Humber Summit Gardener Wins Many Prizes at C.N.E.

The Humber Summit area is fast becoming one of the leading vegetable production sections of Ontario and chiefly because of the progressiveness of Frank O. Reeve who cultivates around 75 acres growing every specie of vegetable that flourishes in the temperate zones. His success as an exhibitor at the Canadian National Exhibition each year is most creditable. This year he was awarded 10 first prizes and a large number of third and fourth prizes. The first prizes were distributed as follows: beets, 2 classes of cabbage, celery, melon, cucumber, turnip, squash and collection of salad vegetables. In addition he was awarded second prize both weeks for his display of 25 varieties.

Another important Humber Summit exhibitor was Green and Son, florists, whose display of asters in basket with 36 blooms won many prizes.

C. E. S. (Charlie) Robertson Superannuated
C. E. S. Robertson for thirty years in the service of the Registration Terminal, Toronto, owing to ill-health has just been superannuated. Mr. Robertson was appointed to the

service through the influence of the late T. G. Wallace who represented West York then at Ottawa. He has made the round trip to Toronto and back for thirty years, first by C.P.R., then by electric railway, and for the past twelve years by automobile leaving his home at 5 a.m. and often was first making the distance and following snowstorms often had to shovel his way through yet was only late twice in all those years. His record is one that may well be called worthwhile and The Liberal scribe offers him congratulations for his record established.

Many expressions of regret are heard concerning the closing of the bakery conducted by Mr. Lorne Ostrander for a number of years on Pine Street. Mr. Ostrander found it impossible to compete with five Toronto firms who practically got control of the business in the district.

We are fast approaching Woodbridge Fair on Thanksgiving Day in October and then soon chilly November and winter will soon be upon us.

VICTORIA SQUARE NEWSY NOTES

And still Infantile Paralysis is the subject of conversation! We do hope that it will soon belong to the past but our sympathy is extended to the ones afflicted.

Next Sunday, the nineteenth of September, is Rally Sunday and we hope that it will be an honest-to-goodness "Rally to the Sunday School." Everybody is well in the community and the public schools are now open so there should be a splendid attendance. A good programme is being provided under the direction of Mr. Fraser Gee.

Mr. and Mrs. P. W. Willows spent Sunday in Stouffville.

The many friends of Mrs. Egbert regret that she is confined to her bed with a heart condition. We wish for her a speedy recovery.

Mrs. Rumney and children have returned after a couple of weeks at their cottage at Port Stanley.

Mrs. Florence Jaques is spending a few days with her sister and brother-in-law, Mrs. and Mr. R. Thomas.

Mr. and Mrs. Adam Agar and daughters Mary and Alice and Mrs. Annie Mortson and Gordon took tea with Mr. and Mrs. Harold Mortson on Sunday evening.

We regret to report that Miss Bonnie Robertson is ill again and was compelled to go to the hospital for observation. We hope Bonnie will make a speedy recovery.

The Nobleton J.W.I. and Jr. Farmers visited the local societies Tuesday evening and presented a splendid programme. In addition to this programme we were visited by our agricultural representative Mr. Cockburn, who discharged the pleasant duty of presenting Miss Bessie Valliere with an Eckardt trophy, a silver

tea service for highest marks won on achievement day. Congratulations, Bessie. In addition to this an interesting ceremony took place when Miss Dorothy Valliere read an address to Mr. and Mrs. Geo. Boynton who were recently married and were presented with a solid walnut table by Mr. Walter Smith, the gift donated to them by their friends of this community. Mr. Boynton responded, expressing his appreciation of the gift and promising to do anything he could to further the success of the societies. After lunch the evening was spent in dancing.

The Choral Society under the direction of Mr. Illyd Harris of Newmarket has begun to practice in the Sunday School room and all interested are asked to join. The charge is moderate. The course was very much enjoyed last year.

We are pleased to learn that Mrs. Charles Smith is steadily improving after suffering a stroke about two months ago.

A week ago last Monday one of our oldest and most respected citizens was laid to rest in the person of Mr. David Smith at the great old age of ninety-two years. Mr. Smith had been in splendid health with all his faculties as keen as in his youth until a few days previous to his death when the intense heat seemed to be too much for him and he passed away at the end of a week's illness. Two sons, Edward and Stanley, predeceased him several years ago and Mrs. Smith less than a year ago. He is survived by one son, James, to whom the community extends its deepest sympathy.

IT MIGHT BE YOU!

Take a good "look" at this picture—it's a verbal one, but it tells the story just the same. Even though you won't like it, still it is something you must face if Ontario's annual highway slaughter is to be stamped out.

It is a gruesome picture—and one that happens every day on our streets and highways. This accident happened because the driver was careless. He died—his face a grotesque caricature with his skull split open like a coconut, his chest a gaping hole where he had been stabbed by the jagged steering column.

His wife was less fortunate — she lived. But every time she looks into a mirror she wishes she had died, too. Modern plastic surgery can perform miracles but it has its limitations. When she looks at herself in the mirror with the eye that isn't glass she still shudders, even though the accident happened three long years ago.

Their five-year-old daughter lived, too. But she doesn't realize it. Her skull was fractured and her brain injured. It's much more difficult to rebuild a brain than a face.

Don't say it can't happen to you—because it can and you know it! Today's headlines of dead, dying and injured people may be telling a story about you in tomorrow's papers. But you can help to protect yourself. How? DEMAND SANE AND CAREFUL DRIVING FROM EVERY MOTORIST. Report those you see driving dangerously. And more important—drive sanely and carefully yourself.

IRISH TRADITION OF KINGS LIVES

Dublin.—Southern Ireland—though almost a republic within the British Empire—has been busy choosing itself a number of "kings" lately.

There is now a "king" of the Arans, the wild, storm-lashed islands off the Galway coast. It is reported that a successor is being sought for the late "queen" of Tory Island, off the coast of Donegal. Quite recently a "king" of Dalkey Island, near Dublin, was crowned publicly in the presence of some of President Eamon de Valera's staunchest adherents.

Finally, during the three-day annual fair at Killorglin, County Kerry, near Killarney, thousands of farmers witnessed the centuries-old custom of crowning a goat as "king" of Killorglin.

The origin of the latter ceremony is buried in the shades of antiquity. One theory explains, however, that a goat saved the village from destruction by a marauding army in the distant past. To commemorate this event the inhabitants are supposed to have decreed that a goat should be crowned each year at the fair.

Sneaking submarines, bombing planes and poison gas, and we have the nerve to call primitive people savages.

If the world intends to build a fitting monument to the inventors of the aeroplane, it should begin saving the bones of slaughtered women and children.

HEPBURN the Tax-Payer's PROVEN Friend

Return Him as PREMIER

TODAY you have reason to rejoice that you voted Henry out and Hepburn in. The Hepburn administration has replaced mismanagement with good management, extravagance with economy. It has replaced the unbalanced budget with a balanced budget, changed the chronic yearly deficit to a surplus of over 9 million dollars. It has relieved the drain and strain on taxpayers' pocketbooks in many ways. In the year that ended March 31st, 1937, it reduced Ontario's gross debt by \$33,098,165.39.

How You Have Profited by Hepburn's Policies

- 1** Grant, equal to one mill on the dollar, from the Province to every Municipality, has relieved Municipal taxpayers to the extent of \$3,000,000.
- 2** Cancellation of the amusement tax will save patrons of the theatre, sports and other amusements \$3,000,000 a year.
- 3** Ontario is granting a \$5 reduction in Motor Car rates that will save motorists \$2,500,000 a year.
- 4** The Province has cancelled the 20 per cent. levy formerly made upon the Counties toward the cost of King's Highways, a saving to Municipalities of over \$2,700,000 to date, and a further saving this year of \$2,000,000.
- 5** Township Road subsidy was increased to 50 per cent., a saving to townships of \$400,000 per year.

- 6** Entire cost of Mothers' Allowances was assumed by the Province, a saving to the Municipal Taxpayers of over \$2,100,000 a year.
- 7** Municipalities' share of Old Age Pensions was taken over by the Province, saving over \$1,000,000 a year.
- 8** Payment of Pensions to the Blind of \$300,000.
- 9** Abolition of the Students' examination fees of \$170,000 is another worth-while saving that Mothers and Fathers appreciate.
- 10** Rates for Hydro-Electric Power have been reduced to users to the extent of \$4,800,000.
- 11** The Hepburn Government paid relief charges out of current revenue instead of adding them to the Public Debt to be paid for by increased taxes in the future, as was the policy of the former Government.

More Sunshine Budgets

On October 6th, you will have the opportunity of showing Mitchell F. Hepburn how much you appreciate his handling of the Province's finances and the administration of its government. Mark your ballot for the Liberal Candidate in your constituency and work to elect him by a safe majority. That's the way to show Mr. Hepburn you want him to "Carry On" with his program of tax reductions. He promises another "Sunshine Budget" this year—and you know he keeps his promises. Be kind to your own pocketbook—Vote Liberal.

Carry On, Hepburn!
