**EDGELEY**  
 Sunday night the Y.P.U. was in charge of Miss Kathleen Whitmore on Fellowship. Scripture was read by Gladys Smith and explanation by Ruth Smith, solo by Bertha Stong, reading by Kathleen. Rev. McCrimmon came down after service to speak on the topic which was very interesting. Remember meeting next week in charge of Marie Giffen on Missions. Also remember Y. P. U. Amateur Night on February 14. Further notice elsewhere in this issue.  
 On Monday night the community gave a miscellaneous shower for Miss Mabel Walker, a bride-to-be, this week. Many useful and lovely gifts were given.  
 On Tuesday afternoon the girls held a party at the home of Mrs. Chas. Agnew at Woodbridge when the afternoon was spent playing Court Whist and later the girls presented Mabel with a breakfast set of black and white plaid.  
 Mr. Dan Stong is now able to be up again.  
 Mrs. Frank Locke and Mr. Tutt are also on the sick list.

**VICTORIA SQUARE**  
 Rain, rain and still more rain. Certainly the weatherman has been playing pranks this year. Likewise have the cars when they came in contact with the ice. But the weather has now done away with that danger. We hope it will soon come back to normal.  
 The friends of Mr. Robert Agar will regret to learn that he is not improving. Mr. Agar had part of his foot amputated last Friday but the result is not as satisfactory as we could wish. We do hope there will soon be a change for the better.  
 The J. W. I. and the Jr. Farmers met in the Community Hall on Tuesday evening. Mrs. Collard took the short talk, "Should the man be the head of the house and to what extent" and gave those girls who are contemplating matrimony some enlightening information. The paper, "What qualities are most to be looked for in choosing a husband" was very ably taken by Miss Gwen Smith. Another paper was taken very fully by Mrs. Marcus Jarvis and Miss Dorothy Valliere entitled "Which is to be preferred, the financial success or a good companion." So from now on, if the young ladies make a matrimonial error, they have themselves to thank because they have had their eyes opened in no uncertain manner.  
 Mr. and Mrs. Cecil Nichols are now the proud parents of another baby girl and little Lillian is the proud possessor of a baby sister. Congratulations to you both.  
 Next Monday night, February 14, the Woman's Association are putting on a Valentine Supper and at the conclusion of this are putting on a Mock Parliament. The subject for discussion will be "Resolved that a talkative companion is more to be desired than a quiet one." Let no one miss this unusual treat.  
 We are pleased to report that Miss Holden is back at her school duties after her illness.  
 Mr. John Williamson has returned to Pickering College after spending the week-end at his home.  
 Mrs. Florence Jaques took tea at the home of her sister, Mr. and Mrs. Thomas of Maple.  
 Miss Dorothy Valliere of Markham spent Tuesday afternoon at her home and took part in the program at the Jr. Institute in the evening.  
 Miss Mable Sanderson took tea with Miss Ethel Mortson on Sunday evening.  
 Miss Marjory Hart was a Sunday guest at Miss Margaret Avison's and Miss Myrtle Avison of Toronto spent the week-end at home.

**Stanley Watson Heads Holstein Breeders Assoc.**

Attended by the largest crowd in the history of the Club, the annual meeting of the York County Holstein Breeders' Club taxed the seating capacity of the Masonic Hall at Richmond Hill almost to capacity on Tuesday of last week.  
 Following the President's address by Jos. Darlington of Todmorden, Sec.-Treas. Frank Ramsay of Sharon presented an encouraging report of the activities and finances of the Club. The 1937 Board of Directors was re-elected and at the Board Meeting later in the afternoon, Stanley Watson of Agincourt was elected President; Geo. W. Henry of Todmorden, 1st Vice-Pres.; Roy Barker, Woodbridge, 2nd Vice-Pres.; and Frank Ramsay, Sec.-Treas. John Graham of Locust Hill, salesman for the Club, spoke briefly.  
 The Chairman called on Agricultural Representative W. M. Cockburn, to introduce the guest speaker, Dr. W. R. Graham of Guelph who spoke on "Factors other than breeding influencing Milk Production." The speaker pointed out the relation of the various organs of the body to each other and the necessity of proper feeding to enable all parts to function properly. Dr. Graham has had a very interesting and wide experience in research work pertaining to the dairy cow and his address was full of valuable ideas for the dairyman and breeders of pure-bred cattle.  
 Byron Jenvey of Ingersoll, fieldman for the Canadian Holstein Breeders' Assoc., was also present and spoke briefly on the accomplishments of the parent society.

**THANKS TO FIRE BRIGADE**  
 Elgin Mills P.O., Ont.  
 Editor, The Liberal,  
 Dear Sir:—  
 As neighbors whose property was seriously threatened by the fire at Elgin Mills on Thursday night, Feb. 3rd may we through the columns of The Liberal express our keen appreciation of the Richmond Hill Fire Brigade for their prompt response, and for their watchfulness in preventing any spread. Quite a few of us breathed easier when the fire truck arrived, in view of the strength and direction of the wind, and the clouds of sparks coming right at us.  
 A word of thanks also is due to the small army of willing helpers who quickly arrived on the scene. Apparently the old community spirit is still there in an emergency.  
 Mrs. Hanson joins with me in saying sincerely, thank you all.  
 Yours gratefully,  
 C. A. HANSON.

**FOOTPRINTS OF SERVICE**

This is a reproduction of a picture taken in sub-zero temperature the morning after a severe snow storm. It shows footprints of a telephone operator leading to the telephone office. They are mute evidence of the "spirit of service" that is back of your telephone.

Blocked streets and highways seldom keep telephone employees from the job. If humanly possible, they are at work ready to do their part in providing your telephone service.

The management of this Company is proud of the fine "spirit of service" shown by employees and we feel sure that our customers appreciate it. Because of it, your telephone service is maintained at a constantly high standard.

**"IT'S THE BEST-LOOKING CAR ON OUR STREET"**

**"THE best-looking car on the street!"** That's what all the neighbors say about our new Chevrolet. And that's what we think, too.  
 "Just look at the thrilling streamline of the new all-steel body. And notice how, by rounding the radiator grille and adding those horizontal hood louvres, Chevrolet has modernized the whole effect."  
 "Then take the interior. It's so neat and 'tailored' it makes me think of our own living room... fine upholstery... lovely appointments... everything in taste.  
 And remember, Chevrolet reinforces all this beauty with roof, walls and floor of steel... with all windows of safety glass! "I don't know much about mechanical details but, I drive our Chevrolet and from a woman's point of view, nothing could be easier to handle or safer. Finally, (I look after the family budget), I'm sure nothing could be easier on the pocketbook!"  
 You, too, will be proud to own this new Chevrolet. Come to our showrooms today—see it, drive it, and compare prices before you buy.
