WOODBIDGE DISTRICT NEWS

Late Joseph Stephenson

The death of Joseph Stephenson, Lot 8, Con. 6, Vaughan, occurred on Thursday, August 26th, as a result of a fall from a hay mow several weeks ago and since developed pneumonia. Mr. Stephenson was born in King Township 73 years ago, his parents being natives of England. His wife who was Jane Whitmore, sister of J. G. Whitmore, manager of the Co-operative Farmers, survives, also two sons Henry and Roy. The funeral took place on Saturday with interment in Hillcrest Cemetery, Rev. C. W. Barrett officiating.

Fred Howard, one man band, entertained friends and residents of Pine Grove on Saturday night last.

The afternoon was spent in sports and races with Wm. Agar in charge. In the evening two Old Time Entertainers, Bert Harvey and C. Agar; Secretary, Mrs. Albert Dick; Treasurer, Chas. Smith.

Woodbridge Horticultural Society Annual Flower Show

Because of recent deaths in the district and a fear of an Infantile Paralysis break the Woodbridge Horticultural Society Flower Show for 1937 was much smaller than former years and while the exhibits were not much more than half the usual number the quality was most excellent, especially the baskets and bouquets arrangements. In summarizing the winners special mention must be made of Mrs. W. O. Duncan, Rev. J. H. Kidd, Mary Mainprize, N. George Wallace, Mrs. John Gillan, Mrs. Sam Plunkett, Mrs. G. W. Shore, Mrs. Murray Ingram, Mrs.

W. Fleming and Mrs. G. H. Maxey.

An exhibit for display only by Green & Son, Hunter Summit Florists, attracted much attention. The display was principally composed of Asters of which the firm make a specialty. Jack Gahagan, Pine Grove cottage dweller, won the special prize for best kept home surroundings donated by Mrs. H. L. Luke. Other winners for well kept homes were A. Robb, N. Geo. Wallace. Officers are: President, Mrs. W. O. Duncan; Secretary-Treasurer, Major McKenzie.

Miss Marguerite Mitchell, daughter of the late Robert Mitchell, Kindersley, Sask., is spending a few weeks with her uncles and aunts which includes Mr. Peter Mitchell, Nashville, Mr. James Mitchell, Edgely, Mrs. N. S. Lindsay, Clairville and Mrs. Wm. McGillivray, Weston. This is Miss Mitchell's first eastern visit.

Fred Howard Has Unusual Career

Woodbridge folk enjoyed a most novel entertainment on Saturday night last when a visit was paid the community by Fred Howard, novelty musician of London, Ont. Mr. Howard is termed the one man band and rightly so, for he uses about 20 instruments all at the same time. His whole body is covered with instruments of one kind and another and when he is playing he works every muscle of his body. Mr. Howard is accompanied by his wife and they are at present occupying a tent in Elliston Park. Space would not permit to tell what this novelty musician has accomplished. Mr. Howard is about 50 years of age. He has 9 children and was hit hard by the depression and being on relief for a time felt the necessity of creating some method by which he could earn an independent livelihood and five years ago, although he played no instrument or knew a note of music, he started his one man band. He plays for dances, on concert programs and at homes of all kinds, making selections to suit any kind

of event. He visited the Dionne family and entertained the five little girls two hours each day for a week. Mrs. J. E. Harris, Maybelle and Bert Harris have returned from their two weeks' visit at Floss Beach.

Ontario's Man of Action

OLD MAN ONTARIO speaks for the great mass of our citizens when he says, "Thank you, Mitch".

Only too well he remembers the sorry plight into which bad government had brought this great province three years ago. Spendthrift politicians were dragging us deeper and deeper into debt. Their millionaire friends were being allowed to fleece the public treasury. Every department of the public services was honeycombed with an army of hangers-on.

It was then the people turned to Hepburn in the hope he could and would carry out the promises he made. Perhaps skeptics may have attributed some of his promises to youthful enthusiasm—but Hepburn kept his word—he's Ontario's Man of Action.

Today Honourable Mitchell F. Hepburn submits the most successful record any Ontario Prime Minister ever presented before the bar of public opinion.

Hepburn Earns the Gratitude of the Electorate

HE has earned the thanks of practically every man, woman and child in the province.

Wealthy beneficiaries of estates which had been allowed to mulct the province to the tune of 22 million dollars will not thank him for recovering that huge sum—but nearly everybody else will.

Timber profiteers rue the day on which Hepburn came to Queen's Park—but the people of the North rejoice when they see large new industries springing up and old ones reviving. They join Old Man Ontario in his enthusiasm for the ending of unemployment in the timber area and for turning George Henry's deficits into surpluses.

"Big Business" may not be singing Hepburn's praises—but the common people appreciate the fact that he saved them millions in interest rates.

Hepburn Saves Hydro

IF the Quebec power barons had a vote in Ontario, it would certainly not go to Hepburn—but Ontario knows that the Government's Hydro policy not only saved this great enterprise from ruin, but that it has already saved over four million dollars to Hydro users; and the new contracts will eventually effect total

savings to the province of over six million dollars a year.

Profiteers from the liquor toll gate that Hepburn promised to abolish will not be on his side—but the people approve his prohibition of the sale of liquor in restaurants which the Henry Government would have permitted.

Hepburn Proves to be The Tax-Payer's Friend

THAT "Thank you, Mitch" covers a wide range of public services, all administered with an efficiency and economy hitherto unknown.

It says:

"Thanks" for the lessening of municipal burdens—that mill on the tax rate, the increase in township road subsidies, the assumption and increase of Mothers' Allowances and the assumption of Old Age Pensions.

"Thanks" for the abolition of the amusement tax.

"Thanks" for preventing the exploitation of labour by riotous aliens.

"Thanks" for the advanced labour legislation, such as— industrial standard codes, extending minimum wage laws to men, and setting up a tribunal to ensure a square deal to employees and employers. This new Industry and Labour Board has already justified its creation by effecting settlements in several disputes of long standing.

"Thanks" for the modernizing and extension of our highways, and for promoting tourist trade on a greater scale than ever before.

"Thanks" for the improvement in the preventive measures for the health of the people, and for the better care of the sick—physical and mental.

"Thanks" for the progress of education in Ontario, and for assuming the costs of examination fees.

"Thanks" for the advancement of every Department within the jurisdiction of a Provincial Government.

Symbol of a grateful people, Old Man Ontario speaks for the great mass of our citizens when he says, "Carry On, Hepburn".

Those Who Are Entitled To Vote

Every British subject, 21 years of age, and resident in Ontario since October 6, 1936, is entitled to vote at the forthcoming election—but the name must be on the voters' list.

A vote for the Liberal candidate on October 6th is the practical way the Ontario elector can join in the mandate, "CARRY ON, HEPBURN".
