

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

Bethesda Lutheran Church celebrated the Annual Harvest Festival with appropriate services on Sunday last. The chancel decorations of fruit, vegetables and flowers made an ideal setting and the attendance was very gratifying. The absence of the minister, Rev. E. Huenergard, owing to illness was sincerely regretted by his many friends in this vicinity, and a warm welcome will await him when he returns from a much needed holiday. Dr. Little of Waterloo College brought splendid inspirational messages to both services and special musical selections were contributed by Mrs. W. J. Russell and Mr. Walter Kerr in the morning and by the Sherwood choir in the evening. This congregation under the leadership of the resident pastor has made a splendid record, and have many splendid worthwhile activities to their credit in the community.

Announcement of the Annual Harvest Home Festival of St. Philip's Anglican Church that will be held on Sunday next, September 26 with morning and evening services at 11 a.m. and 7 p.m. Holy Communion will be dispensed with at the morning service with the rector, Rev. Herman in charge, while Rev. G. B. Armstrong of Toronto will officiate in the evening. The choir, with Miss Ila Weighill, A.T.C.M. organist, and the soloists, Mrs. A. K. Harrington and Mrs. R. B. Rae, will present special musical selections. A cordial invitation is given to attend these services.

Can you imagine a more enjoyable outing, commencing with a delightful drive through the fruit district and terminating at the extensive nurseries and canning factories of E. D. Smith and Sons, Winona? Well, those who were along when the local branch of the Women's Institute made this trip, can vouch for the splendid time the ladies had Wednesday last. The weatherman staged a sort of scare in the morning, by sending a heavy shower of rain. But you cannot daunt our ladies with a little thing like that, and before they were very far on the journey Old Sol decided to shine and everybody was happy. The program was a full schedule, and the ladies were very appreciative of the hospitality shown. Mr. Smith, on behalf of the Seed Company, gave a very cordial welcome and deputated guides to show the ladies over the premises. Tomatoes in the process of canning, from the wagon up, until safely sealed in the tins; Ketchup, in all stages of the preparation; a visit to the Chemists' shop; the vast rose garden etc., all of equal interest to their guests. Through the courtesy of Mr. Smith, tables were erected on the lawns that were very active in floral beauty, and the ladies enjoyed a real picnic meal, that was welcome to appetites, caused by the long drive. Then the drive back through the fruit district, baskets of peaches, stowed away in every car (don't be misled, they were paid for) and the ladies arrived home feeling that the day had indeed been most delightful and educational. This is the second trip that this branch have made this year, in carrying out the Institute project of Studying Canadian Industries.

IN MEMORIAM

COUPERTHWAITE—In loving memory of a dear wife and mother (Harriet Dean) who passed away Sept. 24, 1936.
Weep not for me, nor wish me back,
I now from pain am free,
And in my Jesus' arms I rest
Where I have longed to be.
You watched for me beside my bed,
Now I will watch for you.
And when you reach the golden gate,
I'll come and lead you through.
Calm and peaceful she is sleeping,
Sweetest rest that follows pain;
We who loved her, sadly miss her,
And trust in God to meet again.
—Ever remembered by
Husband and Daughter.
