### Sister Sherman Is Remembered On Moving To Richmond Hill From Beeton

The address was read by Sister Allen and the presentation by Sister Westlake and Sister Watson.

Following is the copy of the address:

Dear Sister Sherman:—

As old friends and as members of L.O.B.A. No. 407, Beeton, we wish to convey to you some expression of our appreciation of your untiring and faithful services among us and also to voice our sincere regret, occasioned by your withdrawal from our village.

During the years you have been with us, we have learned to appreciate your assistance cheerfully and ungrudgingly given, not only in our lodge but in the community. We shall always remember your bright and cheerful disposition, and your unselfish efforts in the interest of our Great Order, are worthy of recognition. We feel that we are losing, not only a highly esteemed Sister, but also a kind and generous neighbor. You will not, we believe, altogether lose interest in those with whom you have been so closely associated in the Order and we assure you that we shall follow you in thought and prayer.

We sincerely regret your departure and ask you to accept these gifts which carry with them the goodwill and best wishes for your happiness in your new home.

Signed on behalf of L.O.B.A.

No. 407, Beeton, Ont.

### PERHAPS NOT

Student—Teacher, will you help me with this problem?

Teacher—I would, only I don't think it would be right.

## Crop Improvement Meetings Useful

The Crop Improvement meetings held under the joint auspices of the Ontario Department of Agriculture and Agricultural Societies at Sutton, Richmond Hill, Aurora and Schomberg, proved most instructive and were well attended by interested farmers of the respective communities.

W. M. Cockburn, Agricultural Representative for York County, reports that during the mornings when fanning mill screens were being repaired, over sixty farmers took advantage of this opportunity to get new material for their frames. Mr. Cockburn is arranging to take his supply of screens to a potato meeting at Mount Albert on Friday, Mar. 11th, and to the Seed Fair at Markham on Thursday, March 17th, to save the farmers coming to his office for them.

The afternoon programme featured addresses and discussions on seed and soil problems. G. A. Scott of the Experimental Farm, Ottawa, reported on the wonderful results obtained by treating seed with the new mercury dusts to prevent not only smuts (except loose smut) but also blights, root and foot rot, the organisms of which are carried on the surface of the seed. John D. McLeod of the Ontario Crops Branch discussed seed cleaning, making reference to the proper use of fanning mills, power seed cleaning plants and also the threshing machine. Soil fertility was the subject taken by R. J. Bryden of the Chemistry Dept. of the Ontario Agricultural College. His talk, most practical throughout, urged farmers to put their soil in good physical condition by drainage, tillage and the addition of organic matter such as clovers or manures. Decomposition of this humus provides nitrogen and aids in the liberation of phosphates and potash. Commercial fertilizers should then be used to provide any deficiencies in these elements.

Arrangements have been made to have these speakers at the York County Seed Fair at Markham.

## TEMPERANCEVILLE

A very successful meeting of St. John's A.Y.P.A. was held in the Parish Hall on Monday evening. The main feature of the evening was a debate, "Resolved that success in life depends more on opportunity than ability." The affirmative side won, and was upheld by Helen Whitten and James Kerswill. The Misses Thelma and June Wood upheld the negative side. The judges, Rev. E. W. G. Worrall, Mr. M. B. Beynon and Mrs. W. N. Thompson offered constructive criticism. After the debate a box social was held. Bidding was brisk reflecting a good demand. Rev. Worrall handled the sale as auctioneer. Gertrude Henshaw and Helen Whitten deserve credit for making two of the most beautiful boxes.

The W. A. held their regular monthly meeting on Wednesday, March 2nd at the home of the secretary, Mrs. Norman Chatterly. Mrs. Haines of Queensville, president of West York Deanery W.A. was the guest speaker. She spoke on the lives of seven great women mentioned in the New Testament, and who devoted their lives to the work of the early church. Members from Maple and King W.A.'s were also guests.

All are invited to a Supper to be served at the United Church on Monday evening, March 21st. A lecture will be given by Rev. J. D. Parks of Carlton United Church, Toronto.

Mr. Benny Wilson, champion and inspired leader of ex-convict men, will be heard in St. John's Parish on Monday, March 21st. Lantern slides will be shown.

The C.G.I.T. will hold a supper meeting on Saturday, March 12th at the home of the leader, Mrs. Leonard Harman. There will be a speaker at this meeting.

The Robertson Lodge, King City, will hold a euchre and dance on Friday evening, March 11th at 8 p.m. Lunch will be provided. Everybody welcome.

A progressive euchre and dance will be held on Wednesday evening, March 16th in McDonald & Wells Hall, King, under the auspices of the U.F.O.

If you have something to sell, insert a classified "Ad" in The Liberal.

Sir James MadBrien, head of the Royal Canadian Mounted Police died on Saturday, March 5th after an illness of several weeks. Sir James was one of the most outstanding of Canadian officers who served in France during the war and where he rose from a major to a major-general. He was born at Myrtle 59 years ago. In earlier years he served in the North West Mounted Police and also in South Africa.

## CAPITOL THEATRE

### "THE GREAT TEMPLE"

Sensational mind wizard, who will be at the Capitol theatre next week from Monday until Friday, to answer any questions which may be troubling you. He does not perform on the stage but will meet you in a specially built compartment in the Capitol foyer and answer your question in private. The great Temple has worked in many of Canada's best known theatres and everywhere he has gone he has been a sensation.

The editor of The Liberal along with about a dozen other newspaper representatives had the privilege of interviewing this mind wizard last Monday, and we were astounded with the many marvelous features of his work. We entered a private office with him, wrote a question on a piece of paper, folded it several times and handed it to the great Temple. He tore it into many pieces and we burned it. This wonder man whose uncanny gifts have made him a sensation wherever he has performed told us our question, gave a detailed description of the party we asked about and while we wondered at his wonder power he answered our query. Only the passing of time will tell whether or not he was correct, but he did give us a very likely answer, and it was one not suggested in any way by the question.

There is no extra charge for an interview with this wonder man. It is free to all who go to the Capitol theatre next week, and in addition to the regular evening shows, there will be a matinee every day.

Whether or not you believe such things are possible, we suggest an interview with the great Temple as highly interesting. Meet him at the Capitol theatre next week.

## NOTICE
