ANDREW E. SNIDER APPOINTED NEW POST MASTER AT MAPLE

Takes Over The Bailey General Store - Weekly News
Notes From The Maple District

A business change of importance was completed this week when Andrew E. Snider took over the general store business conducted for the past thirty-eight years by the late Henry Bailey. Announcement from Ottawa this week stated that Mr. Snider had been appointed as Postmaster at Maple succeeding Mrs. Bailey who has carried on the duties since the death of her husband. "Andy" Snider as he is popularly known, is a native of Vaughan township and is well and favorably known throughout the entire district. He was born at lot 2, con. 4 Vaughan, the son of the late Mr. and Mrs. Eli Snider and attended Elia Public School and Richmond Hill High School. After graduating from Normal he has taught school for the past six and a half years at S. S. No. 14, Markham.

Mr. and Mrs. Snider and their four-year-old daughter have taken up residence in the village and The Liberal joins with the people of the district in extending to them a warm and cordial welcome with our best wishes for their success and happiness in their undertaking.

Previous to his departure from his duties as teacher at S.S. No. 14, Markham, Mr. Snider was the recipient of several presentations in appreciation of his fine services. The pupils of the school presented him with a beautiful table lamp accompanied by a presentation address expressing regret at his departure but wishing for him and Mrs. Snider the best of success and happiness in their new home.

Anniversary services will be held in St. Andrew's Presbyterian Church on Sunday, Oct. 16. Rev. W. T. McCree, of Glebe Church, Toronto, will speak at both services and music will be supplied by the male choir.

The choir of the United Church supplied music for the Carrville United Church Anniversary on Sunday afternoon.

Twenty-five ladies attended a miscellaneous shower at the home of Mrs. C. Norman on Friday afternoon of last week in honour of Dr. Marguerite Bailey, a bride of October 1st. Beautiful and useful gifts were received by the bride. Afternoon lunch was served by the hostess.

The September meeting of the Lutheran Ladies' Aid was held at the home of Mrs. Huengard on Wednesday, September 28th. The President, Mrs. J. Montgomery, was in the chair. The 95th Psalm was read in unison with prayer by the pastor. Reports of the W.M.S. meeting held at Preston were given by Mrs. L. Keffer, Mrs. J. Montgomery and Rev. and Mrs. Huengard. A vocal duet by Elsie and Edna Keffer was much enjoyed. Supper was served by the committee, table collection amounting to \$16.00.

Mr. Randolph Hoiles returned home on Tuesday after spending several months in the Red Lake district; on Friday evening he returned to Kingston to attend Kingston University and complete his final year.

A quiet wedding was solemnized on Saturday afternoon, October 1st at the home of Mrs. G. Bailey when Dr. Marguerite Bailey, only daughter of Mrs. H. C. and the late Mr. Bailey became the bride of Mr. Harold Carruthers of Hamilton. The bride, given in marriage by her uncle, Mr. Fred Brown, looked lovely in a teal blue dress with gold trimmings and carried talisman roses. Rev. A. M. Partridge of Beaverton officiated. After the reception the happy couple left on a week's honeymoon to McKeesport and Lancaster, Pennsylvania.

The Young People's Guild of the Presbyterian Church held their opening meeting on Sunday afternoon. A paper on Thanksgiving was given by Sally McNeil. The election of officers took place at this meeting and the officers for the following year are: Hon. Pres., Rev. C. H. Bowman; Past Pres., Sally McNeil; Pres., Geo. Snider; 1st Vice-Pres., Audrey McNaughton; 2nd Vice-Pres., Mrs. S. Jones; Secretary, Jean Robinson; Asst. Sec., Dora McDonald; Treas., Cameron McNeil; Worship Convener, Jim McDonald; Service Convener, Mrs. D. Smith; Fellowship Convener, Elsie Jarrett; Pianist, Louise Mathewson. Meeting closed with prayer.

We extend congratulations to Mr. and Mrs. Orland Downey on the birth of a daughter on Monday, October 4th.

The Busy Bees Mission Band held their meeting at the home of Mrs. C. H. Bowman on Saturday afternoon when a bale amounting to \$56 was packed. This bale, the largest packed by the children for several years, included quilts, cot quilts, children's clothing, sewing boxes, scrap books, dolls and dolls' wardrobes, etc. The band is to be congratulated on their very fine work. The next meeting will be held at the home of Jean Ingram on Saturday, October 15th.

Mr. and Mrs. G. Thomas, Mrs. A. McQuarrie and Mrs. W. Orr motored to Sharon on Sunday and attended the 97th anniversary of the Sunday School there.

The Young People's Society of the United Church held their opening meeting on Monday evening in the Sunday School room. After the business and devotional period a social evening was enjoyed.

The October meeting of the Women's Institute will be held on Tuesday, October 11th at the home of Miss Tillie Watson. Members are requested to dress in grandmother's costume. The apron parade planned for this meeting will be held at a

STARLINGS BY THE THOUSAND WORRY COUNCIL

Village Storage Shed With Cost \$206.00
Members Pleased With Sidewalk
Construction This Year—
Will Continue Program
Next Year

How to combat the army of starlings which has besieged the town was one question which baffled the members of the municipal council at the regular monthly meeting Monday night. The use of fire-arms, poison gas and the local fire department were all suggested but when adjournment hour came the members were still trying to find some effective method of dealing with these unwelcome visitors. In certain sections of the town the starlings have settled by the thousands and have created such a nuisance that some definite action may soon have to be taken. The sidewalks in the area concerned are so dirty that they have had to be cleaned. Some-one suggested paying a bounty but it was feared that with the youth of the town after starlings using all kinds of weapons the cure might be worse than the disease. The nuisance has recurred annually at this time of year when great swarms of these birds make a temporary home in the North Yonge Street district, but every year it would seem to be getting worse as the birds come in continually increasing numbers. Councillor Mills suggested a by-law prohibiting starlings nesting in the municipality but the police department feared enforcement of such a by-law might prove too burdensome without substantial additions to the force.

Councillors H. J. Mills and Alex Little were authorized to go ahead with the erection of a metal shed for storage of village tools and equipment. The building will be 18 by 24 feet and will be located at the park just west of the lock-up. The cost will be \$206 in addition to the expense of putting in concrete abutments.

Dr. R. L. Langstaff and two others petitioned the municipal council for the construction of a sidewalk on the east side of Church Street north from Centre Street. The petition which was sufficiently signed was accepted by council but being received so late in the year action was laid over until next spring.

On motion of councillors Little and Nelson a grant of \$5.00 was voted for the King and Vaughan Plowmen's Association.

Members commented favorably on the sidewalks built this year. The reeve and members felt that good results had been obtained and the cost was quite satisfactory and considerably lower than paid in some municipalities. Reeve Greene suggested that the program be continued and that by building a certain amount each year a notable improvement would soon be accomplished. He mentioned Elizabeth Street and Lorne Avenue as two streets which would need attention next year.

This was a former charge and he was accompanied by Mrs. McCrimmon.

FARMERS GET HALF PAY FOR CUT WORM COSTS

Markham Township Council Votes To
Reimburse Farmers For Fifty Per
Cent of Cost of Material Used—
Building By-Law To Be
Strictly Enforced

Farmers who were put to expense in fighting the Army Worm in Markham Township this summer will be recompensed by the township treasury to the extent of one-half of their outlay for material used. This was decided at the regular meeting of the Markham township council held at Unionville Monday afternoon when a motion to this effect by councillors Albert Reesor and Harry Barber was adopted. All accounts to be paid by the Township treasurer must be approved by the District Agricultural Representative. Accounts submitted for payment amount to \$270.95.

It was reported to council that seventeen dog owners in the township had been summoned to court for failure to pay the dog license. All but one settled before court and the one who appeared before the magistrate was let go on suspended sentence with instructions to report to the court when he had secured the proper license.

The building inspector was given strict instructions by the council to enforce the provisions of the township building by-law. Anyone who neglects to comply with the regulations will be given a summons to court.

The report of the building inspector for the month of September showed permits issued in the period for buildings to the value of \$22,820, made up of \$21,700 for residences and \$1120 for other buildings. One resident of the township has already appeared in court for violating the building by-law and he was allowed a period of time by the magistrate to comply with the township regulations.

A grant of \$15.00 was made to the East York Plowmen's Association to assist in the prize list for the annual match.

Vaughan Relief Bill Down \$6500 Compared to 1936

At the regular monthly meeting of Vaughan Township Council held at Vellore Monday clerk and treasurer James M. McDonald gave figures which showed the substantial reduction in relief costs in the township in the past two years. Relief cost figures for the first nine months of this year totalled \$12,301.00. For the same months last year the cost was \$14,274 and in 1936 relief expenditure for the period of January to September amounted to \$18,832.78. A reduction in the cost of nine months relief in 1938 as compared with the year 1936 of \$6,531.78 is an indication of a greatly improved employment situation in the municipality.

COUNCIL DISCUSSES NIGHT PATROL FOR VILLAGE

Recent robberies in the village prompted the suggestion at Monday night's council meeting that probably a night patrol should be engaged for the protection of citizens. However after considerable debate it was felt even a man on duty all night would not be much protection against night thieves as the operators easily could watch his movements and time their activities accordingly. Three places were entered by thieves last week and in one case a substantial amount was stolen, Mr. E. Leno suffering the loss of tools and equipment estimated at \$200.

* PHEASANT SEASON IN * MARKHAM TOWNSHIP *

* Open season for Pheasant * Shooting in Markham Township * will be Thursday and Friday, October 20th and 21st, it was announced at the regular meeting * of the township council on Monday. A limited number of non- * resident licenses will be available and will be on sale after * October 12th. *
