## Local Merchants Ask By-law For Closing Hours

Stores To Close Tuesday and  
Thursday At 6.30 p.m.

At a meeting of Richmond Hill merchants held Monday evening the grocers, butchers and hardware merchants of the village decided to petition the municipal council to enact a by-law to govern closing hours. The petition will ask that business hours for these stores be set as follows: Monday, Tuesday and Thursday at 6.30 p.m., Wednesday at 1 p.m., except when a public holiday occurs in that week when the closing hour will be 6.30 p.m., Friday and Saturday to be open evenings. The day preceding a public holiday the stores will remain open in the evening and in the month of December hours of all stores are to be optional.

When council passes the by-law it will be compulsory for all tradesmen classified as grocers, butchers or hardwaremen to observe the provisions and there will be penalties provided for any breach of the by-law. It is understood others not included in the three classifications included in the by-law will voluntarily observe the hours specified.

The local stores already close Monday evening and Wednesday afternoon and the only change in the new by-law is that instead of remaining open Tuesday and Thursday evenings the stores will close at 6.30 p.m.

## Choir Members Try Skill At Eating Spaghetti.

Elbow Room at a Premium as Losers  
Banquet Winners of Attendance  
Contest

The United Church choir attendance contest culminated last Friday night in a dinner prepared by the losing side, of which Mr. Rand Phipps is the captain. The main course had been kept a profound secret and conjectures as to its nature ranged from pork and beans to filet mignon. It materialized, however, as steaming plates of Italian Spaghetti served with bowls of grated white cheese and Italian bread sticks. A demonstration of the correct method to consume the spaghetti was given by Mr. Melecci, and elbow space was at a premium while the long slippery coils were lifted perilously on high and twirled delicately around a tablespoon. Clothes cleaners are probably experiencing a boom this week.

After the dinner Mr. Phipps presented the winning side, designated as "Middleton's Mighty Mob", with a silver loving-cup. It was constructed of two funnels, a pie-plate and an operator's head-piece, with the words "Attendance Contest, 1937" soldered in wire on its base. In the absence of Mr. Middleton, Mr. W. A. Wright accepted the elegant trophy with emotion and a few well chosen words.

## LOCAL JUNIORS MAKE GOOD IN JUNIOR O.H.A.

Strong Team Now Look Like Sure  
Contenders For Group Honors

Richmond Hill Junior O.H.A. team scored a decisive victory over the highly rated East York team here Tuesday evening and thus made the locals almost sure of a play-off berth in their group. They are now firmly established in fourth place and when the play-off games start they are almost certain to be in battling for the honors and right now are favored with good chances of coming out on top. Aurora leads the group, Stouffville is in second place, East York third and Richmond Hill is in fourth position. Scarboro is close in on the locals for fifth place and Markham occupies the cellar position.

Richmond Hill team suffered several losses at the start of the season but since that time the team has been considerably strengthened and right now looks to be at top form and headed for high marks in the hockey world. East York team, so decisively trimmed here on Tuesday night, recently beat Aurora to give the much talked of Jubilee Juniors their only loss of the season. The locals have two schedule games yet to play, both away from home. Next Monday they play at East York and February 4th they go to Stouffville.

Local fans are now anxiously awaiting the play-offs and when the series start Richmond Hill juniors will be playing to packed houses here. They are a fast skating, hard working outfit and their fine showing Tuesday night has hockey fever hereabouts worked up to a high pitch.

Tuesday night's game was one of those encounters which sent the cash customers home in good humor. It was fast hard-fought hockey all the way and a free-for-all fight in the second period added variety to the entertainment. In the first period the locals scored two counters, while they held the visitors scoreless. The second stanza ended 3-1 for the Hill and in the final period the Rosebuds made it 7-2.

## May Organize a Cribbage League

Newtonbrook Players Guests of Local  
Club Wednesday Evening

Twelve cribbage players from Newtonbrook paid a visit to the local club Wednesday evening and a fine series of games was enjoyed at the Curling Club rooms. At the conclusion of 48 games the Richmond Hill club which only recently took up the game were the victors by a score of 25 to 23. It was a most delightful evening and so much was the visit enjoyed that it was suggested a Cribbage League be organized with clubs representing Richmond Hill, North York Twp., Vaughan Township and Markham Township and any others who might wish to join. It is suggested that such a league would provide a lot of splendid entertainment and social good fellowship without any expensive outlay on the part of any clubs. Cribbage enthusiasts here are hopeful that such a league will be organized in the near future. Any interested in the formation of such a league may write or communicate with The Liberal Office and we will see that they are put in touch with the interested parties.

HIGH SCHOOL NOTES

(By Sam Macdonald)  
The fine program at the "Lit" meeting last Friday has given rise to the suggestion that a Glee Club be organized. Sounds like a good idea.

Last Friday's program was put on by third and fourth forms and consisted entirely of musical numbers. There was a melodious band consisting of two violins, one cello, saxophone and piano, and several other highlights.

Both Richmond Hill teams won a junior and a senior encounter with Pickering College this week. The juniors won 32-18 and the seniors were on the long end of a 50-20 score. In the junior game Wilson Beresford starred showing very fast form and netting the most goals.

Wednesday evening the Aurora Juniors beat the locals 19-10 in a hard fought game.

## Holstein Breeders Will Hear Prominent Speaker Feb. 1st

Realizing that feeding is one of the biggest problems of the dairyman and livestock breeder, the York County Holstein Breeders' Club has succeeded in securing as special speaker for their annual meeting, one of the most outstanding authorities on feeds on the continent in the person of Dr. W. R. Graham of Guelph. The meeting will be held at 1.30 on Tuesday, February 1st, in the Masonic Hall at Richmond Hill, last year's attendance having over-taxed the capacity of the Municipal Hall. Dr. Graham is a famous son of a famous sire, his father being Professor W. R. Graham who has developed such an international reputation for the poultry work at the Ontario Agricultural College during the past forty years he has been associated with that institution. Dr. Graham following graduation from the O.A.C., has conducted research work on both sides of the Atlantic and is now Canadian Manager for the Greenmelk Co. Ltd. and directs the research work of the company in the United States.

The Club had set February 1st for their annual meeting and Dr. Graham has postponed a business trip to Chicago to accept the Club's invitation to Richmond Hill where the Holstein Breeders of York are asked to bring their friends, whatever colour of cattle or poultry they keep, as Dr. Graham's address will reveal some of the most up-to-date information on Animal Nutrition.

PRESBYTERIAN CHURCH  
ANNUAL MEETING

Richmond Hill Presbyterian church congregational receipts were increased during the past year and a substantial balance left after all expenses were paid. At the annual congregational meeting held last Monday evening the church treasurer reported that collections last year were better than they have been for many years. The Board of Managers started the year with the slogan—"Taxes must be paid." At the close of the year their ambitions were realized. The Trustees and the Board of Managers, with the addition of Mr. Walker, were re-elected. After the usual votes of thanks the meeting closed with the ladies serving dainty refreshments.
