General News & Views

Happy Easter.

Friday, April 8th was a typical winter day. Strong wind and a heavy fall of snow dispelled visions of an early spring.

You are invited to attend church service on Good Friday.

Ontario Legislature session concluded last Friday and the House of Commons adjourned the same day for the Easter recess.

This man Hitler sure knows how to run an election. Last Sunday's voting was quite decisive.

Words of a man teaching his wife to drive an automobile:

"Now we're all set. Just turn the jigger over and push on the hickey with your left hand and pull down that other jimcrack with your right. Then press down the doodad with your foot and pull the thingmabob at the same time, and when it starts you push on the defunny with your left foot and yank the umpty-diddy back and then let up on the foot dingus, and put your other foot on the hickey-madoodle. Don't forget to push down on the hootnanny every time you move that whatyou-macallit, and you'll be hunky-dorey, see?"

Communities in the Collingwood district are reviving the old game of horseshoes and are planning to organize a league.

The cat is out of the bag with the announcement last week by Premier Heppburn that his Government will introduce a bill at next session for the abolition of County Councils. The announcement is not a surprise to the Reeves who have been members of the County Council during the past few years, as the functions of that body have been gradually curtailed so that to-day their powers are very limited.—Tara Leader.

At a meeting of the Boys' and Girls' Work Committee of the Newmarket Lions Club on Saturday evening, it was decided to sponsor a Boys' Grain Club for farm boys from 12 to 20 years inclusive in York County, north of and including the eastern part of King and the northern part of Whitechurch.

The Fergus News-Record tells of an official of a rural telephone system, who paid a surprise visit to a farm home, and caught the farmer's wife in an embarrassing situation. "Listening In" has its attraction, but it's tiresome standing up at a rural telephone for a long period, and besides, this lady had some work to do at the table. So she drew her table over near the telephone, sat down at her work with the receiver tied to her ear with an arrangement made out of string. She was able to go on with her work and all the while she could pick up the news of the district. But was her face red when the official caught her with this improvised ear attachment.

Road maps tell a motorist everything he wants to know except how to fold them up again.

EASTER

There was one who came to the Garden
At the breaking of the day,
When the soft wind stirred the lily,
And the dew drop gummed the spray.

She stood by the graveside weeping;
She gazed on the darkness space
And turned from the vision of angels
To the risen Saviour's Face.
They wore twain who journeyed at even
And listened with hearts that glowed

To the wondrous talk of the stranger
They met on the village road.
They prayed Him to sojourn with them,
And gathered about the board

To know as the bread was broken,
The presence of Christ, the Lord.
There were those in the upper chamber
With spirits, stricken and sore—
The little band of disciples

Within the guarded door;
And hearts all weary with weeping
Were lightened with joy to greet
The Master standing among them,
The wounds in His Hands and Feet,
Selected—Caltha.

WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From our Issue of April 14th, 1898
Josh endeavored to surprise the natives this week by driving into town with a new milk wagon. The predominant colors are red and green. The whole outfit is showy and attractive, and the best thing about it is that milk remains at the same price.

Many handsome monuments have been erected of late years in the Richmond Hill cemetery, but the best stone there, and in all likelihood the best in West York, is that finished a short time ago over the remains of the late John Hart. The monument is well proportioned and is a credit to the firm which erected it, W. W. Price of Brampton. The stone is a grey granite and was ordered by the executors of the estate.

A meeting of the Agricultural Society was held yesterday afternoon. The prize list as revised by the Executive Committee was adopted with one or two amendments. It was decided to add a lacrosse match to the programme of sports. It was finally decided to run an excursion to the Muskoka Lakes during the month of June. After appointing judges for the various departments and committees of management, the meeting adjourned.

The attendance at the vestry meeting at St. Mary's, in this village was about as usual. The business was all transacted very quietly and satisfactorily. The Rector, who presided, reminded those present that for ten years he had been impressing upon them the desirability, almost the necessity, of such an important place as Richmond Hill being made the centre of a new parish. He hoped it might soon be accomplished, and assured them of his readiness to promote the project by every means in his power.

Many of our citizens and several families in the vicinity contributed liberally on Good Friday with Easter offerings for the little sufferers in the Hospital for Sick Children, Toronto. Besides books, oranges and other things, there were 24 dozen of eggs and over 30 jars and sealers of fruit and jelly.

THIRTY YEARS AGO

From our Issue of April 9th, 1908
Mr. Charles Comisky has moved on to the Eyer farm which he recently purchased and is getting things in "ship shape."

Mr. F. McConaghy is having erected along the east side of his residence a very comfortable looking verandah of the Colonial style. The work is being done by L. Innes & Sons.

The local curlers had a game in the rink Saturday afternoon and Saturday evening, the 4th of April, and the ice was in first-class condition. There is only one reason why our curlers are not found in the rink on the 1st of July—the absence of ice.

The hose-coupling contests by members of the Fire Brigade were completed Monday evening. In the open race Sims and Trench were 1st, Brydon and Dolan 2nd. In the regular contest Wigmore and Wilson were 1st, Brydon and Startup 2nd, and Leece and Graham 3rd.

Mr. Levi Elliott has again engaged with Mr. Fred Clark for the season. Mr. Louis Elliott has engaged with Mr. Henry Bond, Headford.

MARRIAGE

STONG-BALL—On Wednesday, April 8th, at the residence of the bride's mother, Richmond Hill, by the Rev. Walter Amos of Aurora, Mr. Jacob Wesley Stong of Edgeley to Miss Charlotte Ball, eldest daughter of the late James F. Ball of Oak Ridges.

NEW GAME LAWS

A down-east editor has drawn up some new game laws which he is anxious to have adopted. The following is a summary: book agents may be killed from October 1st to September 30th; spring poets from March 1st to June 1st; scandal-mongers from April 1st to February 1st; umbrella borrowers from August 1st to November 1st, while every man who accepts a newspaper for two years, but when the bill is presented says, "I never ordered it," may be killed on sight without reserve or relief from valuation or appraisal laws.
