Test of love. Telephone your husband that you've had a wreck. Note whether he says "Are you hurt?" or "Is the car hurt?"

GERMAN MILLS

The pupils and several ex-pupils of school section No. 2, Markham, held a concert on closing day. After a happy and enjoyable time spent in singing songs, listening to dialogues and recitations, the pupils presented their retiring teacher, Miss Eileen de Montmorency with an end table and book ends as a small token of their love and esteem. Miss de Montmorency has endeared herself to her scholars during her stay in this section and much regret has been felt and expressed because of her resignation. The very best wishes of the entire community follow her in her new fields of labor.

Announcing TWO NEW FORD V-8 CARS FOR 1938

THE DE LUXE

THE STANDARD

FORD offers two new cars for 1938 — the Standard Ford V-8 and the De Luxe Ford V-8. They are different in appearance — but built to the same standard of mechanical excellence — on the same 112-inch wheelbase.

Because people liked our 1937 car so well, they bought more than of any other make. They liked its looks, its smooth performance, and the way it handled. We have improved on that car in the newly styled Standard Ford V-8.

But some folks wanted still more size and style, with the same fundamental Ford advantages. For them, we have designed a new De Luxe line.

The De Luxe Ford V-8 Sedans are longer with more room, larger luggage space, and finer appointments. De Luxe cars are equipped with the 85-horsepower Ford V-8 engine. They provide more

motoring satisfaction at low Ford prices.

The Standard is even lower priced than the De Luxe. It is a brilliant, modern car. It has graceful new lines and well-tailored interiors. It gives you the same basic advantages of the 85-horsepower Ford V-8 engine.

Before Ford made V-type 8-cylinder engines available to every one, they were used only in expensive cars. Since then, four million Ford owners have learned the genuine enjoyment of driving an 8-cylinder car with all-round economy. The low prices of the De Luxe and Standard cars make it easy for you to step into the V-8 class.

FIT YOUR CAR TO YOUR NEEDS

With two distinct designs, two body sizes and two price ranges, you'll find a 1938 Ford car to fit your personal needs exactly. Whatever one you choose, you get time-

proved Ford V-8 performance. Whatever price you pay, you get a car built soundly to serve you well. . . . That's the Ford way.

FOR LOW DELIVERED PRICES SEE YOUR LOCAL FORD DEALER

De Luxe Ford V-8 models are Coupe, Tudor Sedan, Fordor Sedan, Convertible Coupe, Club Coupe, Convertible Club Coupe, Phaeton and Convertible Sedan.

Standard Ford V-8 is available in three models: Coupe, Tudor Sedan and Fordor Sedan. Ford sells a fully equipped car at the lowest possible price. The prices on De Luxe models include twin tail lights, two windshield wipers, two sun visors, twin electric horns, cigar lighter, De Luxe steering wheel, glove compartment, clock and lock, chrome wheel bands, in addition to front and rear bumpers and guards, spare wheel and tire and tube, tire lock, and headlight beam indicator.

Prices on Standard models include front and rear bumpers and guards, spare wheel and tire and tube, tire lock, one tail light, one windshield wiper, one sun visor, cigar lighter, headlight beam indicator, and two horns.
