of appreciation to the performers was tendered by the chairman of the gathering, Rev. J. S. Roe.

Woodbridge Board of Trade representatives have advocated to the village council that the village revert to the date set for Civic Holiday previous to last year, the same day as the holiday is observed in Toronto. Last year the council changed the date to coincide with that of the W. Robinson factory pienie. It was felt that the change caused confusion in the village, some observing one day and the remainder the other. After some discussion the councillors agreed that the best interests of the village would be served by having the holiday on the same day
