WAY BACK IN LIBERAL FILES

FORTY YEARS AGO
From our Issue of July 15th, 1897
At a special meeting of the York County Council on Tuesday, Mr. J. Ramsden was elected County Clerk in place of the late George Eakin. There were 11 applicants for the position. Mr. W. Scott, Reeve of Markham, was the second choice. In the final ballot the vote stood, Ramsden 9, Scott 8. The salary was reduced from \$1200 to \$800.

The result of the lacrosse match on Monday between junior teams from Newmarket and this village was 4 straight games in favor of the home team. Several of the players did good work, but the long grass in the park made it impossible to play good lacrosse. After preliminaries were settled the teams lined up as follows: Newmarket—F. Kelly (goal), J. Kennedy, L. Fox, F. Close, A. Flannagan, J. Widde, O. Hallarn, P. Howard, F. Osborne, F. Chappelle, (W. Moffatt, W. Kelly.
Richmond Hill—W. Storey (goal), R. Storey, C. Hall, J. Brown, J. Glover, F. Hooper, W. Clifford, H. Hooper, A. Glass, H. Vanderburg, L. Morris, B. Glover. Field captain, W. Glass. Umpire, J. Albin. Referee, F. Sims. The visitors were after the match treated to supper at the Palmer House.

The Board of Education met on Monday evening, the particular business being to open tenders for the building of the High School. L. Innes & Sons' tender, \$103, for the old buildings on the Hopkins lot, was accepted, the Board reserving the brick. L. Innes & Son got the contract for doing the carpenter work, their tender being \$1,695. The slating, felt-ing, etc. was given to Geo. Duthie, Toronto, for \$244. Mr. C. Mason was given the tinwork, eavetroughing, etc. for \$103, and the painting, glazing, etc., went to Eggle & Co., Toronto, for \$175. It is expected that the contract for the mason work and plastering will be given at a meeting to be held tomorrow. Messrs. Naughton, Newton and McNair were appointed a building committee.

THIRTY YEARS AGO
From our Issue of July 11th, 1907
As usual, Richmond Hill Public School made an excellent showing at the recent Entrance examinations held here. Eleven candidates wrote and all were successful. Of the 59 candidates who were successful in this district, 11 won honors and of the latter 6 of the honors were won by our public school pupils. Principal Lamont and his pupils are to be congratulated on the splendid work done. During four successive years Mr. Lamont has never had a pupil fail at the Entrance examinations. The remains of the late Mrs. Thos. Morton, who died at the home of her daughter, Mrs. Crawford, in Hamilton were brought to Oak Ridges and interred in St. John's cemetery Monday evening. A short service was conducted at the church by the Rector, Rev. Mr. Kirkby.

The Sunday Schools of Trinity and St. Mary's Churches report a good time at their excursion to Bond Lake last Friday. They were joined by many friends from Thornhill, Richmond Hill and other places, and an enjoyable afternoon was spent.

There could scarcely have been finer weather and other conditions for the re-opening of the Methodist Church on Sunday last. At 7 a.m. a sunrise prayer meeting was held and seemed a fine key-note for the day. Rev. J. C. Speer, D.D., president of the Toronto Conference, and a popular former Pastor here, preached morning and evening to great congregations and his eloquent sermons were an inspiration. Rev. Mr. Brace gave a detailed statement of the cost of improvements showing that \$2500 was needed to complete all necessary work. The choir did grand service, fully sustaining the great confidence in which they are held by all.

On Monday evening a great number attended the tea and the concert which was one of the finest.

Last Sunday evening Sacramental Service was administered in the Methodist Church. For the first time the individual Communion cup was used.

The suggestion has been made across the border that there should be at least one physician, and one nurse in constant attendance at every high school. Pretty soon each youngster will also have the pulse tested in order to ascertain if answering some question will be too much of a strain on his heart.—Brantford Expositor.

TESTON

Sunday School attendants were pleased to welcome Mr. Ed. Bowen back to his place last Sunday. The church service was given over to a Temperance talk by Mr. Davies of Toronto. His presentation of the subject was forceful and vivid portraying the evils of the present situation. A deep impression was left in the minds of those present.

The lesson was read by Harry Cunningham, Charles Robson read a paper on Crime and Youth, a story told by the late Dwight L.
