

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

A LITTLE WORD
I spoke a word,
And no one heard;
I wrote a word,
And no one cared
Or seemed to heed;
But after half a score of years
It blossomed in a fragrant deed.
Preachers and teachers all are we—
Of seeds unconsciously.
Our hearers are beyond our ken,
And yet all we give may come again
With memory of joy or pain;
We never knew to what one little
word may grow.
So then, may all our seeds
Be such as bring forth noble deeds.
John Oxenham.

The W.M.S. Auxiliary of Central United Church was honored with an invitation to hold the June meeting at the home of Mrs. Wm. Young, Hagerman. Milner gave a brief report of the Presbyterian meeting held at Wexford after which Mrs. Little, Rural Vice-president gave a short address that brought the ladies some helpful thoughts from "The Kingdom of God Movement" by Miss W. Glazed Strawberry Tarts
6 large tart shells (baked) 1 pint box of berries, 1 cup custard cream filling, 1 package strawberry jelly powder, 1 cup boiling water, 1 cup cold water.

Divide cream filling evenly into bottom of each tart shell. Place cleaned hulled berries into cream filling so that tips point upward. If enough berries place a berry on the top. Meanwhile dissolve the jelly powder in boiling water and add cold water. Chill. When set to the consistency of thick molasses pour in spoonfuls over the strawberries coating the berries and filling the crevices. Chill well before serving. Black-Cameron Family Reunion

On Wednesday afternoon, June 9 the Black, Cameron and Hostrawser families gathered at the Township Hall grounds, Vellore, for their 8th annual get-together. Mr. John Black, one of the original members of the clan who left Iona, Scotland in a sailing vessel eighty-five years ago was present and looks the part of a Highland Scotsman in his ninetieth year. His younger brother, Colin Cameron, passed on during the year and his two sisters, Mrs. John Watson and Mrs. Wm. Hostrawser died some years ago. Mr. Donald McKenzie and Mrs. McKenzie, of Woodbridge, the former a relative and whose parents opened their home to the newly arrived immigrants from Scotland eighty-five years ago, were present and Mr. McKenzie graced the occasion with a splendid address. With Mrs. Colin Cameron there are just four remaining of the fourth generation. After a good afternoon's programme of sports ninety-seven sat down to a splendidly arranged banquet. The younger generation entertained at the banquet table as follows: Guitar selections from Wanda and Erma Coles; Recitations by Billie Kingdom Jr., Wilma Hostrawser, Lorna Cousins and Shirley Hostrawser; vocal solos by Phyllis and Jean Black and Hughie Cousins, and tap dancing by Fern Hostrawser.

Major McKenzie delighted the clan telling of their ancestral home in Iona and the cousins who entertained him so royally on the recent trip to the land of his forefathers. A pleasing event was the presentation of a stone that the Major presented to Mr. John Black from the cottage where the latter was born in on the Island of Iona. Officers were elected as follows for the coming year, with arrangements to meet at the same place on the same date, June 9th, 1938: Hon. Presidents, Mrs. Colin Cameron, Mr. John Black, Mr. Donald McKenzie; President, Mr. John Cameron; 1st Vice-Pres., Mr. Sam. McClure; 2nd Vice-Pres., Mr. T. W. Beamish; Treasurer, Mrs. Norman Black; secretary, Mrs. Clarence Graham.

NEW AGRICULTURAL MENACE (Renfrew Mercury)

Report comes from Western Canada of the existence of a new menace to agriculture there in the form of what is called stink weed. So odoriferous is the weed that should a cow eat it the milk for that day cannot be used, while should the cream be churned the butter will be badly tainted. A Western Canada visitor who the other day was calling in the town of Orillia, noticed some of the stink weed in hay in a barn on a farm near Orillia; so it looks as though this Province is to have a new and bitter experience in the form of weeds. Ordinary weeds are bad enough but when to their other bad qualities there are to be added repulsive smells, the extreme limit is reached. As in the case of mosquitoes, weeds cannot be eradicated, but they can be fought and in the fighting process, prevented from over-running the country.

The wedding music was played by Mr. Bill Pipher of Newmarket. The ceremony was performed by Dr. R. W. McElheren. The groom was attended by the Rev. Shirley Wood of Toronto. The ushers were the Rev. Pipher, Newmarket presided at the tea table. Mrs. F. M. Eagleson, mother of the bride, and Mrs. Crockett of Richmond Hill, received the guests with the bridal party. MISSING the BOAT!

Signs multiply that feed prices will be lower, egg prices higher, next Fall. And that wider spread means profit for those with eggs to sell.
Those without eggs to sell, of course, will just "miss the boat".
Month-old pullets of the famous fast-growing, early-laying Brav stock will help you "catch the boat". Properly raised, they will be laying in October, right when prices are climbing.
If you prefer to start your own chicks, this same fast-growing, amazingly vigorous and thrifty Brav stock looks like your best bet in baby chicks. In this warmer weather they can be brooded very economically, and will come out like a house afire. Ask any neighbor who has ever raised Brav chicks how they lived, grew, and laid! At our present rock-bottom prices they are the most outstanding values we have ever offered.
Don't YOU miss the boat. Act right away. And if possible place your order with us a little in advance. Orders are coming in fast, and it's the only way to make sure that we can fill yours on the date desired.
