## HIGHWAY ACCIDENTS TAKE HEAVY TOLL THIS WEEK

### PREMIER HEPBURN ANNOUNCES PLANS FOR NEW CAMPAIGN FOR SAFETY

Auto accidents took a heavy toll during the past week in this district with at least three fatalities in addition to several minor accidents. Likewise throughout the province many serious accidents were reported and so alarming has the accident toll become that this morning Premier Hepburn announced that in the hope of reducing the loss of life in motor crashes on Ontario highways the government will launch a campaign to make the motorists of the province "fear-conscious".

"We have accomplished much with our courtesy campaign," Premier Hepburn said, "but we have got to do more than that, I'm afraid, if we are to drive home to a lot of motorists the need for safe and sane driving."

By means of pictures of fatal crashes—horror pictures which will be inserted in the daily and weekly newspapers over a set propaganda period, the Government expects to achieve a large measure of the results which its courtesy program has failed to effect.

"This accident fatality toll has got to be checked somehow," is the way the Prime Minister sizes the situation up. "It has got to the point where it is appalling. We've simply got to make a lot of people fear-conscious—that's all."

The funeral will be held from the funeral parlors of Wright & Taylor, Richmond Hill, Friday at 3.30 p.m. D.S.T. Interment will follow in St. John's cemetery, Oak Ridges.

An inquest into the fatality will likely be held next week.

Williamson was riding north on Yonge St. on the shoulder of the road. It is thought in attempting to get back on the pavement the hind wheel caught on the edge of the pavement throwing him into the side of the trailer. The driver of the car swerved to the middle lane but couldn't quite clear the falling boy. He was rushed to the office of Dr. Jas. Langstaff but was dead on arrival at the Doctor's office.
