SCHOMBERG

The Red Deer Hunt Club, which is composed of hunters from Lloyd-town and vicinity, held a fowl supper and dance in the Town Hall here on December 9th. Those who hunted with this club in the past accompanied by their wives enjoyed the fine banquet. Afterwards a dance and euchre was held, many of the hunters' friends joining in the evening.

This Club holds a record, for this district at least. The past season marks the 27th consecutive year that the club has spent the hunting season at their camp just south of Byng Inlet. One of the original members who went north on the first trip was present at the banquet. James McEwen had this honor. He also tied with Hylson Brydon for the greatest number of seasons' attendance, they both having been at camp 26 times. Many tales of the hunting camp were heard and all present voted the evening a very enjoyable one.
