Markham Township Reeve Heads Provincial Reforestation Association

Reeve James Rennie of Markham Township was elected president of a province-wide organization to promote reforestation and encourage conservation of our great forest wealth at a meeting of representatives from all sections of Ontario held in Toronto on Monday of this week. The new body was named the Ontario Conservation and Reforestation Association, with the following officers: President, Reeve James Rennie, Markham; Vice-President, W. H. Casselman, Chesterville; Secretary, W. H. Porter, London; Treasurer, W. W. Gardhouse, Weston.

REEVE JAMES RENNIE
Of Markham Township Who Heads Provincial Reforestation Organization.

Chief among the resolutions adopted at the inaugural meeting were recommendations that the Provincial Government be approached to obtain legislation preventing the destruction of tree growth and asking that the cutting of small trees be controlled.

The Government will also be requested to make a survey of all reforestation zones in the Province, with at least one zone being completed in 1938. At present the Province is divided into five zones. Wallace Gallinger, mover of the resolution, stated that information desired from these surveys was the percentage of municipally owned land, the percentage of land suitable for reforestation, and the extent and condition of waterheads. When the survey is completed it is hoped to have a forest map of the Province prepared, showing the location and the extent of areas suitable for reforestation.

is bought by the various counties after the local municipalities choose rural schools. The trees are planted and cared for by the school children as an educational enterprise.

Another Zone 5 representative, H. G. Machead, asked that steps be taken to establish a conservation section in that area. He pointed out that the Nation River, which this year reached its highest level, had been a drawback to conservation.

Delegates from all other zones addressed the gathering and outlined the work done in their districts to encourage reforestation.

This new organization will co-operate with the Game and Fisheries Department and horticultural and other societies interested in soil conservation.

Junior Farmers Drama Festival

The fourth annual Drama Festival of the York County Junior Farmers will be held at Pickering College on Thursday and Friday of next week, April 21st and 22nd and with entries in from six of the eight clubs, the competition promises to be keen.

Each group will present a one-act play, all of which have been selected by the adjudicator, Jas. E. Dean of Toronto, and promise to be exceptionally good. A new venture is the presentation of the same play by two different clubs, on different nights, and it will be particularly interesting for those interested in the drama to compare the interpretation and presentation by these groups.

The management was complimented last year on reducing the intermission to ten minutes, thus speeding up the whole show. This will be done again this year by using a standard set of drapes instead of each group having to provide scenery. The adjudication will of course, be given the second night but arrangements are being made to have Mr. Dean explain to the audience, previous to the opening of the programme, the basis of scoring, to enable the audience to view the show through the judges' glasses, as it were.

Bill Champion of Unionville, Pres. of the York County Junior Farmers, will be chairman and Douglas Gee of Victoria Square will be collecting quarters at the door (no children's rates). As the plays are in competition, the doors will be closed sharp at 8.30 before the curtain rises and absolutely no person will be admitted during a performance.

The Clubs entered and the plays they are presenting are as follows: Thursday, April 21st—Poplar Bank—"Buddy Buys an Orchid" Unionville—"Nellie McNabb" Nobleton—"Jim Barber's Spite Fence" Friday, April 22nd—Belhaven—"The Country Slicker" Stouffville—"Buddy Buys an Orchid" Victoria Square—"Jim Barber's Spite Fence"

The order in which these plays will be presented, has not yet been decided.

VETERAN W. A. EUCHRE
The Vaughan and Richmond Hill Veteran Women's Association will hold their next Euchre in Richvale School on Friday, April 22nd at 1.30 sharp. All welcome. Admission 25c.

Plowing Match Dates Are Set

Simcoe County options 8400 acres for famous event to be held Oct. 11-12-13-14 on Minesing Flats, 12 miles north-west of Barrie, on paved highway No. 26.

The dates for the 26th annual International Plowing Match and Farm Machinery Demonstration, looked upon as one of the most outstanding yearly events in Canadian agriculture, have been set for October 11-12-13-14 by the executive committee of the Ontario Plowmen's Association.

The match this year is scheduled for Simcoe County, the site chosen being Minesing Flats, between the villages of Minesing and Edenvale and 12 miles north-west of Barrie. This location is ideal in the opinion of the committee, as it is of easy access by automobile and on paved highway No. 26 from Barrie to Collingwood.

The local Simcoe County committee has been hard at work under the general supervision of Frank Higginson, chairman of the Agricultural Committee of Simcoe County Council, and J. T. Simpson, county clerk. They have optioned 8400 acres for the event. Last year's match near Fergus drew over 100,000 spectators, with some 65 companies holding machinery demonstrations.

SPORTING NOTES

By Bunny White
The community of Richmond Hill was shocked Tuesday by the death of Oswald (Osie) Stewart, who was injured Sunday morning while riding Walt Young's motorcycle south of Richmond Hill.

The sporting community offers its heartfelt sympathy to Mrs. Stewart and family in the loss of their son and brother.

Osie's death will leave a gap in the sport world of Richmond Hill that will never be filled. He had been connected with sport for a good many years, being goalkeeper for the Juvenile Lacrosse team of 3 years ago and was one of the best hockey goalkeepers ever to play in the Richmond Hill arena. No matter how tough the going was his cheery smile was an inspiration to his team mates always.

When the Great Scorer ends Life's final game He counts not what the score is but how you played the game.
