread far and wide over her soup dishes.

Here is the recipe for her famous fish soup: Three-quarters of a pound of sole, or three-quarters of a pound haddock steak. Place in a saucepan and cover with three-quarters of a cup of water and chop one small onion fine. Cook slowly for ten minutes. Strain. Remove fish from bones. Take fish water, add three medium-sized tomatoes, sliced, 2 heaping tablespoons of potatoes cooked, 1 tablespoon of butter, 1 tablespoon of flour and half a pint of milk and stir in the shredded fish and liquor and cook. Season with pepper, salt and paprika and thin with milk to the right consistency. This makes a delicious soup... nourishing and tasty.

How about some fish cakes for Sunday morning's breakfast. Cod for instance, is rich in Vitamins A and B—healthful also in its store of such minerals as calcium, phosphorus, copper, sulphur and iodine. Try this recipe.

BAKED FISH CAKES

Mix one cup of flaked Canadian fish with onion, salt, pepper and one cup cooked macaroni. Add to beaten egg. Form into small round cakes, place in buttered pan and bake until gently browned. Serve hot on rounds of toast with Horseradish Sauce.

Ebenezer Junior Farmers and Institute Present Play

A bed used in the presentation of a play by the Ebenezer Junior Farmers and Junior Institutes held in Clairville Community Hall was a feature because of its antiquity. The bed was loaned by Mrs. Isaac Lawrence who also directed the play, and has been in the Lawrence family from generation to generation for 300 years. The play produced in the Peel County Junior Dramatic series was presented by a cast that included Walter Dalziel, Chas. Byrne, Frank Julian, Arthur Julian and Rhoda Lindsay.

Bray's "Extra-Profit" Chicks

With Higher Hatches and Lower Hatching Costs, We Can Offer You "Xtra-Profit" Chicks for April or May Delivery at Prices We May Not Be Able to Duplicate in Next 10 Years.

IT'S an ill wind that blows nobody good. The mild weather of the past Winter is responsible for the abnormally high egg production that has held prices down to low levels. But that same mild weather is responsible for unusually high hatchability — which means lower hatching costs. As a result, we can now offer you chicks of our "Xtra-Profit" grade, for immediate delivery, at prices no higher than you would expect to pay for ordinary chicks. There's an opportunity here that we may not be able to offer you again in the next 10 years.

Unless I am badly mistaken, there never was a more promising time to get into high-quality poultry. I think we're going to see eggs high and feed much lower by early Fall. I can't remember when we have had two years of general feed shortage in succession, and I don't think there are going to be nearly as many hens or pullets as usual in the country next Fall. Many yearling hens have been sold off already, and a lot of in-and-outers are staying OUT of chickens this season. So get a flock of these vigorous, rapid-developing money-makers, and be ready to cash in.

Empress Winter Golf Tournament

While the rest of Canada is shovelling itself out of snowdrifts, Canada's only mid-winter golf tournament of an international character will be held on the Royal Colwood Golf Club Course at Victoria, B.C., from March 1 to 6. This is the annual Empress Winter Amateur Golf Tournament, now in its ninth year, which brings well on to 200 enthusiastic golfers from Canada, the United States, and Europe into competition for a large number of valuable prizes, including the Sir Edward Beatty Challenge Cup, Chamber of Commerce Trophy, Victoria Rotary Club Rose

Bowl, and Matson Inter-District Team Cup. Favored by summer-like weather, the tournament is the high-water mark of the social season for the winter colony on the sunny southern tip of Vancouver Island. Victoria will be in festive mood for the event, while Colwood's beautiful clubhouse and the regal Empress Hotel, with its gardens, conservatory, and Crystal Garden swimming pool, will form an ideal background for the colorful social activities which mark the six days of tournament play. Included as added attractions will be a dinner

and entertainment every evening in the Empress Hotel, with presentation of prizes at a Grand Ball on Saturday night. Golf experts and dubs alike will find competitions suited to them in the week's play at Royal Colwood, a lovely course constructed on park land, 6,291 yards in length, with a par 70 that was broken only once in tournament play. Play will be divided into classes for both ladies and men, ranging from open amateur events and handicap matches to features that stress the social side of the grand old game.
