### VICTORIA SQUARE NEWSY NOTES

And still all roads lead to Victoria Square Community Hall and the basement of the church where classes in Agriculture and Home Economics are being held. And is the enthusiasm of the members keen! Especially was this evident when early Tuesday morning two large busses called at the Hall and stopped at every thumb signal down the fourth to pick up those desiring to visit the following interesting places in Toronto. The lusty singing in the both coaches proved to Mr. Cockburn and his assistants that their classes looked forward to a great day and were in a very happy frame of mind. The boys visited the Goodyear Rubber Co., Stockyards, Canada Packers and the Parliament Buildings. The girls visited the Parliament Buildings, too, and Eaton's factory, Loblaw's and the New Method Laundry.

Not only did our classes visit these places but similar classes in three other counties made the same trip and when the boys and girls met an ambitious cameraman wanted the picture of the best looking man. After a very careful survey of the exceptionally good looking boys' groups Mr. Fred Tubeck was chosen as the handsomest looking young man in the four counties represented. Are we stuck up? Congratulations Fred! Everybody had a good time which was very gratifying to Mr. Cockburn.

Mr. F. W. Willows, B.S.A., assistant instructor of the class, was unable to accompany the bunch owing to a very bad cold, much to his regret and to the regret of the boys. We are glad that he is now able to resume his work.

The Woman's Association are holding their monthly supper on Monday evening, January 23rd. Supper will be served from 6 to 8 after which a congregational meeting will be held. Everybody urged to be present.

Quite a number of friends and the immediate family of Mrs. Grace Boynton called last Thursday afternoon, January 12th to wish her many happy returns of the day. It was Mrs. Boynton's eighty-fifth birthday. Her Sunday School class of which she has been a faithful member until just recently presented her with a beautiful cyclamen plant and a pretty bed jacket. Mr. L. L. Nichols, her S.S. teacher, and Mrs. Nichols, Mr. and Mrs. Rolph Boynton, Mrs. Lizzie Boynton, Miss Bonnie Robertson and Miss Annie Avison were privileged to be her guests at tea.

During the evening Mr. R. E. Perkins called to extend his good wishes and consented, at Mrs. Boynton's request, to play on the piano some of her favourite hymns which she enjoyed very much. In spite of Mrs. Boynton's advanced age she has comparatively good health and enjoys doing certain tasks about the house which she has set herself. Her many friends wish for her many more such celebrations.

On Wednesday evening Mr. George Frisby, an elderly and life-long resident of Victoria Square, passed away peacefully at the residence of his nephew, Mr. Alvin Frisby. Mr. Frisby has been ill for some time and his death comes as a happy release for him although he will be missed by his friends. The funeral will take place on Saturday afternoon at 2.30. Mission Band will be held on Saturday afternoon at 2.30 in the Sunday School room. Members' fees will be gratefully accepted. New members heartily welcomed.

The "Goforth" Mission Circle will be held on Saturday evening, January 21, at 8 o'clock at the home of Miss Jean Macdonald. Miss Annie Avison is the new president and will welcome new members most cordially. John and Ike Williamson have returned to Pickering College after a three weeks' vacation at home. Misses Marion and Grace Boynton took tea on Sunday afternoon with their friend, Miss Carol Sanderson, at her grandmother's, Mrs. Thomas Frisby.

Miss Bertie Forster was a Sunday guest of Miss Bonnie Robertson. The following is the executive of the Y.P.U. for the year 1939: Hon. Pres., Rev. J. A. Macdonald; President, Miss Bessie Valliere; 1st Vice-President, Mr. Fraser Gee; Secretary, Miss Marion Boynton; Treasurer, Mr. Harold Klinck; Convenors, Christian Fellowship, Miss Margaret Avison; Christian Mission, Miss Doris Knapp; Christian Citizenship, Miss Viola Avison; Christian Culture, Miss Mabel Caseley; Recreation, Mr. Harold Wellman; Leadership Training, Mr. Boyd Mount; Girls' Work, Miss Bessie Valliere; Boys' Work, Mr. Fraser Gee; Missionary Treasurer, Miss Marion Boynton; Pianist, Mr. Boyd Mount; Asst. Pianists, Miss Jean Macdonald and Mr. Harold Wellman; Song Leaders, Mr. Walter Smith, Mr. Harold Henrick, Miss Margaret Avison; Ushers, Andy Forson and Leslie Hart; Auditors, Mr. Gordon Mortonson and Miss Eloise Perkins; Jubilation Convenor, Miss Beatrice Frisby.

The W.A. held its monthly meeting in the Sunday School room on Wednesday evening with Mrs. Meek, the group convenor, in the chair. Mrs. Meek and her group prepared a splendid program but in a couple of instances met with last minute disappointments. But, in spite of this, the meeting was interesting and after Mrs. Caseley, the president, had disposed of the various items of business the meeting closed. The group then served a dainty lunch and a pleasant social half hour was enjoyed. Mrs. Meek's efforts and that of her group to make the meeting worth while, were appreciated.

We are pleased to learn that Mr. Lorne Mortonson, who has been ill with pneumonia, has now returned to his school in Tyrone.

Lions Carnival January 26th.

Richmond Hill's Ford V-8 Juveniles played the first game of the season at the local rink Tuesday evening and suffered an 8-2 defeat at the hands of Stouffville. They play the return game in Stouffville next Tuesday night and the local management is hopeful that with a few good practices the Richmond Hill boys will be able to turn the tables and come out victorious.

The schedule for the series is as follows:

### Attendance At Short Courses Is Increasing

The one month Short Courses at Victoria Square are now on their third week and their popularity continues to grow as shown by the increase in attendance. The Home Economics classes opened on January 3rd with 20 members and at the end of the second week, had an enrollment of 35 and an average attendance of 26. The Agricultural class opened with 37 the first week and now has 54 paid-up members. In spite of the fact that this includes a number of older farmers who cannot be out every day, the average attendance last week was 42.

On Tuesday of this week, the classes chartered two buses for a day's visit to places of interest in Toronto, including a rubber manufacturing plant, the stock yards, a packing plant, a grocer's wholesale, an up-to-date laundry, a mail order factory and the Parliament Buildings. Hon. P. M. Devan met the group along with similar groups from Wentworth, Halton and Peel Counties and addressed the young folks in the Legislative Chamber.

Each Friday, the classes have put on a one-hour literary meeting, bringing out some splendid talent. On Friday night last, a social evening was staged when progressive euchre and crokinole was featured with a miniature hockey match for some not playing the other games. Members of the class made up an orchestra for an hour's dance after lunch had been served.

The officers elected by the classes are:

Home Economics—President, Helen Evans, White Rose; Secretary, Viola Avison, Victoria Square.

Agriculture—President, Earl Empingham; Vice-Pres., Fred LeBeck; Secretary, Mel. Wellman, all of Victoria Square.

### BIG BONSPIEL HERE MONDAY

The stage is all set for Richmond Hill's big curling bonspiel which will be held next Monday, January 23rd. Twenty-eight rinks are expected to take part representing all the district clubs as well as some from Barrie, Fergus, Orangeville, Georgetown and other centres. Play will commence at 9 a.m. and the large arena will be used as well as the regular curling rink. President A. A. Eden, Vice-President E. ### YORK COUNTY HOLSTEIN CLUB MEETS JAN. 24th

The annual meeting of the York County Holstein Club which is being held at Richmond Hill on Tuesday, January 24th, promises to be one of the most outstanding events sponsored by this organization. Last year the directors engaged the Masonic Hall to provide more accommodation and the meeting being held this year, gives promise of filling that to the doors.

Holstein Breeders are being asked to turn out at 10.30 in the morning for the business proceedings of the annual meeting so as to leave the full afternoon for the address and discussion. It was felt by the Board that the breeders would appreciate this change as both the business session and the lecture period have been crowded for time. The York County Club this year has the largest membership in the Province, exceeding Oxford Club by one, and it also has the largest membership in its history.

So aroused are farmers over the toll being taken by Bang's Disease in this Province, that the directors have secured the services of Dr. P. A. McIntosh of the Ontario Veterinary College, Guelph, as guest speaker, and all cattle owners, irrespective of breed, as well as the practicing Veterinarians, are cordially invited to attend this lecture at 2 p.m. Discussion will be led by R. M. Holtby and Byron Jenvey, Fieldmen for the Canadian Holstein Breeders' Association.

According to the notices sent out by Secretary Frank Ramsay of Sharon, arrangements have been made by Pres. S. B. Watson of Agincourt for a good dinner at a very special price.

### ORANGE EUCHRE

The next Euchre in the series will be held Thursday evening of next week, January 26th, in the Lodge Room. Good prizes each evening and grand prizes for the series.

### CURLING NOTES

Richmond Hill Wins District Honors

Richmond Hill curlers annexed district honors by defeating Orangeville and Brampton in the Ontario District Cup games played at the High Park Club Wednesday morning and afternoon. This is the first time in many years that the local club has won the district honors. The rinks now proceed into the provincial play-downs and will play in Galt probably some time next week.

The Richmond Hill rinks were George Agar, Elmore Harding, E. Morris, J. C. Young skip; Duncan Chamney, A. A. Eden, E. A. Bonnick, J. E. Smith skip.

In the morning the locals played against Orangeville and won by a score of 41 to 26. The score was Skip J. C. Young 18, Skip Campbell of Orangeville 13; Skip J. E. Smith 23, Skip McKittrick of Orangeville 13.

After defeating Orangeville the winners were drawn against Brampton and the final score was Richmond Hill 35, Brampton 27. The rink scores were: skip J. C. Young 16, skip W. Young, Brampton, 14; skip J. E. Smith 19, skip W. Wilson, Brampton, 13.

In the final game skip Jim Young of Richmond Hill was playing against his brother who was piloting one of the Brampton rinks. It was a hard fought game throughout the whole sixteen ends, the two brothers going into the last end a tie. In the final end Jim scored two to win the game.

There is a fine sheet of ice at the local rink and never in many years has there been the enthusiasm evident in the club this year. All curlers and any interested in taking up this great winter game are invited to visit the rink any afternoon or evening. An interesting club competition has been started.

Richmond Hill rinks were defeated by Orangeville in the first round of play for the Ontario Tankard at Toronto Tuesday morning. The local rinks were Len Harding, Jesse Dewsbury, J. A. Monkman, F. S. Tyndall skip; Frank Dolan, R. Paris, R. Moodie, W. Riddell skip.
