Woodbridge Enters T.H.L. Play-offs

Defeating Humber Summit 2 games to 1 in the Town Hockey League finals during the past week, the Woodbridge Town Team were proclaimed local champions, a title which earned them the right to enter the Toronto Hockey League Intermediate play-offs. The first of the 3-game series was played on Tuesday of last week. This game, enlivened by several fist fights, was taken by Woodbridge 4 goals to 2. The second game, played Thursday, went to Humber Summit by a score of 4 to 1, and the final game, played on Monday last before a large crowd, ended with a final score of Woodbridge 6, Humber Summit 3. Excitement ran high during the series and it was found necessary to import a Toronto referee for the deciding game. Only 3 penalties were handed out during this encounter.

Line-ups for the finalists were: Woodbridge—J. Blake, Hugh Bishop, Eddie Hayhoe, Gord. Bagg, Jack Hall, Bert Shore, Duncan Pollard, Bill Robb. Humber Summit—Ted Topper, Roy Lockhart, Alf. Castator, Garry Evans, Jones, Banks, Andy Muir, Mac-Millan. Woodbridge will enter the T.H.L. Intermediate play-offs by virtue of an agreement reached with city officials, the local league being Group No. 7 of the city league. Teams playing in the local league during the winter were: Woodbridge Town, Humber Summit, Robinson's Factory, Fisherville, Claireville and Robinson's Head Office.

WOULD EXPORT FEEDER CATTLE

King Farmers' Club Asks Government Aid When Price Declines

Because the price of imported feeder cattle has continually decreased in price since last autumn, the executive of King United Farmers' Club has forwarded a resolution to the Federal Minister of Agriculture to facilitate the export of surplus cattle to Great Britain.

The resolution states that many Ontario farmers purchased feeder cattle last fall which have declined in price between \$2.00 and \$3.00 per hundred pounds, causing a loss of \$15 to \$25 per head.

It is also pointed out that the Canadian Chamber of Agriculture has ascertained that the situation could be relieved by the provision of more boat space for cattle going to Great Britain. The Federal Government encouraged the movement of these cattle to Ontario from the West, the resolution also declared.—Telegram.
