Letters From The People

PROTESTS RADIO TAX

R. R. 3, King, Ont.,
 February 1st, 1938.
 Editor, The Liberal,
 Dear Sir:

In the editorial columns of The Liberal last week appears the words, "Listen to the Holler", wherein you seek to justify the suggested raise in the tax on radios. I take issue with you in your attempt to condone this pernicious and unjust extra tax upon the radios in the homes of the Canadian people. It is like adding insult to injury upon the already overburdened taxpayer, and I for one, hope that the holler will be that loud and long, with reverberations that will awaken a sense of shame, in the minds of those who are trying to foster this iniquitous tax upon the people. About one mile from my home are the great three hundred foot towers of CFRB sending forth through the ether programmes that compare favourably with any on the American continent, and without one cent of cost, to the Canadian taxpayer. Personally I have yet to see and hear the justification of the C.B.C. nor yet the princely salaries paid to its officials. The half dollar may seem small in your estimation Mr. Editor, but may I point out to you that it was the last straw that broke the camel's back, and I venture to say that the majority of the people of this fair land are not paying this extra tax without voicing their opinion despite what you or any one else might say to the contrary.

Wm. E. Barker.

APPEALS FOR FUNDS

Editor, The Liberal
 Sir:

This is an S.O.S. call for the Public School Relief Fund. There is still much need for this fund and any donation will be greatly appreciated. Many of the children would enjoy skating this fine winter weather but cannot get skates and boots. If any of the readers of your paper have any old pairs around the house, we would be glad to get them and put them to good use.

Thanking you in advance,
 M. L. McConaghy,
 3 Centre Street West,
 Richmond Hill.

NO USE FOR COUNTY COUNCIL

Editor, The Liberal
 Sir:

I wish to commend you for your many fine editorials drawing attention to the necessity for reform or abolition of our county council. I agree with you that there is no great necessity for a continuance of this expensive administrative body, but as a first step I would suggest that we impress on our County members the necessity for cutting down the size of the York County body. Imagine fifty men down there for about six weeks in the year. I think half that number would do the work much more efficiently and economically.

Large Crowd See Woodbridge Lose 8-3

Failing to hold a two goal lead the Woodbridge hockey representatives were defeated by the Cannington O.H.A. Intermediate team 8 goals to 3 in an exciting game played at the Robinson factory rink last Saturday night. The large crowd braving unpleasant conditions were treated to a vigorous game of hockey, evidence of which is the reported broken nose and other injuries suffered by the players. The Woodbridge team's line-up was as follows; Cameron, Robinson, Jack Carroll, Don McKenzie, Gord Bagg, Lyness Glass, Jack Hall, Bill Robb, Charlie McLean, Dick Wilcox, Len Pettit. Bill Hollingshead acted as referee.

Canada Stock Health Leads

The health of live stock in Canada is second to none in the world, Dr. A. E. Cameron, Chief Veterinary Inspector, Health of Animals Branch, Ottawa, said while in Toronto attending the sixty-fourth annual meeting of the Ontario Veterinary Association at the Royal York Hotel.

Canada, he pointed out, was practically free from hog cholera, for instance, which is still a menace in the United States. Hoof-and-mouth disease also was almost non-existent here, but still a problem in Europe.

Canada's main problem continued to be tuberculosis in cattle, he said, but it was being steadily attacked. Already 2,000,000 animals had been examined, and in large areas of the Maritime Provinces and Quebec the incidence of positive reactors had been found to be only one-half of 1 per cent.

Regulations, their rigid enforcement, and perhaps climatic conditions were probably responsible, said Dr. Cameron, for the healthy state of Canadian live stock.
