Jersey Breeders Annual Meeting

With one of the largest turn-out of members in the history of the organization, the York County Jersey Club held their annual meeting in the Board Room of the Dept. of Agriculture at Newmarket on Thursday of last week, April 7th, with President F. W. Tomlinson of Baldwin in the chair. The new arrangement of holding the business session in the morning with the addresses in the afternoon, proved quite satisfactory.

With the minutes and general business disposed of, a proposed new constitution was presented for discussion and later adopted to become effective immediately. The chief change was the reduction of the number of directors and the zoning of the County for representation on the Board.

It was decided to further encourage breeders of Jerseys to enter their herds on Record of Performance test by offering to pay \$5.00 to each paid-up member of the Club qualifying heifers or cows during the coming year under R.O.P. during his first year of R.O.P. testing.

The election of officers and directors resulted as follows: Hon. Pres., Selby Evans, Queensville; President, F. W. Tomlinson, Baldwin; Vice-Pres., W. L. Clark, Unionville; Sec-Treas., Reg. Wood, Aurora; Directors: Fred Andrews, Queensville; J. A. McNeil, Woodbridge; Alex. Doner, Newmarket; L. Peterson, Ballantrae; Reg. Wood, Aurora; J. B. Greig, Aurora.

Following dinner at the King George Hotel, the meeting was resumed when the President called on W. M. Cockburn, Agricultural Representative for York County, to introduce the guest speaker, W. P. Watson of the Ontario Live Stock Branch. The speaker discussed the dairy situation, prefacing his remarks with a short history of dairying. He pointed out the possibi-

ties of markets for the dairy cattle breeder in supplying breeding stock for the Old Country market if they have a clean bill of health, since Great Britain is launching a programme similar to our T.B. Restricted Area plan.

J. Bremner, Sec. of Canadian Jersey Cattle Club, then showed motion pictures in natural colour of "Jerseys from Coast to Coast" and also a film taken on Jersey Island by John Bull of B. H. Bull & Sons, Brampton. The pictures and Mr. Bremner's remarks were very much appreciated.

Mr. E. H. Stoltz, new live stock editor of The Farmer, was present and extended the best wishes of his magazine.

The Directors, following the general meeting, decided to hold a banquet next fall and also decided to continue their special prizes for the School Fairs.

WOODBIDGE

Poll Tax By-Law

The Poll Tax By-law decided upon by the Village council at the April meeting a week ago is undergoing unfavorable criticism by Villagers generally. In fact no one seems to favor it and some suggest that an additional hardship is being saddled on many single men who are unable to procure steady employment, so it does seem a useless effort on the part of the council to endeavour to extract "blood from a stone."

Mr. and Mrs. Stewart Rutherford have taken up residence on their farm in the Palgrave District, Peel county.

Grass Fire Attended by Brigade

The fire department made a hurried run when called to a grass fire on the lot of Mr. J. W. Ellerby who had started the fire before a high gale started which fanned the flames so that he lost control. The fire spread and it was feared that much damage to buildings and fences might result but through the efforts of an army of fire fighters the fire was extinguished. Through the excitement of the fire Mr. Ellerby was overcome and was attended by Dr. Berry and is improving.

Trucks Collide on Highway

When crossing the Woodbridge-Weston Highway from the east side of the farm of Mr. Eber McKay, a mile south of Woodbridge, Kenneth McKay and Walter Milburn were hit by a truck going south and driven by R. F. Reid of Toronto on Wednesday evening of last week. Messrs. McKay and Milburn received injuries that necessitated their removal to the Peel Memorial Hospital, Brampton, where their injuries were cared for by Dr. W. E. Berry. Mr. Reid was uninjured. McKay who spent many years

in South China among the Cantonese. Her address was very interesting and was very much enjoyed by all. A hearty vote of thanks was extended by Miss Doris Soden to those who took part on the program.

A Birthday Tea followed the meeting to celebrate the sixth anniversary of the Circle's organization. The tea table had a pretty centre of spring flowers in a silver basket with pink tapers in silver holders. The birthday cake was also very attractive with its six lighted candles. Mrs. Robt. Pinder, Hon. President of the W.M.S. cut the cake. A very happy and profitable evening was enjoyed by all.

The people of the community were shocked to hear on Monday evening of the death of Mr. Thomas C. Street who passed away after only a couple of days illness, the result of a heart attack.
