RICHMOND HILL JUVENILES WIN AT STOUFFVILLE

Play Aurora Here Friday Night
Fresh from a 5-2 victory over the fast Stouffville crew, Richmond Hill V8 juveniles meet Aurora in a schedule game here Friday night and the fixture is sure to draw a good crowd and a thrilling game is assured the fans.

Tuesday night the local lads hit their stride to win from Stouffville by a 5-2 score and they displayed a brand of hockey believed by their supporters to be good enough to win for them group honors. Norm Taylor opened the scoring for the locals after ten minutes of play with Joe Morris getting the assist. Five minutes later "Willie" Beresford drove another counter into the nets, Joe Morris again being on the assisting end. This goal came when Elgin Barrow was cooling his heels in the penalty box. Stouffville tried hard to make the score board but the smart goal-tending of Frank Carr discouraged their efforts and the first period ended 2-0 in favor of Richmond Hill.

The second period opened fast and after two minutes of play "Willie" Beresford on a solo rush scored for the Hill. Checking became a little heavier in this period and Ron Lunau was sent off with a Stouffville lad for roughing it up a bit. The Hill back checking was very effective and the local defence turned in an excellent performance. As a result the period ended 3-0 for Richmond Hill.

The final stanza was hard fought from the opening bell to the last second. After three minutes of play J. Brockbank scored, Norm Taylor getting the assist. Two minutes later Stouffville came back with their first goal of the night and seven minutes later made their total two. Three minutes before the end of the game Brockbank again scored for the Hill with Beresford getting the assist, and the game ended 5-2 for the V8's.

A large crowd witnessed the game and it was generally agreed that every member of the local team turned in a fine game. We hope there will be a large crowd of fans on hand for the home game here Friday night with the fast travelling Aurora youngsters. The play will start at 8.30 but the main attraction will have as a preliminary a Town Midget game which in itself will be worth the price of admission. Turn out Friday night and support the local youngsters.

DANCE AT VELLORE FRIDAY NIGHT

The dance and euchre under the auspices of Vellore Old Boys will be held in the Memorial Hall Friday evening, January 27th.

received kindly recognition, she being presented with a Morocco leather hand bag the gift of several members of the society.

The secretary, too, received from the Toronto Horticultural Society "a diploma of merit" through Mr. L. Godson, president of Toronto Horticultural Society and district director for York County.

In closing the report the secretary remarks that the society has had a busy year with always something to plan for and do, the convention, the National Flower Show, our own three shows, the park seats, constant work in season with premiums, the sprayer and on the park and boulevard, lastly the bridge party. We have on hand a good financial balance but certainly with next year's developments this will be greatly reduced. Our membership declined considerably for individual solicitation seems necessary to keep up our numbers. This is deplorable but calls on the directorate for greater effort in this regard. We still hope for larger interest that will increase attendance at our regular meetings.

We enter the new year with confidence and I hope with enthusiasm as this year is the 25th year of our organization. Perhaps we might celebrate our silver jubilee by making 't the banner year of the society.

MARY HUME,
Secretary.
