General News & Views

Richmond Hill Council Monday evening decided to adopt daylight saving time this year, which is one of the unmistakable signs of spring.

Seedtime is approaching, but it is always seedtime for those who wish to reap an eventual harvest through the advertising columns of The Liberal.

Oscar Cox of Unionville writes as follows: "Have had excellent results from advertising in your paper. I sold all 21 horses in three weeks. I expect another carload of Percheron, Belgian and Clydesdale horses in the near future and I certainly will be using your paper again."

The village and district are experiencing the worst measles epidemic in many years. While cases are very numerous few of the victims appear to be very seriously ill.

Many good things come a little cheaper second hand — particularly harsh experiences.

Some people don't do much to help the world along, but we know those who do less, who promise more.

A. M. Stewart of Ailsa Craig told the Ontario Association of Agricultural Societies about a trickster who carried off the first prize for honey, three years in succession, by exhibiting a jar of castor oil at a county fair. Surely the judges hadn't gone to the trouble of tasting the exhibits, but judged them solely on their merits of appearance.

In our land there is a two-fold demand for greater loyalty to the Church; that our national life may be of such quality as to spare us the fate of many other peoples, and that the Church may have the men and the means to carry the gospel abroad. Faithful and fruitful membership in your Church is the greatest contribution you can make to the needy world of today.—Amherstburg Echo.

The latest American church device for "raising the wind" is what a religious paper describes as "some collection-box. The inventor hails from Oklahoma. If a member of the congregation drops in a twenty-five cent piece or a coin of larger value, there is silence. If it is a ten-cent piece a bell rings, a five-cent piece sounds a whistle, and a cent fires a blank cartridge. If anyone pretends to be asleep when the box passes, it awakens him with a watchman's rattle, and a kodak takes his portrait.

A very particular housekeeper was having her bedroom painted. Wishing to learn what progress the painter was making, she crept to the bottom of the stairs and listened. Not a sound reached her ears. She: "Painter, are you working?" Painter: "Yes, ma'am." She: "I can't hear you making a sound." Painter: "Perhaps not, ma'am. I ain't putting the paint on with a hammer."

Farmers who have cream to sell, have a smile on their faces and are saying very little these days, as the price of butter fat has gradually increased to 37 cents per pound, the highest figure since 1929.

The increase has been gradual. It was 32 cents per pound at the end of November, but during December it had jumped three cents to 36 cents per pound.

In a beggar's hand, instead of the customary cap was a top hat. A curious person stepped up to him.

"Say," he asked, "isn't it rather odd to be begging with a top hat?" "Not at all," replied the beggar. "If you want to get anywhere in this street you've got to put on some class."

In discussing the question of under-paid school teachers in a recent editorial, the Brockville Recorder and Times strikes a real point when it says:

"As long as there are 5,000 school teachers throughout Canada on salaries of less than \$500 a year, the accusation that those engaged in the profession are overpaid will scarcely hold water.

"The President of the Canadian Teachers' Federation has pointed out that, according to the annual report of the Minister of Education of On-

WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From our Issue of March 10th, 1898
The Thornhill Band have been fortunate in securing the services of Miss Mary Thompson, reader and entertainer, and Mr. Neil Burton, humorous and dramatic character impersonator, for an entertainment to be given in Victoria Hall on the evening of Thursday, March 17th.

On Thursday night the Harbord Street Collegiate hockey club played a friendly game with the local team on our ice. The game was witnessed by about a hundred of the Villagers, who cheered on the boys when they made a good play. The sides were evenly matched. In the first half neither side scored, but in the second half the visitors pulled up, and at the close the score was 3 to 1 in favor of Toronto. On Saturday afternoon the Thornhill hockey club played a game with our second seven. The game was fast and exciting and at the close the score stood two all.

Inspector Seath paid our High School an official visit on Thursday last. His report has not yet come to hand but he expressed himself as well pleased with the building and the equipment.

THIRTY YEARS AGO

From our Issue of March 5th, 1908
There will be fifty-three Sundays in 1908. It is stated that this will not happen again in 110 years.

Mr. H. A. Nicholls, real estate agent, sold Mr. W. R. Capell's residence to Mr. Jesse Good of Toronto. We are pleased to welcome Mr. Good back to our village.

The masquerade carnival in the rink last evening was a success, and the program appeared to be enjoyed by all. Nearly forty skaters appeared in costume, and many were very pretty. A quartette from the Newmarket Band gave excellent music.

Two rinks from Lakeview Curling Club, skipped by Messrs. Daly and Glynn, visited Richmond Hill on Friday afternoon and curled two rinks of the Hill club, skipped by Messrs. Michael and Nicholls, and were defeated by 32 points.

Richmond Hill curlers played a return match with Thornhill Saturday afternoon, on the rink of the latter and came off the winners by six points. Teams:—

Richmond Hill	Thornhill
R. Shaw	W. Brunwell
G. Cowie	Robt. Thompson
H. A. Nicholls	Thomas Hughes
M. Boyle, skip	J. Teeson, skip
J. H. Sanderson	D. Boyle

WEDDING

LaROSE-SUMMERFELDT

A very pretty wedding took place quietly at the parsonage, Unionville, Thursday, March 3rd, when Sarah Darlene, youngest daughter of Mr. and Mrs. H. Summerfeldt of Cashel, was married to Mr. Howard C. LaRose, only son of Mr. and Mrs. E. LaRose, Markham, the Rev. A. E. Owen officiating.

The bride was charming in a gown of blue crepe velva, with matching accessories, and was attended by Miss Dorothy Gingell, who wore a gown of blue flat crepe.

Mr. Mervyn Summerfeldt of Cashel, brother of the bride, was best man.

After a reception at the home of the bride, the happy couple left for a motor trip, the bride travelling in a blue tweed suit with matching straw hat and accessories.

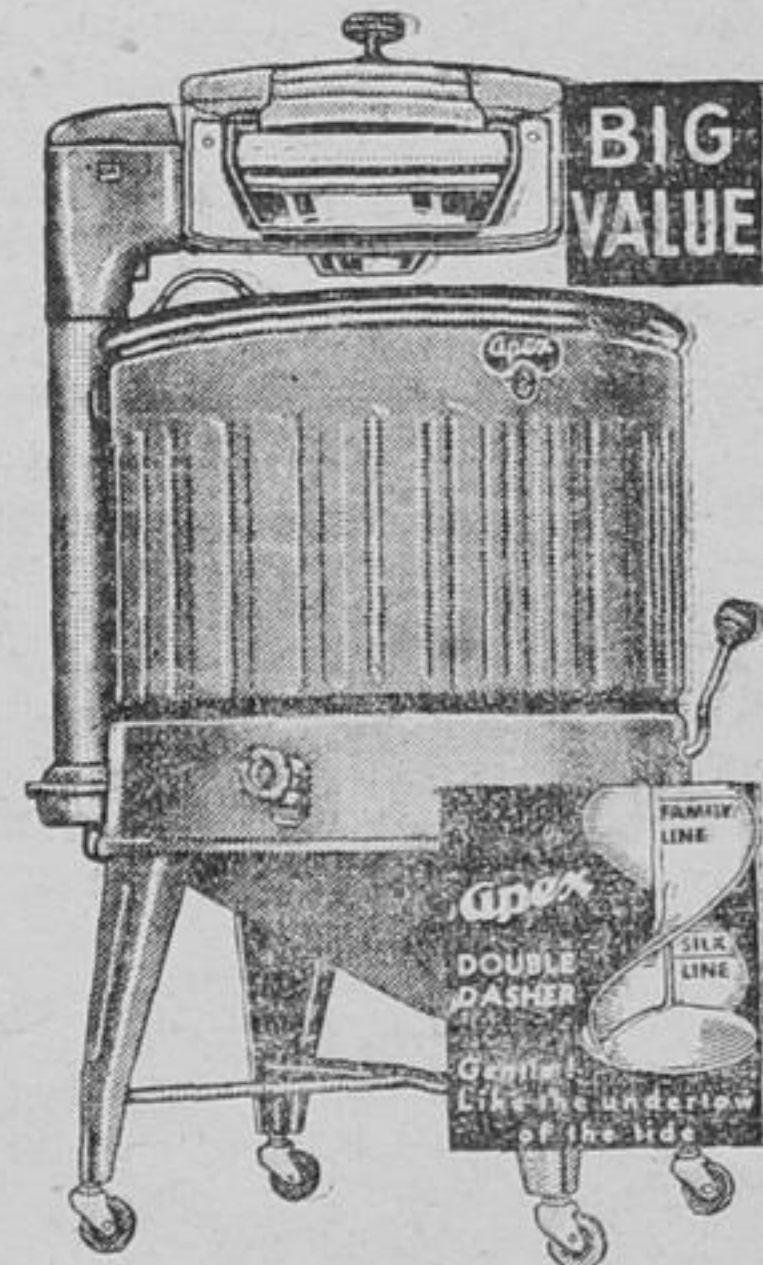

Upon their return they will reside at Ringwood.

The outstanding triumph of hope over experience is that of the chaplain praying day in and day out for divine guidance for parliament.

There are 3,329 teachers in this Province paid less than the minimum wage set for girls engaged in factory work. And, believe it or not, 518 of these teachers are men.

"It is true that most of the low-salaried teachers are engaged in rural schools but there are eight teachers in cities who are not paid more than \$600 per annum, 20 others in towns and 41 more in villages. And the Minister's report further states that there are a few women teachers in city schools paid as low as \$400 per year.
