## Sport Notes.

### Richmond Hill 6, Markham 4

The local Rosebuds headed by W. J. Carr invaded Markham last Thursday evening and defeated the local team by the score of 6-4 thus gaining 4th and play-off berth of the league being 1 point ahead of Scarborough.

Grosskurth for the Hill was the leading goal-getter for the locals scoring 3 goals, Jones, Murray and Cummings securing the others.

Morris for Markham was the leading goal scorer of the game securing all Markham's goals.

The game produced very little hockey being too much shinny and slashing. Richmond Hill deserved more goals but were outguessed by Patterson in goal for Markham who was turning them away from all directions, and deserves to be given the outstanding star of the game. Grosskurth in goal for the Hill played a good game and deserves much credit for the Hill's win.

Line-up: Goal, Grosskurth; defence, Boake, White; centre, Grosskurth; wings, Murray, Cummings; subs, Jones, Atkinson, Beresford, MacNamarra, MacDonald.

### Aurora 10, Richmond Hill 8

The local Jrs. were defeated Tuesday night by the score of 10-8 by the strong Aurora team. The Hill put up a good game and went down fighting right to the last bell.

The local boys worked hard but were outscored in the first two periods by the score of 5 to 1, Grosskurth scoring for the locals in the second period. The third period saw no less than twelve goals scored, Richmond Hill scoring seven. The goal-getters were, Grosskurth 2, Murray 2, Cummings 2, and Jones 1. The Hill boys in their scoring bee forgot that they had a goal and Aurora scored 5.

Every boy on the local team worked hard and deserved mention. Frank Carr returning from a two weeks rest, when he had 8 stitches put in his head when hurt at practise, played a wonderful game in goal and deserves special mention. In the final period he turned them back time after time and it seemed almost impossible to beat him. The forward line of McNichie, McDonald and Jones, although only scoring one goal checked Aurora off their feet, and should do great things as they are all fast skaters and not afraid to pass the puck. The oldest of these boys is 17 so maybe next year Richmond will have a championship team.

Ever since the team was organized the weak spot was the defence. Johnny Atkinson who has been with the team all the time played defence, and turned in a spectacular game, receiving a nasty gash above the eye in the dying minutes of the game. If Richmond Hill are fortunate enough to meet Aurora in the play-offs it will be a real battle.

The next home game is Friday, January 21st when Markham play here. Then Tuesday, January 25th East York, which is the team to beat, visit the local ice palace. Come on fans there might be a championship team in Richmond Hill yet for you to cheer for.

## W. L. WALSH DEAD

Was Candidate in Cardwell in 1896

Hon. William L. Walsh, Lieutenant-Governor of Alberta from 1931 to 1936 died in Victoria, B.C. on January 18th. Mr. Walsh was born in the town of Simcoe, Norfolk county, Ontario in 1857 and would have celebrated his 81st birthday on January 28th. His father, Aquila Walsh, was a member of the old legislature of Upper and Lower Canada. After his graduation from Osgoode Hall, Toronto he practised law in two or more Ontario towns and for a time practised in the town of Orangeville. In 1896 he was the official Conservative candidate for the House of Commons in the old riding of Cardwell which included Albion, Caledon, Mono and Adjala townships, but was defeated by William Stubbs of Caledon village who ran as an independent candidate and received a majority of 384 votes. After leaving Orangeville he went to Alberta where he practised law and in the course of time was appointed a judge of the Supreme Court of Alberta. In 1931 he was appointed Lieutenant-Governor of Alberta, which office he held for five years and a half. A son, Legh Walsh is a barrister in Calgary.

## 86 Students Enroll For Local Classes

The short course classes in Home Economics and Agriculture being conducted in Woodbridge during January by the Ontario Department of Agriculture have attracted a large enrolment of pupils. W. M. Cockburn, York County Agricultural Representative, reports that there are 38 young men enrolled for the Agriculture course and 48 young women in the Home Economics section. The students have elected their own executive, the members of which are arranging special features. Last week's programme included two special lectures by staff men from the department, J. F. L. Simmons speaking on "Reforestation and Home Beautification" on Tuesday, and J. E. Bergey of the O.A.C. Poultry Department speaking on "Poultry Raising" on Friday. According to reports from the Department of Agriculture, the Woodbridge class is one of the largest of any such courses being held throughout Ontario. The young people are to be commended for the interest they are showing in the work and the foresight shown in taking advantage of these classes.

His desire was nipped in the Budget.
