ONTARIO TOBACCO CROP SAID HEAVY

Yield Estimated at More Than 50 Million Pounds

Due to the increased acreage and the recent favorable weather, the fine tobacco crop in western Ontario may amount to more than 50,000,000 pounds, experts state. The 51,000-acre crop planted this year is about 16,000 acres in excess of last year's.

It is expected the entire crop will be under cover by Sept. 20, provided there is no frost.

The expected yield for 1937 is 1,000 pounds to the acre, compared with 1,138 pounds to the acre in 1936 and 700 pounds in 1935.

It is estimated the burley crop will amount to at least 6,000,000 pounds and will be of good quality.

Mr. T. W. Duggan, well known Brampton citizen, celebrated his 79th birthday on Tuesday, Aug. 24th. Mr. Duggan was manager of the Dale Estate for many years and is a prominent layman of the United Church.

HARDSHIPS OF WAR HIT TEA DRINKERS

Tea drinkers here who favor Chinese and Japanese blends may probably find that the storm over Shanghai has a blow for their tea-cups.

One important house of importers in Toronto, with agents in the Far East, informed The Telegram that all export of Chinese teas had ceased as the result of the war. Chinese merchants find it impossible to get their teas to the ships at Shanghai.

As for Japanese teas, no appreciable advance in price has been made so far, but such an advance is expected.

"We are at present dicker with our agents in Japan," said the executive, "and it will not surprise us if the price goes up."

GONE FOR 43 YEARS, TORTOISE SHOWS UP

Was Marked by Countess — Lived in Greenhouse

A marked tortoise which was kept for years in a greenhouse belonging to Countess Wedel Wedellsborg, at Tyrbrind, disappeared in 1894. The tortoise has suddenly reappeared in the same greenhouse after 43 years.

Rev. William Allan of Dovercourt Road Presbyterian Church has resumed his Monday, Wednesday and Friday morning devotions at 8.30 over radio station CFRB.

INDIAN CHUTNEY

12 tart apples (medium size) 1 cup seeded raisins, 1 teaspoon each of ground cloves, ginger, curry, dry mustard, 6 1/2 cup granulated sugar, 1/2 teaspoon salt, 1 qt. cider vinegar. Wipe and chop apples. Combine with other ingredients in preserving kettle. Cook uncovered quietly until thick, stirring frequently. Pour into sterilized jars. When cool seal with hot paraffin.

CAPITOL THEATRE

HOPKINS-McCREA TEAM AGAIN IN GOLDWYN COMEDY

Miriam Hopkins and Joel McCrea one of the most successful and popular romantic teams in films, come back to the Capitol Theatre on Monday when "Woman Chases Man," the riotous Samuel Goldwyn comedy, begins a 3-day engagement there.

"Woman Chases Man" marks the fifth production in which the stars have appeared together. The earlier films were "The Richest Girl in the World," "Barbary Coast," "Splendor" and "These Three."

Charles Winninger, Erik Rhodes, Ella Logan, Leona Maricle and Broderick Crawford are also prominently featured.

This hilarious story casts Miriam in a real comedy role as a girl architect who chased a wealthy young man (McCrea) to the ends of the earth—to make him sign a contract to finance a model village and finally managed to get his name on the dotted line—of both the contract and a marriage license.

John Blystone directed "Woman Chases Man" from a screenplay by Joseph Anthony, Manuel Seff and David Hertz. The story is by Lynn Root and Frank Fenton.

Gregg Toland is credited with the photography, Richard Day designed the sets and Omar Kiam created the costumes. Alfred Newman acted as musical director.

"Woman Chases Man" is released through United Artists.

HEADFORD

Rally day was observed last Sunday and the school room was tastefully decorated for the occasion. One unique decoration was a pumpkin shaped to form a basket and filled with fruit. The superintendent, Mr. Herb Smith, had charge of the program giving the call to worship and the prayer. Ian McDonald was the first reader and the second lesson was read by Allan Wellman. Mrs. McDonald told the story of how Bryan learned to sing praises and the primary classes led in the singing of "Praise Him, Praise Him." Rev. McDonald gave the address on the subject "Crown Him Lord of All."

Rev. J. D. Cunningham of Richmond Hill was the speaker at the Young People's meeting on Monday night. In future meetings will be held Wednesday instead of Monday so as not to conflict with Victoria Square choral society.

Mrs. Wes Clark and Miss Ruth have returned from visiting friends at Dayton.

Mrs. Heaslop who has been ill with a stroke for some time is reported as much better. Mrs. Heaslop is in her 83rd year, and her many friends hope her improvement continues.
