The W. A. of Trinity Anglican Church met in the Lawrence Memorial Hall on Tuesday afternoon, November 15th. Mrs. Colclough presided and introduced the guest speaker, Mrs. Andrew of Toronto, wife of Rev. George Andrew who is a missionary of the China Inland Mission. Mrs. Andrew gave an inspirational message and those who heard her could not help but feel the gratitude that should be felt for the missionaries who have done so much to help China. Even the most glowing tributes to the heroism of those who have stood by the Chinese in this terrible time of tragedy and suffering would fail adequately to describe what the missionaries have done and are doing in order to help the Chinese people. A solo by Mrs. Howard was much enjoyed. Afternoon tea was served at the close and a social half hour spent.

**NEWTONBROOK**

A number of our residents are attending the Royal Winter Fair in Toronto this week.

A Remembrance Day Service was held in the United Church last Sunday morning and was largely attended. Every available seat was taken and chairs had to be brought in from the S.S. room. The service was conducted by the pastor, Rev. A. H. Halbert. Branch 66 Legion attended the service. The president, Mr. R. W. MacIntosh, read the Scripture Lesson, Psalm 46. The choir sang an anthem "The Son of God Goes Forth to War" and Mr. and Mrs. Harry Duggan sang a duet "Be Still and Know".

Rev. H. Egerton Young of God's Lake, Manitoba, gave the message at the evening service and told of his work among the Indians which was most interesting.

We are sorry to hear of the serious illness of Mrs. Frank Summers. The Woman's Association will hold their annual Christmas Bazaar in the United Church S.S. hall on Thursday, December 1st commencing at 2.30 p.m. There will also be a "White Elephant" sale. Afternoon Tea will be served.

The Mission Band met last Saturday afternoon in the S.S. hall for their regular meeting. There was an attendance of twenty-five. An interesting program was presented by the members under the leadership of Miss A. Lever. The president, Jean Stephenson, was in the chair.

A large number from here attended the reception held last Saturday afternoon and evening at the home of Mrs. J. C. Bales for Rev. H. E. and Mrs. Young.

Mrs. W. A. Hanna of Barrie was a guest this week of Mrs. A. H. Halbert.

The Girls' Mission Circle will hold their November meeting next Tuesday evening, November 22nd at 8 o'clock at the Parsonage. All the young ladies of the church are cordially invited. Visitors welcome.

**CAPITOL THEATRE**

"Lord Jeff," dramatic story of the training of boys for Britain's future Merchant Marine, introduces Freddie Bartholomew and Mickey Rooney, companions in "Captains Courageous" and "The Devil is a Sissy," in entertainingly new characterizations at the Capitol Theatre.

Freddie portrays a boy, represented as a scion of nobility by crooks, who finds regeneration and a new destiny when sent to the English training school, part of the Barnardo Homes institution in England. Mickey is a student petty officer, first Freddie's Nemesis, later his friend, Sam Wood, who directed "Navy Blue and Gold," directed the new picture with rare skill.

The desperate fight between the two boys, the great boat race, the mast-climbing contests and other nautical school thrills mingle with human and dramatic touches. Settings are authentic and elaborate.

Players, aside from several hundred boys playing students, include Charles Coburn, Herbert Mundin, Gale Sondergaard, Terry Kilburn, Peter Lawford, Walter Tetley, and others.

**YORK JUDGING TEAM AT THE ROYAL**

In the Inter-County Live Stock Judging Competition held on Nov. 14th at the Royal Winter Fair, there were thirty Counties competing, each with teams of three young men. The coveted Jeffrey Bull Memorial Trophy for the winning County was won by Middlesex with Durham second. The York County team made a most creditable showing by tying with Peterboro for third place, with 85 1/2% of the possible score as compared with the winners 87%.

The York team consisting of Cameron Boake, Downsview, Leonard Wellman of Victoria Square and Donald Pearson of Agincourt was coached by W. M. Cockburn, Agricultural Representative, Newmarket. In the individual standing, with ninety boys competing, Cameron Boake stood 7th and Leonard Wellman 14th, both winning substantial prize money.

**Report on Reforestation**

Toronto, November 10th, 1938.  
To the Council of the Corporation of the County of York, Gentlemen:

The Committee on reforestation begs to report as follows:

1. The members of the Sub-Committee in conjunction with the reforestation committee of the County of Ontario, staged a successful joint Forestry Field Day on August 17th. Over two hundred people attended and they praised the County Councils of the two Counties for the splendid work done in reclaiming waste land and establishing forests. Members of this Council who were in attendance were well repaid for their trouble gaining first hand knowledge of the aims and objects of reforestation.

The Committee in charge were pleased with the results of the Field Day, attended as it was by men prominent in forestry and public affairs who pledged their support to the movement. The wide range of publicity given by the press would create a greater interest in the reforestation scheme. All who participated in the day's proceedings voted it an instructive and enjoyable day.

2. On October 13th, members of the Sub-Committee joined a Conservation and Forestry tour from the south western Counties of the Province at Beeton, lunch being provided there. We inspected the forest scheme belonging to the Town, going on from there to Springwater Park, Midhurst and Hendrie forests, thence to the Angus Seed Extracting Plant, where about two hundred and fifty enjoyed a banquet. Several addresses by prominent public men were given on the subject of reforestation.

The Committee in charge of this tour were pleased with the response of interested people, and we, the members of our Committee attending, commended them for their efforts to create a greater interest in reforestation.

3. In the week commencing on October 17th, there were a series of bush meetings held under the auspices of the Reforestation Committee of the County of York. The speaker, Mr. I. C. Marriott, Ontario Department of Forestry, and Supervisor of Departmental Wood Lots, visited the following High and Continuation Schools: Kleinburg, Aurora, Sutton, Mount Albert, Newmarket, Stouffville.

Instructions were given in all these schools and a practical demonstration in the wood lots, showing how to plant a tree and seeing the results in a growing forest. A commendable method of supplying knowledge of forest conservation and reforestation to the pupils of these schools. About five hundred High and Continuation school pupils attended these meetings.

4. We, the Committee, are of the opinion that legislation should be enacted whereby owners of reforested areas would be given material assistance in the matter of assessment thereby encouraging the people to plant trees on their waste land.

5. We would also petition the Provincial Government to carry on the work of surveys discontinued this year. Information gained from these surveys would enable the various Counties to plant trees where the fountain head of streams exist and also to have control of existing wood lots in these areas.

6. The Chairman and Secretary have been instructed to procure options on land belonging to the Canadian National Railway, being right-of-way of an abandoned railway which crossed the forest at Vivian.

7. This Committee are of the opinion that the County Council should give every possible assistance to the Reforestation Committee in charge of the Forests.

All of which is respectfully submitted.

JAMES RENNIE, Chairman.  
W. H. PUGSLEY, Secretary.

**CARRVILLE**

Prof. Perold will be at the Carrville Y.P.S. on Friday evening at 8 o'clock to speak on the Co-operative. Several other societies have been invited to attend. A full attendance of the Carrville Young People is asked.

Mr. and Mrs. W. Lapp of Woodville visited Mr. and Mrs. C. Clarke on Tuesday.

Mr. Bill Stevens has gone north for the winter.

We are very sorry to report the serious illness of Mrs. Riseborough, Mrs. E. Bone's mother; also the serious illness of Mrs. Frank Summers of Newtonbrook, a farmer resident of Carrville.

An enjoyable evening was spent last Wednesday when the Carrville Oratorical Contest was held. The judges were as follows: Mrs. Hicks, Miss Dorothy Keffer and Mr. Ratcliff. The prizes were won by: Juniors, first, Ruth Durie; second, Mary Read. Intermediate class, first, Beth Barton; second, Francis Perrin; third, Annie Wood. The Senior group tried for the silver cup. It was given to Bonnie Burton who spoke on Hans Anderson. The second, Marjorie Norris; third, Christine Delbrocco. The audience was favoured by a recitation by Mrs. J. Oliver, a solo by Mr. Oliver, and Mr. Ryerson, the Carrville singing teacher, gave a very delightful piano solo. The evening was enjoyed by all.

The reward for not being self-conscious is that you can make a fool of yourself without suffering.

**WOODBIDGE**

The Royal Winter Fair was greeted by the first taste of winter so far, and seems to just fit in at the right time for the Fair could hardly be called a Winter Fair with such autumn weather as the past several weeks.

**Fallen Heroes Remembered on Armistice Day**

School children and many adults of the Woodbridge district assembled in Memorial Park on Remembrance Day when a service was held under the direction of Rev. J. H. Kidd, Scripture reading and prayer by Rev. J. S. Roe and the Remembrance address given by Rev. C. W. Barrett. Wreaths were placed on the Cenotaph by Reeve N. George Wallace from the Ontario Government and Woodbridge Council, N. Clarke Wallace L.O.L., the L.O.B.A., Senior and Junior Women's Institutes, School Children, Great War Veterans and a number of individual wreaths.

There were twenty in the class confirmed by Archbishop Owen on Sunday last at Christ Church. A suitable anthem was rendered by the choir with a solo by Miss Queenie Dumbleton.

**Memorial Window For Banff Church**

Inspired by the beauty of the Canadian Rockies, and the sweet tones of the bells of St. George Church, Banff, Alberta, Miss Jessie Van Brunt of Brooklyn, New York, has presented the church with a memorial window which she designed and made herself. The window embodies the idea of the Church bells as angels or God's messengers sending inspiring invitations to worship. It was placed above the main entrance and is in memory of the late Canon Henry Montgomery, M.A., rector of this church from 1921-24, previously rector of St. Peter's Church, Kingsclear, N.B., and Canon of Christ Church Cathedral in the diocese of Fredericton, N.B., also rector of St. Barnabas Church, Calgary. He served in the C.E.F. from 1916-18, being chaplain of No. 14 Canadian Hospital at Eastbourne, England. He died at 75 on July 9, 1929.

Rt. Rev. L. Ralph Sherman, M.A.B. Litt., D.D., Bishop of Calgary, recently dedicated the window. The bells which inspired Miss Van Brunt were donated by Hon. Robert Brett, Lieutenant-Governor of Alberta in 1925, later being dedicated by Rt. Rev. Cyprian Pinkham, D.D., D.C.L., late Bishop of Calgary, in 1927. Rev. Canon Tully Montgomery is the present rector.
