General News & Views

Lions Club Charter Night, Tuesday, April 5th.

If you like opera, that's your dish, Here's hoping that you get your wish; But as for me, now that it's spring, I'll listen while the bullfrogs sing.

Stouffville will build an \$18,000 addition to the continuation school there this coming summer.

Present indications are for an early spring. But there is still time for a taste of winter.

The farmers are now getting 39 cents per pound for cream delivered at the creamery, the highest price in nine years. Just six years ago, it had dropped to 15 cents, its low level for many years.

Two parsons were having lunch at a farm. The farmer's wife cooked a couple of chickens, saying that the family could dine on the remains after the visitors had gone, but the hungry ministers ate them all.

Later, the farmer was conducting his visitors about the place when a rooster began a lusty crowing: "One of the Ministers — 'Seems mighty proud of himself.' Farmer (growing)—'No wonder. He has two sons in the ministry.'"

Ex-President Hoover, now in London, stated to a press conference there: "I have discussed certain matters with the leading men of 14 or 15 countries and although I am conscious of the imminent menace in the present European situation yet I do not believe a European war is at all probable in the immediate future. When I speak of war I mean a general war."

Several Toronto housewives have staged a "buyer's strike" against 40c. butter and claim they will refuse to buy until it is down to thirty cents. If some of these city women had to go out and milk cows and do the other tasks in connection with the making of a pound of butter they would most likely be on strike for \$1.00 a pound. They seem to forget that when the farmer or producer gets a fair and reasonable price for his product the resultant wave of prosperity soon reflects favorably in every walk of life.

The "rabbit derby", sponsored by the Meaford and St. Vincent Fruit Growers' Association, ended Wednesday last, with Tommy Smith receiving the \$15 cash prize for shooting the most rabbits, 45, during the winter months. This competition was held in an effort to reduce the numbers of these pests, who have done much damage to orchards in the district in past years.

A fond mother sent her small boy into the country, and, after a week of anxiety, received the following reassuring letter:

"I got here all right and I forgot to write before. It is a very nice place to have fun. A fellow and I went out in a boat, and the boat tipped over, and a man got me out, and I was so full of water that I didn't know anything for a good long while. The other boy has to be buried—when they find him. His mother came from her home, and she cried all the time.

"A hoss kicked me over, and I have got to have some money to pay the doctor for mending my head. We are going to set an old barn on fire to-night, and I am not your son if we don't have some real fun. I lost my watch, and I am very sorry. I shall bring home some snakes and a toad, and I shall bring home a tamed crow, if I can get 'em in my trunk."

NEWSPAPER COURTESY

(Trenton Courier-Advocate)
This paper has no one on its staff who is silly enough to pay for an admission ticket to get into a show or a banquet, or any other chargeable function, just for the sake of going to work for the organization that promotes such a show or banquet. If the usual courtesy to the press is extended, this paper will be represented at such functions and will give the affair the proper write-up. If the usual courtesy to the press is not extended, we will assume that we are not wanted, and we will not be present. Trenton needs a lesson in this regard, and it is going to get it.

WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From our Issue of March 31st, 1898
Mr. John Brown who will have an auction sale of farm stock and implements on the 6th of April has sold his farm to Mr. Hugill of East York. We are pleased to hear that Mr. Brown, although retiring from farming, will remain as a citizen of this village.

Mr. John Palmer is repairing and improving his farm house by raising the walls and adding another story. This will also necessitate a new roof. L. Innes & Sons are doing the wood work and Mr. John Kelly the brick and mason work. Mr. Thos. Ludford, who has rented Mr. Palmer's farm, will move into the house as soon as it is finished.

About one hundred enthusiasts met in the Lorne Hall on Monday evening for the purpose of re-organizing the lacrosse club for the coming season. From the sentiment of the meeting the prospects of a successful season were never brighter. The following officers were elected: Hon. President, Mr. J. W. Moyes; President, Walter Hulse; Vice-President, Walter Palmer; Secretary, James Wright; Treasurer, E. Mason; Captain, W. E. Wiley; Mascot, W. Douthwaite; Executive Committee, J. Glass, F. Grainger, W. Savage, W. Hall.

Mr. George Smith who was farm foreman for Mr. John Palmer for the past few years, removed yesterday with his family to Headford where he takes a similar position with Mr. John Kelly.

The Village Corporation have scraped the macadem bed this week and filled up the ruts with broken stone. A large amount of mud had accumulated on the centre of Yonge Street.

The Toronto News says that Mr. T. Herbert Lennox of Aurora, is sure of the presidency of the C.L.A. Mr. Lennox is well posted on lacrosse matters, and should make an excellent president.

THIRTY YEARS AGO

From our Issue of March 26th, 1908
Mr. D. Hill has purchased from Mrs. T. Tyrell the residence directly south of the Bakery. Mrs. Tyrell will have a sale of household effects on the 10th of April, after which she purposes removing to the North-West.

Miss Jones of Victoria Square has purchased from Mr. H. A. Nicholls, Real Estate Agent, the Capell property and will take possession about the first of April.

Mr. Fletcher Thompson of Oak Ridges has purchased the Summit House from Mr. Jesse Hudgin, and will take possession in a few weeks. We understand that Mr. Hudgin and family will return to their farm, a short distance south of Bond Lake.

Next Monday, March 30, there will be a Grand Delivery of Machinery of the old reliable Massey-Harris Company, through their agent, Mr. J. H. Prentice at Unionville. A large turnout is expected. Dinner will be provided at the Queen's Hotel. Parties getting machinery are requested to be on hand early on the above date.

On Saturday evening of last week Mr. and Mrs. J. T. Saigeon of Maple celebrated the twenty-fifth anniversary of their marriage. About thirty guests were present and a very pleasant evening was spent. After a bounteous supper was partaken of Mr. L. Richardson was asked to take the chair. Congratulatory speeches were then given by the chairman, Messrs. J. B. McLean, T. F. McMahon, J. G. McDonald and Dr. Logan, to which Mr. and Mrs. Saigeon replied. During the evening instrumental music was given by Mrs. J. B. McLean and Mrs. G. H. Jackson, and vocal selections by Misses Myrtle and Dell Saigeon. The bride and groom of twenty-five years, were the recipients of many beautiful and useful presents in silver.

Mr. Albert Jones moved to Green Valley Farm on Tuesday. It took ten teams to move his household effects.

If you are a golfer, don't overlook your golf vocabulary.

Dear Old Aunt—"Did you have a good time, Gilbert?"

Gilbert—"No. The seventh tee was sloppy and all the greens were in a terrible state."

Dear Old Aunt (shuddering)—"You mustn't lunch there any more, Gilbert. You know how easily you get indigestion."
