RICHMOND HILL FAIR BOARD PLAN FOR GREATEST SHOW IN LONG HISTORY OF ORGANIZATION

Society Offers James McLean Memorial Trophy This Year in Honor of Outstanding Director — Prominent Judges From U.S.A. To Come Here For Dog Show

The most attractive prize list in the long history of the Richmond Hill Agricultural Society has been arranged for the 89th annual Spring Show which will be held Tuesday, May 24th. President Harry Charles and the other officers and directors have been meeting weekly for some time making plans for the big event and their efforts have been meeting with excellent success. Prominent horsemen throughout the district have been consulted and the new prize list has been re-arranged and made as attractive as possible to horse-breeders. The result is that present indications are that the showing of all classes of horses this year will exceed anything in the past history of the Society. Detailed prize lists will be available early next week, and may be had by application to any of the directors or at The Liberal Office.

A valuable trophy has been obtained by the Society to be offered for annual competition for the best team in the Clydesdale or Percheron classes, and will be known as the James McLean Memorial Trophy. The late James McLean who for so many years took an active interest in the Fair was particularly interested in heavy horses and the large silver cup will be a fitting and lasting memorial to this outstanding citizen of the community.

Several of the outstanding jumping horses in Canada have intimated that they will have entries in the hurdle events, which assures the local Fair of establishing this year the record of having one of the best

outside horse shows in Canada.

The Dog Show
This year the Society in co-operation with the York Kennel Club will hold a Point Show in accordance with Canadian Kennel Club Rules. Over four hundred dogs from all parts of Canada and the United States are expected to enter, and some of the finest dogs on this continent will be in competition at Richmond Hill Fair this year. Outstanding judges with international reputations have been secured to officiate in the show ring. Judges engaged for the day are, J. H. Halle of Cleveland, Ohio, who will judge Pointers, Setters and Boston Terriers, Miss E. W. Fischer of Plainfield, New Jersey who will judge Cocker Spaniels, K. M. Bruce of Seneca Falls, N.Y., who will place the English Bulldogs, W. Z. Breed of Cleveland, Ohio who will judge all Toys, and Anton Rost of Brooklyn, N.Y. who will officiate in judging the remaining breeds. The presence of such outstanding judges who have been secured at considerable expense is sufficient to attract the best dogs in the country. The show will open at 10 a.m. in the morning and continue through the day and evening until 10 p.m. in the arena.

Many Attractions
In addition to the Horse Show and Dog Show which will be the major attractions a big sports program is being planned and there will be many outstanding attractions.

The next meeting of the Fair Board will be held in the Municipal Hall next Monday evening.
