R. H. S. COMMENCEMENT

This annual event is planned for the second week-end in March. Loss of time at the first of the school year requires a somewhat different programme this year. While not requiring so much time in preparation as the usual full length play, it is hoped that it will be as entertaining as ever. A students' Glee Club and orchestra are preparing a musical programme. Two modern one-act plays will also be featured. One of these is to be the world-premiere of the only extant work of a playwright who may (or may not) become famous. Don't miss it. Further particulars and posters next week.

COUNCIL TO STRIKE TAX RATE SOON

The municipal council of Richmond Hill will meet early next week in special session to consider the striking of the 1938 tax rate. While nothing definite can be arrived at until the members go over the estimates for the coming year a tax rate reduction for the current year does not appear unlikely. It is likely the early closing by-law petitioned for by local merchants will be passed when the special meeting is held.

PUBLIC SCHOOL SPORTS

The players and management of the Public School Hockey team would like to thank Mr. P. C. Hill and the Parks Commission for the kindly cooperation they have given with regard to the team's use of the arena. To those who assisted in taking the players and spectators to Aurora on Monday, the management is grateful. Line-up:

Richmond Hill—Goal, M. Hunt; defence, T. Evelyn, V. Mitchell; forwards, M. Hillaby, I. Ross, B. White. Aurora—Goal, W. Saygo; defence, H. Pattington, A. Gilbert; forwards, K. Jones, T. Bowl, B. Hillis; alternates, S. Edwards, I. Anderson, B. Seton, B. Griffith, K. Harman, C. Bilborough.

On Wednesday evening Richmond Hill Public School played Aurora at the local arena winning the game with a score of 1-0. There was an excellent turnout of fellow students at this game and it is hoped other teams will play Richmond Hill in the near future.

Last Thursday night in the game between Aurora and Richmond Hill the local team won by a score of 4 to 2.

On Monday the team played a return game at Aurora when Aurora was victorious with a score of 3-0.

The following item from the New Outlook of last week will be of interest to many of our readers. "The aggregate attendance at the Communion Services for 1937 was the largest in the past ten years." So reported Mr. C. P. Wiley, Clerk of Session, at the annual meeting of the United Church, Richmond Hill, Ont. Rev. C. W. Follett is the pastor."

Crop Improvement Meetings Planned For The District

TO BE HELD IN RICHMOND HILL, SCHOMBERG, AURORA AND SUTTON EARLY IN MARCH

The Agricultural Societies of York County are to be congratulated on the lead they are taking in launching a well planned program to improve the field crops of their respective districts. Last year, several of these organizations joined in sponsoring the first annual York Co. Seed Fair at Aurora and all Societies this year are combining with the Junior Farmer Clubs in staging the second Seed Fair at Markham on "St. Patrick's Day in the mornin'" and afternoon.

Last year's educational program at the Fair proved so popular that Crop Improvement meetings are being organized by the Agricultural Societies of Sutton, Richmond Hill, Schomberg and Aurora during the first week of March. Agricultural Representative W. M. Cockburn has succeeded in securing three outstanding speakers from Toronto, Guelph and Ottawa to address these afternoon meetings.

We understand there will be a supply of fanning mill screen material on hand morning and afternoon for farmers wishing to tune up their mills.

HORTICULTURAL SOCIETY NOTES

Next Thursday evening, February 24th, will be the regular meeting of the Horticultural Society in the Municipal Hall at 8 o'clock, when reports of the delegates at the convention of the Ontario Horticultural Association which is being held this Thursday and Friday in the King Edward Hotel will be given by Mrs. R. D. Little, Mr. P. E. Angle and Mr. James Skeele.

"Dick" the amateur gardener will be here on Wednesday, March 23rd, and will give an address and answer questions. If there is any phase on gardening on which you would like information send your questions to the Secretary, Mrs. A. J. Hume. Keep the date open to attend meeting.

Premiums offered by the Horticultural Society this year include a root of Iris, Gladiolus Corm, or seeds of the new Russell Lupin. Also a shrub or perennial. It will be an advantage to the Horticultural Society and to yourself to send this order early, so advise the secretary of your choice.
