WOODBRIDGE

Five Hundred Gather at Christmas Tree

At least 500 school children, their parents and friends from schools in outlying districts assembled in Woodbridge on Saturday afternoon at the public Christmas Tree entertainment sponsored by the Board of Trade which included the business men of the Village. A great Christmas tree brilliantly lighted with a variety of colored lights and heavily loaded with gifts had jolly fat Santa Claus as distributor. There was carol singing by the children and with colored street lights a real Christmas spirit prevailed. Much of the day's success is due Mr. H. N. Smith who planned the event.

The Sunday Schools in all the churches have been well treated by Santa Claus who loaded Christmas trees with gifts to the points of groaning.

A Boys' Appeal to Santa Claus. Dear Santa Claus bring me some toys, Same's you bring to other boys,
A knife, skates and a top,
A gun that's always sure to pop,
A chu chu train that runs,
Jest the same's great big uns;
And now dear Santy I wish that you Will bring nice things to sister too.

KLEINBURG

Miss Marie Shaw, missionary convenor, headed the committee in charge of the programme when the Kleinburg Young People's Society met last week. Speaking during the meeting Miss Shaw briefly surveyed three spheres of the missionary field, the different divisions being entitled "Why our missionaries stay in China"; "Why we are returning to Africa"; and "The Christ of the African road". A poem read by Miss Anna Kaiser, "Trails of the North"; a vocal duet rendered by Miss Shaw and Miss Alma Kerr, and a missionary contest completed the program. Chairman of the gathering was the Rev. J. C. Bailey, who also conducted devotional periods. The group meet again during the latter part of next week for a special social evening.

Just Suppose that He's YOUR BOY!

AND, while we're still in a fanciful mood, let's suppose he has suddenly become seriously ill—

Then, imagine yourself to be in financial difficulties—your income, never more than \$900.00 a year, has ceased altogether because the factory has shut down temporarily.

You think your little boy may be dying—the doctor orders you to rush with him to the Hospital for Sick Children — you learn it's Pneumonia of the most serious type — that serums alone will cost over \$400.00, to say nothing of the special graduate nursing and expert medical attention required, nor of the cost of hospitalization itself.

Could you be turned away because of this? There is only one answer to this question. It has been the answer of the Hospital for Sick Children for 63 years—a youngster's real need for hospital care and medical attention is the only ticket of admission required. Race, creed or financial circumstances are not considered. We know the people of Ontario want it that way.

This Hospital has met every emergency which has developed during the 63 years of its existence. It is

famous throughout the civilized world for the success and efficiency of its medical and nursing staffs and for the low cost at which it is operated.

And who pays for this humanitarian work? The doctors give their time absolutely free. The Ontario Government pays 60c per patient per day and the patient or the patient's municipality pays \$1.75 on the same basis. That leaves over \$1.00 per patient per day of bare cost for which we must appeal annually to humane and generous citizens. This Hospital does NOT share in the funds collected by the Federation for Community Service because patients are admitted from all over Ontario.

This year, over \$83,000.00 is needed. That means over ten thousand donations if they were to average \$8.00 each—or over twenty thousand averaging \$4.00. Certainly, a staggering total! So, please make your gift as large as you possibly can. If you cannot afford more—remember that even a dollar bill helps pay for the care of somebody's baby.

Kindly mail your donation to the Appeal Secretary, 67 College Street, Toronto. We cannot afford to use any of our much-needed revenue for canvassers or other organized effort to collect money.
