ST. MARY'S A.Y.P.A.

The A.Y.P.A. had an exceptionally fine meeting last Tuesday when its members heard Mr. Hodgetts of Pickering College tell of his experience with a group of Canadian boys at the Olympic Games in Germany in 1936, when the boys from Canada showed the representatives from the Dictatorship what we mean by freedom. He also gave an illuminating review of Germany's economic situation which is based on such tottering superstructures that it may lead to either collapse or to a war of expansion.

HENS STARVED IN STOLEN CAR LEFT IN GULLY

A stolen car, loaded with burlap bags of starving chickens and roosters, was found wrecked at the bottom of a deep gully on the Eighth concession, Vaughan township, by Township Constable Sam Ireland this week.

Fifty chickens and roosters were in the bags. Seven were dead and the others were dying from starvation, leading police to believe the car has been in the gully for some time.

A considerable amount of chicken thieving has occurred in the rural areas during the past month and it is thought these hens may be the property of some Vaughan or King township farmer. A check of the surrounding farms is being made by Constable Ireland.

The car was reported stolen from York township some weeks ago.

Since that section of the township concession is far from any of the main thoroughfares, police are of the opinion that the car thief may have purposely ditched the automobile to elude pursuit.
