MAPLE NEWSY NOTES

A happy evening was spent Saturday at the home of Mr. Hiram Keffer when Mr. Keffer's nieces and nephews gathered to celebrate his 79th birthday. After refreshments a toast was proposed by Mr. W. Hoiles and all joined in wishing Mr. Keffer many happy returns.

Miss M. E. Morrison returned to her home last week after spending the winter months with her sister, Mrs. Howard, at Markdale.

Mr. and Mrs. Frank McDonald and daughters Hazel and Doris of Sutton, Mr. and Mrs. C. Keys and Mr. and Mrs. R. Lundberg of Toronto spent Sunday with Mr. and Mrs. T. H. Keys.

The May meeting of Maple Women's Institute will be held at the home of Mrs. (Dr.) Bigford on Wednesday afternoon, May 11th.

Mr. and Mrs. A. Walker will be at home to their friends on Saturday afternoon, May 7th at the home of their daughter, Mrs. M. Palmer, on the occasion of their 60th wedding anniversary.

We extend congratulations to Mr. A. Forrest who was successful in passing all examinations in first year Theology at the Emmanuel College, Toronto and has received the position of assistant to Rev. Hunnisset of Fred Victor Mission for the summer months.

Mrs. R. Wilson of Toronto entertained at a kitchen snower on Wednesday, April 27 in honour of her sister, Miss Irene Jones, a bride of May 3rd. Thirty-five guests were present and the bride received many beautiful and useful gifts.

Busy Bees Mission Band will meet at the Manse on Saturday afternoon, May 7th.

Mr. and Mrs. Wm. Clarke of North Bay visited Wednesday and Thursday last week with Mrs. W. Ingram.

A quiet but pretty wedding was solemnized at the Lutheran Church Parsonage, Hespeler, when Clara Irene, youngest daughter of Mrs. R. Jones and the late Mr. R. Jones became the bride of Reynold W. Keffer, youngest son of Mr. and Mrs. Jesse Keffer. Rev. Norman Keffer, brother of the groom officiated. The bride was gowned in blue silk crepe with grey accessories and carried a bouquet of sweetheart roses and lily of the valley. After the ceremony the happy couple left on a short trip the bride travelling in grey coat and grey accessories. On their return they will reside in Toronto.

Mr. C. Roberts spent the weekend with Mr. and Mrs. C. Robeson at Newmarket.

The Presbyterian Church Young People's Union held their closing night for the year on Monday evening, April 25th. Forty-five members took part and enjoyed a travelling banquet. Miss Sally McNeil acted as toast mistress. The first course was served at the home of Mrs. S. Jones. A toast to the King was proposed by Sally McNeil. Toast to the Young People's Union was proposed by Henry McDonald and responded to by George Snider. The second and main course was served at the home of Mrs. J. McNeil. The toast to the church was proposed by Mrs. Dorothy Smith and responded

to by Rev. Bowman. The third course, cake and ice cream, was served at the home of Mrs. C. Snider. A toast to the ladies was humorously proposed by Grace Johnson and responded to by Bruce McDonald. Games were played and a very enjoyable evening came to a close by singing "God be with you till we meet again."

Ivan B. Musselman, D.D.G.M. of Toronto Masonic District "D" made his official visit to Palestine Lodge No. 559 in the Masonic Temple on Yonge St. on Wednesday evening, April 27th. The W.M., Joseph Lunenfeld and his officers were complimented on the manner in which the work was performed. At the banquet which followed the toast to the grand lodge was proposed by Irwin Ginsberg and responded to by I. B. Musselman. The toast to the visitors was proposed by A. Singer and responded to by Max Aitken, J. G. Routley, Morley Keyes, George Boyd and Stewart Smellie.

Protest Grist Mill At German Mills

Ex-reeve W. C. Gohn appeared at the regular monthly meeting of the Markham Township council last Monday on behalf of Mr. and Mrs. Good of North York township and several others who signed a petition asking the township council to stop the proposed erection of a grist mill at German Mills on the Markham-North York Townline. Mr. Gohn on behalf of the petitioners pointed out that many fine homes had been erected in the district which had developed into a very desirable residential district, and that the operation of a mill at this point would be very objectionable to those who had made their homes in the locality. Members of council were sympathetic with the request and will confer with the building inspector to see what action can be taken.

Tell Merits of New Culverts
Mr. Ross Black of King township and Mr. Bond of Toronto representing the Canada Creosoting Company explained to council members the merits of the new creosoted culverts which are proving so popular throughout Canada and which have won widespread recognition by road experts and engineers in all parts of the world. It was pointed out that these wooden culverts, processed with creosote have many advantages over the metal pipe which has been in common use for many years. In addition it is understood the price is somewhat lower. It was pointed out this type of culvert has given splendid satisfaction wherever it has been used, and its durability and price saving have made it more and more popular in Ontario. Markham council members appeared very much impressed with the merits of the product and will probably give one a trial in the township at the first opportunity.

Relief accounts passed for the month of March totalled \$1130.61, road foremen's accounts \$5,101.54 and general accounts for the month totalled \$589.70.

Village Streets To be Oiled Soon

Lions Club Get Permission To Hold Street Dance—Citizens Asked To Co-operate in Clean-up Campaign

Richmond Hill streets will be treated to their annual application of oil in the very near future. This was the decision of the municipal council at the regular meeting Monday night when the contract for the road oil was awarded to the Jupp Construction Co. The price is to be eleven and a quarter cents per gallon and something over 7000 gallons will be used. The same quality of oil as used last year has been secured again and just as soon as travelling now in progress on Berson Avenue is completed the work will be proceeded with. This is somewhat earlier than in previous years but it was pointed out the season is quite early and already there have been complaints of the dust nuisance.

Messrs. H. Stanford and W. Scrivener appeared on behalf of St. Mary's Anglican Church and asked that concrete steps be constructed from the roadway at the church entrance. It was pointed out the present wood steps built when Yonge Street was paved are in a poor and dangerous condition. Members of council inspected the steps following the council session and it was agreed to proceed with the work of erecting new steps.

It was decided to give the equipment in the two public play-grounds a coat of paint. It was pointed out that this would not only brighten the appearance but would help preserve the equipment.

Members of council discussed the cleaning up of streets and boulevards so that the town might present a more tidy and inviting appearance. The works department will undertake some clean-up work and the co-operation of householders is asked in cleaning up sidewalks and boulevards.

The Richmond Hill Lions Club was granted permission to hold the annual Street Dance in Richmond Hill this year. Among the projects now under way by the organization is a survey of the need for eye glasses and tonsil operations among needy children of the district and this and other projects of the service club was deemed by council as a most worthy object of public support. The big event will likely be held as usual the third Wednesday in August.

VOLLEYBALL CLUB NEWS

Another enjoyable season of volleyball was brought to a close in the Pickering College gymnasium on Saturday last. Eight teams representing Orillia Y, St. Clair Y, Camp Borden, Pickering College and Richmond Hill took part. Both Richmond Hill teams showed an improvement in play over last year and gave a fine account of themselves. Orillia A team however won the chief honours by winning the tournament championship. After being eliminated by Orillia, both Richmond Hill teams went on to play in the consolation tournament. Duplicating last year's performance Richmond Hill A team won the consolation play and brought back a new volleyball as the prize. It is hoped and expected that this tournament will become a yearly feature. The Richmond Hill teams were composed as follows: A Team—Jim Butler, Ted Bennett, Joe Morris, Bill Pollard, Bob Horwood, A. Teal (captain). B Team—Bill Charles, Jim Ley, Ron Lunau, Mr. Tracy, Bert Wolfrey, Bert Cook (captain).

The local club officially closed its season the evening of April 5. Bert Patten's team won the volleyball cup by eliminating Ted Bennett's team which had held the cup for several years. Competition between the three teams captained by Patten, Bennett and Manley was very keen. When play was completed the players gathered for a light banquet after which plans for next year were discussed. The executive hopes to see all old members back and will welcome new faces next year to share in the fun and sport. A tournament for next fall was proposed in which the winning team would receive a theatre party.

RICHMOND HILL WOMEN'S INSTITUTE

The regular meeting of the Women's Institute will be held in the Municipal Hall on Thursday, May 12, at 3 p.m. All conveners of committees are asked to bring their reports.

Vaughan Relief Recipients Will Receive Warning

Must Conserve Earnings to Prepare For The Next Period of Unemployment

Relief rolls of the township of Vaughan were carefully scrutinized at the regular council meeting last Monday by members of council and the Relief Officer. Indications are that with the return of some seasonal employment many who have been receiving township assistance are becoming self-sustaining and the number on relief was considerably lower than a month ago, and the cost for March this year was \$1,722.70, about \$200 less than in the corresponding month a year ago. While many are finding work Monday's survey showed some able bodied men are still on the rolls and the relief officer was instructed to issue stern warning that they should find work. All those formerly on the relief rolls of the municipality will receive notification from the township that their earnings during the coming summer must be carefully conserved, and their admission to relief rolls next winter will be determined by their earnings in the summer. Notification from the provincial welfare department that all relief grants for the township have been budgeted for has made it imperative that the municipality give the closest scrutiny to the relief rolls. Next winter only those who are so unfortunate as not to have been able to find gainful employment sufficient to provide for the next period of unemployment should it come, will be given municipal relief. As one councillor remarked, "The taxpayers keep people on relief all winter and as soon as they start earning money, out comes the old car and they spend their money with no thought of preparing for the next winter." This is the kind of practice Vaughan council aims to stop, and a most careful check will be made during the coming summer and next fall when relief applications come in again.

Notification was received that the provincial government would pay the usual fifty per cent subsidy on an expenditure of \$16,234.45 by the Township in 1937.

This year the municipality has estimated the year's road expenditure at \$25,000.00, but the province which pays one half of the amount has asked the council to limit expenditure this season to \$20,000.00. Council members have been considering the purchase of a new road grader, but if the province insists on the \$20,000 figure the purchase may be postponed for another year.

While hospitalization costs throughout the county have been mounting at an alarming rate, Vaughan costs for 1938 so far have been some \$315 less than in the same period last year.

W. B. B. Little and W. J. Wylie of Toronto presented the written consent of a number of Vaughan township farm owners to let them hunt groundhogs on their farms with a .22 rifle. As the land owners had consented council saw no objection to giving the necessary permission.

INDUCEMENT TO BUILDERS

At a special meeting of the Municipal Council of Richmond Hill held this morning plans were discussed for the encouraging of building in Richmond Hill. There has been a marked demand for houses here this spring and the council are anxious to encourage the building of new homes here. A resolution was passed this morning extending an exemption from assessment for the first year a new house is built.

LATE WALTER JOHN DUNCAN

The death occurred recently of Walter John Duncan, of Wawota, western Canada, father of Mrs. Aggie Mortonson of Langstaff and Mrs. Jennie Wilson of Wawota. He was born in Scotland in 1867 and for many years had lived in the west, having been a former reeve of the municipality of Walpole and later overseer of the village of Wawota. His wife predeceased him about a year ago.

WARNING RE ASHES

Ashes are being removed from yards this week, but citizens are warned that ashes which contain garbage cannot be taken by the town truck.

Mrs. Millicent Avison and her three little sons have moved into their new home which is almost completed.

POLICE CHIEF OF COUNTY DEMOTED

York county warden and commissioners this week demoted Chief W. E. Martindale to the rank of first class constable.

The decision followed a report from the county police committee that Martindale's conduct following an accident on February 22nd, was unbecoming to a police officer. The former chief will be moved out of the city to Sutton. His pay as first class constable will be retroactive to the date of his suspension.

HORTICULTURAL NOTES

The Village Council, working in co-operation with the Horticultural Society, have recently planted 150 trees, consisting of soft maple, ash, and chestnut. The trees were planted on Hunt St., Benson Ave., Lucas St., Baker Ave. and Richmond St. and some replacements in the municipal park were made of trees that were not growing. The trees were a nice size and should add greatly to the beauty of these streets in a few years. Trees were very kindly donated by Mr. Paul E. Angle.

The Horticultural Society have decided to plant a rock garden in the section of the south boulevard in front of the Anglican Church. It is hoped to start work on this project immediately, and the society will of course be glad to receive membership fees from all those interested in beautifying our village, so that these projects may be amply financed.
