Highways Department Agrees to Acquire Land and Townships Ready To Start Work At Once

Reeve R. W. Scott announced at the regular meeting of Vaughan Towaship council that the construction of sidewalks on Yonge Street south from Richmond Hill would be proceeded with in the very near future. A recent joint meeting with Markham township council resulted in an agreement to go ahead with the work at once and the Ontario Department of Highways has been asked to acquire the land necessary for the construction. A letter read at Monday's council meeting advised that the Department would secure the land necessary for sidewalks as soon as possible. It was intimated that construction work would start within a month's time.

Road accounts passed at the meeting reflected a month of activity. Accounts passed totalled \$4000.00 which included an expenditure of approximately \$1000 for re-surfacing seven streets on Yonge Street subdivisions built several years ago on the local improvement plan, and \$500 expenditure in the police village of

Relief expenditures for July was reported by relief officer Orr as \$511 as compared with \$711 in July of 1936. Those now on the relief rolls of the township are mostly aged people and those unable to take employment of any kind. Employable men in the township are practically all working at the present time. -

The following sheep claims were ordered paid: Wilbert Crook for two \$7.00 each by George Taggart, sheep valuer. Sam Plunkett, one sheep killed July 15th and one injured. Sheep valuer McNeill allowed \$12.00 for ewe killed and \$2.00 for sheep injured.

Radials Show Profit For The

Substantial Reduction In Operating Expense and Slight In-

North Yonge Radials showed an operating profit of \$1,307.64 for the second quarter of 1937 which was three times as great as the profit earned in the same period in 1936. Total revenue for the months of April, May and June this year was \$17,859.31 compared with a total revenue for the same three months last year of \$17,705.57. While the revenue was not much larger than a year ago there was a considerable cut in operating expense which accounts for the increased profit. The operating expense for the quarter this year was \$16,551.67 compared with \$17,290.88 last year. The \$1,-307.64 profit is divided \$719.21 to North York township, \$300.75 to Richmond Hill and \$143.84 each to Markham and Vaughan townships.

Wields Chair In Support of Relief Claims

Constable Needed To Restore Order At Markham Township Council Meeting

Constable James Walker had to be called on to restore quiet at the regular meeting of Markham township council on Monday when a lady wielded a chair in support of her argument for a relief allowance of sheep killed on June 30th, valued at | \$1.50 per week for her husband instead of \$6.00 per month. The lady who caused the excitement is in receipt of mother's allawonce from the province owing to her husband being unfit for work, and the township gives the husband relief allowance of \$6.00 per month. The chair which was wielded was apparently meant for relief officer Orr who was charged with not giving the regular July voucher but it nearly hit Reeve Rennie who along with councillor Barber and Road Superintendent Maxwell were endeavouring to restore order before Constable Walker was called on the scene.

Relief expenditure for the month of July was \$181.00 for relief labor, \$12.64 for clothing, \$273.13 for groceries and relief officer's salary \$62.50. General accounts passed totalled \$743.68, road foreman's accounts \$4,575.28 and general road accounts \$397.09.

Members of council unanimously decided that immediate action will be taken against dog owners who have neglected to purchase tags as provided by township by-law. It is estimated that at the present time there are about 75 defaulters.

Weed Inspector Warriner reported that the Brownsberger cemetery on concession 9 was in bad shape and in need of attention.
