HARVEST AGAIN

How fortunate we are that we live in the County of York where HARVESTS ARE USUALLY GOOD. When we hear of conditions as they are in other parts of Canada, especially in parts of the WEST, how thankful we should be to ALMIGHTY GOD. That we might be able to show our thanks, the Rev. W. F. Wrixon has arranged THREE SPECIAL HARVEST SERVICES, to be held at ST. MARY'S CHURCH, RICHMOND HILL, to which one and all are invited. And that we might be given an opportunity to show our thanks in a practical way, the Rector invites all to bring some gift of fruit or vegetable or other produce, to be taken to the ORANGE HOME at the close of the services. Services as follows:

FRIDAY OF THIS WEEK, Sept. 17 8 p.m.—Preacher, Rev. J. H. Kidd of Woodbridge.

SUNDAY NEXT, Sept. 19—11 a.m.—Preacher, Rev. W. F. Wrixon.

McDonald received a cheque from the Ontario government signed by Hon. Mitchell F. Hepburn as treasurer for \$4,202.52. Clerk and Treasurer McDonald submitted his official statement of total assessment and tax rates to the department on September 13th, the Ontario government cheque for the amount of the subsidy was made out on the 14th, and received and deposited to the credit of Vaughan twp. taxpayers on September 15. Vaughan township taxpayers along with fellow taxpayers throughout Ontario say, "Thank you, Mr. Hepburn."

The School Board Invites Citizens Inspect School

Editor, The Liberal,

Dear Sir:— May I utilize the columns of your valuable paper to extend to the citizens of Richmond Hill Public School Section a cordial invitation to visit and inspect the school.

This school was erected 24 years ago. It is well built and generously designed, but the sanitary and heating equipment has for some years been most unsatisfactory.

Owing to the depressed conditions of the past five or six years the renovation of this equipment has been postponed from year to year. This year however the Board of Trustees considered that further delay was both unwise and unnecessary, and during the last two months, new equipment has been installed which will place our school among the best in the province. Extensive decoration of the interior has also been done.

We believe that the public in general would appreciate an opportunity to inspect these improvements, and for this purpose the doors will be open between the hours of 9 and 10 p.m. on Friday, Sept. 17th. All are welcome.

PAUL E. ANGLE, Chairman, Richmond Hill Board of Public School Trustees.

PURSE-SNATCHER ATTACKS WIFE OF COUNTY CONSTABLE

When a large transformer was out of commission last Saturday evening and the town was in darkness Mrs. S. A. Barraclough, wife of S. A. Barraclough of the County police force was the victim of a sneak thief of the purse-snatching variety. As Mrs. Barraclough walked by the High School on Mill Street near her home a man crept up behind her and grabbed her shopping bag. As she endeavoured to hold on to the bag she was forcibly thrown in the ditch and the thief made away with the bag which contained a pair of shoes and some groceries but no money. In the darkness it was impossible to secure much idea of the assailant but the police are working on some clues which have come to light.

BAD FIRE AT SUTTON

Fire, which broke out early Sunday morning, completely destroyed three buildings and partly damaged another in the business section of the village of Sutton.

The exceptionally high wind fanned the flames and carried sparks over a greater part of the village, menacing stores and residences. Heat given off by the fire was so intense that windows in stores across the street were cracked and broken.

The blaze is believed to have started in a house occupied by George Thompson and his family. It spread quickly to the next house, owned by Chesley Scott, and burned the structure to the ground. A machine shop, at the rear of his residence was not damaged.

Schools to Stay Closed Until 27th

No New Cases in Village But Some in The District

Although there are no new cases of Infantile Paralysis in Richmond Hill village two cases have developed recently in the immediate district and in view of these developments Richmond Hill Board of Health in special session this morning ordered Richmond Hill schools to remain closed until September 27. The same ruling of the Board also closes all Sunday Schools, and play grounds until after this date and the arena will remain closed. All under twenty-one years of age are also prohibited from attending at the public library.

Dr. Langstaff, M.O.H., stated that while there had been no new cases in the village it was very necessary that parents continue to observe every precaution and keep children at home in their own yards and away from other playmates.

York County Juniors Win C.N.E. Award

The junior judges of York County made a remarkably good showing in the Judging Competitions at the Canadian National Exhibition for Junior Farmers and Junior Institutes, while the Boys' Calf Club members all featured in the prize winners.

In the livestock and poultry judging, nineteen of the York Junior Farmers were prize winners, the next highest County having thirteen in the money. The County team of young ladies consisting of Sarah McNeil, Woodbridge, Dorothy Hewitt, Scarborough and Gertrude Coakwell, Stouffville, in the contest on "Dressing up Home Grown Vegetables", won first prize standing 1st, 2nd, and 8th respectively in their individual scores. The York Demonstration team stood 3rd being outscored by Durham and Hastings teams.

The boys representing the Boys' Calf Club sponsored by the Woodbridge Agricultural Society and supervised by W. M. Cockburn, Agricultural Representative, have reason to be proud of their success. With thirty-five Holstein calves competing, the four Woodbridge calves won 2nd, 3rd, 6th and 7th and were kept competitors for the 1st prize group. In the Jersey class, the boys captured 1st, 2nd and 4th, as well as 1st for a group of three calves and 1st for showmanship.

While the Calf Club show drew the largest ringside of the livestock show, the most interesting feature to the spectators was eight-year old Allan Bagg showing the winning Club jersey for his brother James who was ill. Unfortunately, he is too young for club work so while his showmanship was outstanding, he was not eligible for that contest. Allan had assisted his father in the breeders' class the week previous by showing a prize winning calf.

County winners in the various classes were:

Sheep judging—Earl Gardhouse, Weston, R.R. 3, 1st; Wallace R. Jennings, King, R.R. 3, 2nd; W. J. Brodie, Stouffville, 3rd; Wilbert Jennings, King, 4th; Russell Little, Agincourt, 7th.

Heavy Horses judging—Albert Rutherford, Woodbridge, 1st; Ray Downey, Toronto, 5th; Carman Livingston, Woodbridge, 14th.

Beef Cattle Judging—Reford Gardhouse, Weston, 1st; Fergus McTaggart, Nobleton, 11th.

Calf Club, Holsteins—Bert Livingston, Woodbridge, 2nd; Thomas Whitaker, Downsview, 3rd; Allan Boake, Downsview, 6th.

Showmanship (Jerseys)—Cameron McNeil, Woodbridge, 1st.

Swine judging—Donald W. Pearson, Agincourt, 5th; Frank Codling, Malton, 10th.

Poultry judging—Roy Deavitt, Newmarket, 4th; Lawrence Follitt, Queensville, 7th; Wm. H. Harris, Scarborough Bluffs, 10th.
