WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From our Issue of Sept. 9th, 1897
One of those pleasant events which always cause an interest in social circles took place in the Methodist Church last Wednesday evening, the occasion being the marriage of Rev. A. J. Paul, B.A., B.D., to Annie Scarborough, the only daughter of Mr. Chas. Mason (Scarborough). The church was beautifully decorated by the ladies of the congregation. The ushers were Messrs. George Oram and Geo. Scarborough of Toronto and the interesting ceremony was performed by Rev. G. McCulloch, the pastor, assisted by Rev. Stewart of Maple. Shortly after 7 o'clock, as the wedding march was played by Mrs. A. J. Hume, the groom accompanied by his groomsmen, Mr. H. Graham of Bradford took their place before the altar. Little Miss Hazel Switzer was Maid of Honor and Miss Ethel Switzer was bridesmaid. A reception was held after the ceremony at the home of the bride's parents. The happy couple left on a week's trip before settling in their new and comfortably furnished parsonage in Warminster.

Among prize winners at the Toronto Industrial Exhibition were the following:—Pair matched horses, under 15½ hands, 1st, Lyla and Lynda, the property of Mr. John Palmer, Richmond Hill. Stallion, 4 years and up, 1st, Tony Wilkes, Mr. John McBride, Newtonbrook. Tony Wilkes also won first prize for best roadster stallion any age.

THIRTY YEARS AGO

From our Issue of Sept. 5th, 1907
Various parts of machinery for the new elevator at the C.N.O. station are now being placed in position, and the manager, Mr. Ramer, expects to be ready to receive shipments of grain Monday.

A town is greatly judged by its churches and schools. Our churches are a credit to a town of this size, and our schools are equally good in most respects. The pastors and teachers have been faithful and competent, and we believe both churchgoers and pupils appreciate the advantages that have been given them.

The High School opened Tuesday with an attendance of 97. This will likely be increased by 20 by the end of the month. Probably no village in Ontario offers better educational advantages than Richmond Hill does. Our citizens and Board of Education have spared no expenses in the erection of school buildings that are inviting and comfortable, and offer a school home that anyone can be proud of.

The marriage took place on Tuesday, September 3rd, at the parsonage, of Mr. John D. McNair of Toronto, to Miss Ethel J. Hunt of Victoria Square by Rev. A. P. Brace, B.D.

TESTON

This is a busy time. Threshing, haying, etc. The exhibition is on but sometimes these operations spoil one's plans for a good time but it is time to be getting the fall wheat in and lots of other things ready for the winter. Just one thing after another.

The Young People's Union is going strong. There was a good attendance on Sunday evening with Sadie Windas as convener. The guest Heacock read the lesson. The guest speaker was Miss Audrey MacNaughton of Maple who gave a very interesting discourse on Saul's Jealousy of David. Now is the time for the fall activities to get into action for the coming winter program.

Mr. Walter McLaughlin and Mrs. Kelly of Toronto are visiting their father, Mr. Joseph McLaughlin, who is feeling some better.

Mr. Wm. Cooper Sr. is steadily improving from the effects of his accident of a few weeks ago but is still in the hospital.

Mr. Edgar Patton of Edmonton, Alberta, paid a short visit to Mr. and Mrs. George Taggart on Saturday.

Friends of Miss Katie Ireland who is ill wish her a speedy recovery. Mrs. William Ireland of Brampton visited her sister Mrs. Alex. McDonald on Sunday afternoon.

The chemist was explaining to the lady the progress of his experiments: Lady (commenting) — "My the manufacture of synthetic rubber is such a slow process, isn't it?" Chemist—"Well, we have to make it slow to make it snappy."

Young Canada Holds Social at Elliston Park

Young Canada was well represented at Elliston Park on Saturday evening, September 4th, when the McKenzie Young Canadian Club sponsored the outing. There was community singing, weiner roast and dancing on the lawn to music furnished by Death Brothers.

Mr. Archibald Patterson Celebrates 92nd Birthday

Relatives numbering about thirty gathered at the home of Mr. Archie Patterson, Lot 28, Concession 9, near Nashville, to celebrate with him his 92nd birthday. Mr. Paterson is a son of the late Mr. and Mrs. W. Paterson, of scotch origin, and has lived all his life on the farm which was purchased by his father, who from the early walking as a means of transportation to the introduction of the automobile was Vaughan Township's Tax Collector and walked all those years to every farm on the west side, leaving his home at 5 o'clock a.m. Mr. Paterson's father enjoyed a widespread reputation as a rifle shot and angler in the early days and was one of the first to shoulder the musket in defence of William Lyon McKenzie in 1837. Mr. Archie Paterson as the subject of this sketch lives with his daughter and takes a keen interest in all worthwhile matters.

St. Patrick's Church Holds Annual Picnic

St. Patrick's Roman Catholic Church, Toronto Gore, held its annual picnic on Labor Day when many from the west side of York and elsewhere were attracted to the church grounds. The day's program consisted of various forms of amusement.

The many friends throughout Vaughan of Mr. D. C. Longhouse will regret to learn that he is still in Peel Memorial Hospital, Brampton, but will be pleased to know he is improving.

The Pillsworth Canning Plant is operating day and night in an effort to keep up with the many orders of custom canning of tomatoes.

Canada's National Show Window

We have heard folks state that the Canadian National Exhibition is the same every year, there is nothing new. Such visitors to the Fair could not have made the rounds of the cattle and horse stables, farm implements, South African, India, New Zealand, United States, and last but not least by any means the British exhibits as well as other parts of the world that includes all the zones and climates of the world. The Canadian National Exhibition is the greatest annual show window of the world.

The Approach of Election Day

It is just a month now until election day on October 6th and so far nothing much is being said around Woodbridge regarding it, so the only conclusions we can arrive at is that no fault can be found with the occupants of the Government branches under the leadership of Hon. Mitchell F. Hepburn, Ontario's progressive premier.

BORDEN means MILK
the world around

"Borden" is a big name in the milk world.

Yet Borden is only one of several principal concerns purchasing milk in Canada. Borden milk purchases in Canada are less than 3% of the Dominion's total production.

Borden buys milk in only 4 of the Dominion's 9 provinces and in less than half of the 48 states of the United States, but sells in almost every community in the civilized world. Borden salesmanship of milk and milk products and constant scientific research helps build a bigger market for all dairy farmers.
