

Announcement is made of the annual Picnic of District No. 5 of the Ontario Horticultural Society that will be held at Guelph on Wednesday, July 14. The local Society will join in this event and request all members to be in attendance if possible. A splendid program is planned and all in attendance will be entertained by Dr. Christie, President of the O.A.C. to dinner in the dining hall at 12 o'clock noon. Thus eliminating the need of carrying the usual picnic basket. Friends of members will also be made welcome. So plan to join the societies of your district and help make this event a success. Guelph grounds should be at their best at this time and a delightful social time with interested Horticulturists is anticipated. Mr. Lionel Godson of Toronto, our district representative, is the President of the Ontario Horticultural Society this year. The local secretary would appreciate your response in regard to attending this splendid outing.

Twenty-three ladies were in attendance at the June meeting of the Women's Association of Central United Church that met at the home of Mrs. Edwin Dixon last Thursday. The hostesses for the afternoon included Mrs. Dixon, Mrs. Burnett, Mrs. R. A. Stiver and Mrs. J. H. Chant. During the devotional period Mrs. W. A. Noble read the Bible lesson, Mrs. A. Coulson the Bible talk and Mrs. Milner led in prayer. Especially pleasing were the two vocal solos given by Miss Barker of Richmond Hill who was a guest of the hostess, and during the program two readings, "Man's Estate" and "Job's Comforter" presented by Mrs. A. E. Milner and Mrs. R. J. Duffield were very interesting.

Following the program a delightful supper was served the ladies by the hostesses.

The July meeting of the local W.I. will be held on the lawn of the home of Mrs. W. Milliken Smith on Friday afternoon next. A splendid program has been prepared and all members and friends are urged to attend. The secretary would appreciate all ladies intending to join the society to submit their membership as soon as possible. Plan to attend this meeting.

Teddy Thompson held the honors when the Treasure hunt finished at the final meeting of the Wolf Cub Pack held on Tuesday evening last. The chase started at St. Phillip's Anglican Church and ended in the flats below the village where the boys enjoyed a marshmallow roast. Cub Master Fred Robinson was in charge. Prizes for regular attendance for the season will be awarded Teddy Hiltz, Clarence Morden and Jimmie Mowbray and to Teddy Hiltz goes the honor of being the best all around cub in the Pack. Teddy Thompson received the most badges. As the final outing of the season a week-end camp is being planned starting on July 10th.

An event of interest to many friends in the vicinity was the 25th wedding anniversary celebrated by Mr. and Mrs. Frank Rivers of Milliken. There were 100 guests in attendance. Since coming from England 25 years ago and settling on their farm on the Kennedy Road, Mr. and Mrs. Rivers have made many friends. Mrs. A. Wood and Mrs. W. Young had charge of the Tea Room, with Mrs. Leslie Miller and Mrs. G. Bell assisting. The tea set used at the celebration was 100 years old. Many lovely gifts and messages of congratulations were received during the day.

No Sunday morning "sleep-in" for the Unionville Fire Brigade these times. First a house fire on the 7th Con. Markham on the 20th inst. and the Claremont Hotel fire last Sunday morning. The members are to be commended for the promptness in which they respond to the calls and Unionville should be grateful indeed to these young men for the efficient service given.

The Children's Choir composed of the Sunday School pupils added an important feature to the Sunday School anniversary celebration held in Central United Church last Sunday morning. The solo sang by Helen Watson was especially commendable, and the singing of the wee folk added zest as they joined in the leading of the musical service. The special offering amounted to \$27.00. Rogers Presbyterian Church, Woodbine Ave., Toronto, was the scene of a pretty wedding on Saturday, June 19, when Maisie, daughter of Mr. and Mrs. Neale McArthur, Rouge Hills, became the bride of Robert Alex. Hands, son of Mr. and Mrs. S. J. Hands of Unionville. The Rev. Ross Cameron officiated.

The bride, given in marriage by her father, was becomingly gowned in white chiffon with soft full skirt and wore a coronet of orange blossoms from which fell a long tulle veil. She carried a shower bouquet of sweetheart roses and baby's

breath. She was attended by Miss Mary Hands, sister of the groom as maid of honor and Miss Margaret McArthur, sister of the bride, as bridesmaid, both wearing lilac and green chiffon dresses with shirred jackets and matching turban hats made of tiny violets. Their flowers were handsome bouquets of pink peonies and baby's breath. Little Greta McTaggart, cousin of the bride was flower girl and was attired in white crepe with hair bandeau of pink flowers and carried a nosegay of June roses.

The groom was assisted by Mr. Roy McArthur. Mr. Angus McTaggart and Mr. James Gallagher acted as ushers.

After the ceremony, the guests assembled at the home of the bride's parents where a reception was held. The guests were received by Mrs. McArthur who looked charming in a printed silk dinner gown with black accessories and corsage of pink roses. Mrs. Hands, mother of the groom, was becomingly attired in a navy dinner dress with bolero and wore navy accessories. Her corsage was pink roses. After a short trip Mr. and Mrs. Hands will reside in Toronto.

Prof. W. C. Blackwood of the Engineering Dept. of the O.A.C. will be the guest speaker at the meeting of the Unionville Junior Farmers Club held in the Township Hall on Monday evening next. His topic will include information along the lines of spontaneous combustion, blasting and general disturbances of the sort. A debate on "Resolved the co-operatives are more advantage to the farmer than local food dealers," with Elliot Harrington and Jim Darlington presenting the affirmative, and Glen Cole and Murray Macklin defending the negative, promises to be of special interest. The Moonlight Excursion for Friday, July 23rd is announced. Good weather, good time and a lovely cruise is promised. What could be better.

At the Girls' Club meeting, Isabel Whittaker will give a paper on "Foods, Facts and Facilities" and Allison Hood will tell about her year at Guelph. Elva Rate will also speak on "Fruits." Plan to attend these interesting meetings. And of course, ice cream and cake will be a grand refreshment at the finish.

IN MEMORIAM

SHIELDS—In loving memory of our darling little son (Jackie) John Robert who passed away June 28, 1929, aged eight years.
He was such a happy little child
That beautiful summer's eve,
Little dreaming that so many hearts,
So soon for him would grieve.
In the twinkling of an eye,
Without a moment's pain,
Our darling's earthly play had ceased
But Heaven was his gain.
We loved him so dearly,
We miss him so terribly,
Safe in the arms of Jesus.
Sadly missed by Mother, Daddy,
Sister and Brother.

VERSE FOR THE KIDDIES

The pleasant year is closing,
Your lessons are all learned;
Your teacher's smile is giving
The praise that you have earned.
The hours you spent in study,
Are surely not in vain,
While from each book a lesson
So good you seek to gain.
Your parents wait to greet you,
As homeward now you come,
We hope you'll have full measure
Of vacation's sport and fun.

Hepburn Asks Motorists To "Try Courtesy" When Tourists Visit Ontario

Nearly 10 Million Will Come From United States This Season, Estimates Indicate
NOW SECOND INDUSTRY
With the approaching celebrations of Dominion Day, July 1, and Independence Day, July 4, Ontario's Premier Mitchell F. Hepburn recently declared the holiday and tourist season in Ontario officially open and in full swing.
Tourist bureau estimates, he stated, indicate that between May and September of this year nearly 10,000,000 people will cross the International Boundary from United States into Ontario in more than 3,000,000 automobiles, and during their stay here will spend about \$150,000,000. Over 500,000 of these visitors will travel to Callander, near North Bay, to view the pranks and home-life of the world-famous Dionne quintuplets.

stay in Ontario as we would want them to have if they came to visit our own private homes or summer cottages."
Since the vast majority of visitors will be travelling by automobile, explained Mr. Hepburn, a greater responsibility rests on Ontario's motorists to see that visiting drivers are accorded every highway courtesy.
He urged every driver to remember the "campaign slogan" of Highway Minister Hon. T. B. McQueen, who, in a concerted effort to reduce and check traffic accidents and fatalities, is endeavoring to have each one of Ontario's 800,000 motor vehicle operators "Try Courtesy" behind the wheel.
"No better opportunity is offered," Mr. Hepburn declared, "to promote international amity than for all of us in Ontario to 'Try Courtesy' on our American friends when they come to visit us this summer."
Last year, he said, the Ontario government travel bureau had handled 50,000 inquiries for holiday information and had distributed, chiefly in the United States, more than 600,000 official Ontario road maps and booklets picturing the natural beauties of Ontario as a vacation land. Another 600,000 pamphlets and folders describing camps and summer hotels of the province had also been distributed. There was every indication, Mr. Hepburn stated, that the 1937 tourist season in Ontario would show a general increase in visitors, cars, and spending of at least 20 per cent.
