KLEINBURG UNITED W.A.

STAGES SPECIAL EVENTS

A special church service and a fowl supper and entertainment were staged by the Kleinburg United Church W.A. during the past week. On Sunday evening the special service was held in the church with Mrs. Duncan McLeod, who spent 30 years as a missionary in Formosa, as guest speaker. She was assisted in conducting the service by Mrs. C. Bailey. Music for the occasion was rendered by the church choir assisted by a quartette from Maple, composed of Mrs. Jackson, Mrs. Frank Rumble, Mr. Eldon Wade and Mr. B. Oliver. Accompanist for the quartette was Mrs. Eldon Wade. Approximately three hundred persons enjoyed the fowl supper on Wednesday evening. The entertainment which followed the supper was presented by a group of artists including Miss Janey Nattress, vocalist; Miss Janey Bartholomew, elocutionist; the Wallace boys, instrumentalists and singers, and the Coral Islanders. The Rev. C. Bailey acted as chairman for the event.

It pays to advertise in The Liberal.

WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From our Issue of Dec. 15th, 1898
The first game of curling was played in the rink on Tuesday. Rink will be open to skaters on Saturday evening of this week.

A new roof of tar and other ingredients has been put on the Palmer House. Fortunately the men got through previous to the cold snap. The thermometer registered 13 degrees below zero Tuesday morning at the post office. We believe this is a record-breaker for the 13th of December.

The farm of the late Robt. Marsh, offered for sale by public auction at the Palmer House on Saturday by Messrs. Eckardt and Prentice, did not reach the reserve bid, and consequently did not change hands. The highest bid, \$10,150, was made by Mr. D. Boyle of this Village.

We notice that our post office is furnished with a very pretty new set of scales from the Post Office Department at Ottawa. The old scales which were the Postmaster's private property and used by him since his appointment to office, 48 years ago, are no longer to be used for post office purposes. Mr. Teffy should place them among his other ancient relics.

Municipal Elections

There has been little stir in Richmond Hill so far as to the coming municipal elections. In all probability all the members of the present council will stand for another year.

In Markham township most of the present council will run again, but it is said that Mr. D. C. Steele desires to drop out.

In Vaughan all the old members are expected to offer themselves again and several other councillors are spoken of as likely candidates.

In Richmond Centre, composed of Vaughan township and the villages of Richmond Hill and Woodbridge, the only men heard of yet are the present members, Messrs. W. H. Pugsley and G. W. High, but others may be brought into the field on the day of nomination.

In Markham division, composed of Markham township and Markham village, there is sure to be a contest. Besides the two present members, Messrs. Hall and Reesor, the Markham Economist says that Jonathan Slater and Wm. Milliken are mentioned as probable candidates as the west part of the division feel they are entitled to one member.

In King the present members, Messrs. J. C. Stokes and R. Norman may be opposed by R. McCutcheon and Archie McCallum.

THIRTY YEARS AGO

From our Issue of Dec. 10th, 1908
At a meeting of the Presbyterian congregations of Richmond Hill and Thornhill Tuesday evening a "call" was extended to Rev. E. C. Currie of Sarnia, as successor to the late Rev. J. A. Grant.

Markham Village ratepayers will vote on a by-law to provide that the annual assessment of lands and other property for a factory for the manufacture of yarns, woollen goods, etc., be placed at not more than \$1,000 per year, for a period of ten years.

A meeting was held last Friday evening to organize the Hockey Club for the season 1908 and 1909. A goodly number of supporters was in attendance. It was decided to attempt to organize a league consisting of the following teams: Aurora, Richmond Hill, Thornhill and the Anglo-American Fire Insurance Company's team. The following officers were elected: Hon. Pres., J. H. Sanderson; President, George Sims; Vice-President, F. W. Hall; 2nd Vice-President, N. J. Glass; Secretary-Treasurer, C. E. Hall; Captain, C. Glover; Managing Committee, R. Palmer, A. Savage, F. Boyle.

When Mr. George Metcalf went down into the basement of the Methodist church Sunday evening after service he observed sparks dropping from the chimney pit. He at once called Mr. J. H. Sanderson and they then learned that a fire had been in progress for some time. In extinguishing the fire Mr. Sanderson had his face considerably scorched. Fortunately the building was saved but for a time it looked dangerous enough.

Europe has no monopoly of dictators. Give any person power, with nothing to fear and no one to hold him responsible, and he will abuse underlings.

General News & Views

You can no longer shop early, but anyway shop as early as possible.

What Canada needs is a good old fashioned winter.

The final and statutory meetings of all municipal councils throughout Ontario were held to-day.

"Mitch" Hepburn seems determined to give George Drew a good start as the new Conservative leader in Ontario.

Better be careful Mr. Hepburn. You can't "spot" a fellow of the calibre of George Drew too many and hope to win. He like yourself "has something on the ball".

I. D. Ramer & Son, Richmond Hill blue coal dealers have erected an attractive sign on Yonge Street at Centre Street.

Uxbridge Christmas market will be held Thursday, December 15th. Stouffville Christmas market day is December 20th.

The vote for deputy-reeve in Ward 2, North York was Hurlbut 1281, Iris 553. Geo. H. Mitchell defeated R. Phillips in Ward 3, 1129 to 749.

Electors of North York Township voted with a large majority for a dental service in the schools. The vote was 1256 in favor and 365 opposed.

The annual banquet of the King United Farmers Club was held in McDonald and Wells' hall, King Wednesday evening. The speaker was A. B. Hodgetts of Pickering College.

According to reports from Whitechurch Twp. there is a possibility of a municipal election there this year. The name of Dan Hall is mentioned as a possible council candidate, and the Reeve and deputy-reeve may have opposition.

Stouffville, Markham, Aurora and East York will play in a Junior O.H.A. group this winter. Newmarket has an intermediate O.H.A. team and is grouped with Orillia, Sutton and Gravenhurst. Prospects for hockey in Richmond Hill look pretty slim.

If you haven't already done so, send your donation now to the Richmond Hill Community Christmas Basket fund. The motto of the committee of citizens is "a basket for every needy family". When planning your own bountiful Christmas think of those to whom the prospect of Christmas eve is not so bright.

A woman recently attempted to evade the Irish customs on her new ermine coat, bought at a bargain price in London, by wearing it past the customs barrier. An official suspected the trick and asking the woman for her coat, went away to have it tested for newness.

When he returned, the downcast guilty one, bag open, asked how much she would have to pay. "Nothing," said the official cheerfully. "There's no duty on rabbit."

Instead of being the "day of rest and gladness," pictured by the hymn writer, Sunday is becoming more "a day of rush and madness"—and too often, sadness, says The Owen Sound Sun-Times. It quotes an American insurance company as saying: "More automobile accidents, resulting in both dead and injuries, happen on Sunday than any other day, in spite of the fact that upon the Sabbath there is less traffic congestion in towns and cities and fewer pedestrians abroad than on any other day of the week."—Listowel Banner.

The vote piled up by Burnell Graham as a candidate for King Township council was a notable feature of the municipal election in that municipality. A successful Schomberg business man, operator of a planing mill, Mr. Graham is said to have a thorough knowledge of many of the township's baffling problems. He enters his public career enjoying the confidence of the electors to a degree not given to many who first aspire to municipal life. We wish him well.

Imagination is the quality that makes a woman feel dressed up in a hat that she would have hooted at last year.

North York Plowmen Hold Annual Meeting

One of the best years on record was the report made by officers of North York Plowing Association when they held their annual meeting at the home of Mr. Russel Gray, in Whitechurch, last week. Mr. Gray, who is president of the Association, was re-elected for another year.

Secretary R. E. Ratcliff and Treasurer Win Timbers each reported on the progress of the match held October 20. The day was the worst and only had one during the fall season, but despite this handicap, the entry list was larger than the year before. The treasurer presented his report which had been audited showing that cash of nearly \$200 and goods of a still larger amount had been paid out for the match. A small but snug balance is left in the bank.

The match for 1939 may be held in the Aurora district as an invitation was received to hold it on the farm of Mr. Walter Wood. Five years ago the second largest match in the history of the association was held on this farm.

Officers were all re-elected for the next year, while every reeve and deputy-reeve from Whitechurch north to Lake Simcoe was added to the Board of Directors.

Presbyterian Men's Association

Just how interesting and practical the study of science can be, was demonstrated by Professor J. O. Wilhelm of the Physics Department of the University of Toronto, at the "open night" gathering of the Woodbridge Presbyterian Men's Association on Tuesday. Prof. Wilhelm kept his audience in rapt attention for fully an hour as he explained in an interesting and often humorous way the properties of liquid air, performing various experiments as he went along. Many ladies of the congregation were present as guests of the association. The musical part of the program was presented by two young men from Toronto, Mr. John Kerr sang several solos, accompanied at the piano by Mr. Russell Collier who also played for the community singing. Mr. John Gillan, the President, presided, while Rev. J. S. Roe introduced those taking part on the program.

The Men's Association have plans almost completed for their January gathering which is to take place near the anniversary date of birth of Robert Burns, and an outstanding speaker will deliver the address on the Scottish poet.

The officers of the association for the year were elected recently, as follows: President, John Gillan; Vice-Presidents, Gilbert Wallis, Murray Coles; Secretary, Bob Mitchell; Treasurer, David Wilds; Committee, Roy Byers, George White and Charlie Agnew.

The vote received by Mr. Burnell Graham in King on Monday is said to be by far the largest vote ever received in King by a candidate for council.

MISSIONARY SOCIETY ELECTS 1939 OFFICERS

Officers for the 1939 season were elected at the regular meeting of the Woodbridge Presbyterian Church Women's Missionary Society in the Sunday School room Wednesday afternoon. Those chosen were: President, Mrs. W. Wallis; 1st Vice-President, Mrs. J. E. Harris; 2nd Vice-President, Mrs. White Sr.; 3rd Vice-President, Mrs. William Mitchell; Secretary, Mrs. Byers; Treasurer, Mrs. J. Brown; Library secretary, Mrs. Armstrong; Press secretary, Mrs. H. Lovett; Pianist, Mrs. G. Farr; Asst. Pianist, Mrs. J. S. Roe; Refreshment committee, Mrs. G. Huggill, Mrs. J. Fleming.

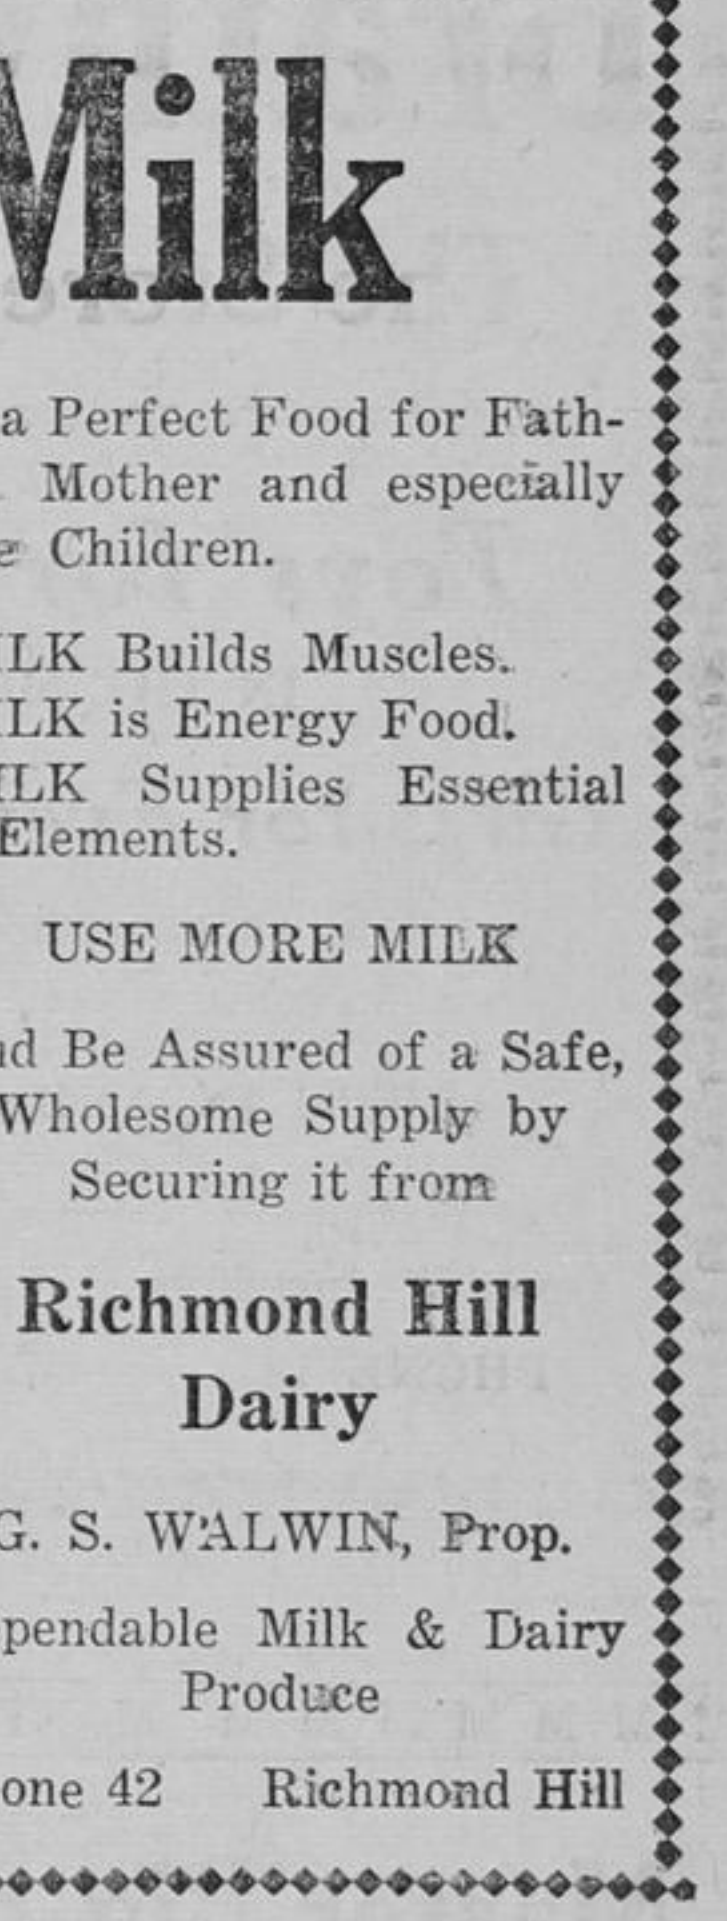

The meeting was most interesting, being the session closing the group's activities for the year. A solo by Mrs. H. Lovett was one of the programme's features.

MERELY A SCRIBBLER

Alfred, Lord Tennyson, poet laureate of England, was travelling in Scotland, and stopped overnight near Stirling. After he had departed a friend of the innkeeper said to him: "Do ye ken who ye had wi' you the other night?" "Nae, but he were a pleasant man."

"It was Tennyson, the poet."
"An' wha may he be?"
"Oh, a writer of verses, sich as ye see i' the papers."
"Hoot! To think o' that! Jeest a public writer and I gied him ma best bedroom!"

President Roosevelt's agricultural experts have "stream-lined" the turkey, and the juicy bird now has shorter legs, broader back, and a plumper body. We know some folks in our town who answer to that description but we should never have thought of calling them "stream-lined." It's rather encouraging.
