The much enjoyed programme was mostly given by home talent. The ten piece orchestra led by the choir leader, Mr. T. A. Keffler, was certainly a grand and pleasant surprise to all. The children very ably entertained in song and recitation as did the other young people. Jimmy Dunn of Toronto, Comedian, gave his numbers amid much applause as did the elocutionist, Mrs. Royle. Mr. and Mrs. Reid, Mrs. Percy and Mrs. Pixton, all talented musicians, added to the completion of the evening.

Mrs. Montgomery, the President, very ably moved a vote of thanks to all in her usual kindly manner and after singing the National Anthem the social hours closed long to be remembered as happy ones spent by all.

Mrs. J. Cousins returned home on Sunday after spending several days with her sick brother, Mr. Wilson of Woodstock. On Tuesday word was received that he had passed away. We extend sympathy to Mrs. Cousins in her bereavement.

Mr. White moved into the new quarters this week and everything looks modern and attractive. We congratulate Mr. White on his fine new place of business and wish for him continued success in his new quarters.

World Day of Prayer Friday February 24th

Special Joint Service In
Presbyterian Church

Women of all countries throughout the world will unite their voices in prayer on Friday, February 24—the "World Day of Prayer." This Day of Prayer all over the world is international and interdenominational. Arrangements for the day of intercession in Canada are in charge of the Inter-Board committee of the Women's Missionary Societies of Canada. The same program will be used by the group all over the world. Its theme, "Let us put our love into deeds—and make it real," is especially appropriate when the world is putting its hate into armaments, ready to make it real.

The World Day of Prayer will be observed in Richmond Hill with a special service in the Presbyterian Church Friday afternoon at three o'clock with the three protestant churches co-operating. Mrs. David Hill, president of the United Church W. M. S. will preside and all ladies of the community are invited to join in the service.

LARGE CROWD ENJOYS VETERANS BANQUET IN MASONIC HALL

A large number enjoyed the banquet of the Vaughan and Richmond Hill Veterans held in the Masonic Hall, Richmond Hill last Thursday evening. James Butler, president of the Association, presided and the speakers included Morgan Baker, M.P.P., Capt. W. W. Parry, K.C., legal adviser of the Canadian Legion, Reeve J. A. Greene of Richmond Hill, Major A. Condie, Ben Cox, secretary of the County Veterans organization, and Mr. A. Stenhouse of the Provincial Hydro Veterans Association. A feature of the evening was the presentation by the Canadian Corps Association of a historic bugle to James Butler in appreciation of his generous service in sounding the last post at remembrance day services and for many veterans who had passed to the great beyond.

In welcoming the guests President Butler pointed out that two years ago at the time of the Coronation the Veterans assembled together to voice their loyalty and devotion to the young ruler assuming the responsibilities of kingship. It was therefore fitting that again on the eve of the first visit of a ruling monarch to Canada that the veterans should again assemble to express devotion to the principles of truth and justice on which the British Empire is founded.

Richmond Hill Juvenile Team Plays To-Night

First Game in Play-off Series with
Newmarket

Richmond Hill Ford V-8 Juveniles play their first game in the championship play-downs of the Ontario Juvenile Hockey Association at the local rink tonight (Thursday) with the fast Newmarket team as opponents. The local pucksters won their group honors defeating Stouffville in the play-offs. They lost the first game at Stouffville 5-4, won here by a score of 3-1 and won the third and deciding game on Markham ice last Thursday night by a score of 5-2. Newmarket won their group after a hard-fought series with Sutton. The Redmen from the canal-town are highly rated and fans can look forward to an excellent game tonight. The boys on the local team are now going along in fine form and manager Andy Anderson and coach Cecil Mabley are confident that they will put up a real struggle before passing up provincial honors.

Richmond Hill won a decisive victory from Stouffville at Markham last Thursday. The first period got off to a very slow start as both teams were holding their checks closely. After ten minutes Brockbank put Richmond Hill in the lead on a pass from Norm Mabley. From this point on the play evened up and both teams had some close calls. Joe Morris scored on a solo rush at the 12.55 mark to put Richmond Hill two goals up.

The second period was five minutes old when Abel scored for Stouffville on a scramble in front of the nets. This goal made the Hill boys work all the harder and Wilson Beresford made it 3 to 1 for Richmond Hill on a pass from "Tubby" Barrow.

The third period opened up with plenty of speed as both teams turned it on. At the 7.35 minute mark Ron Lunau scored for Richmond Hill to give the boys a 3-goal lead. Then came a golden opportunity for Stouffville. Barrow received a penalty for roughing and seconds later Norm Mabley received one for tripping, to leave the Hill boys two men short. However the boys played real hockey and held Stouffville scoreless until they were at full strength again. Stouffville clicked on a long shot through a maze of legs and sticks to make the score 4-2, Barker getting the goal. Seconds later Ron Lunau scored on a solo rush to make it 5-2 for Richmond Hill.

Thus the game ended Richmond Hill 5, Stouffville 2. It was a good hard-fought game from start to finish and the local boys deserved the victory. All members of the team played good hockey and it would be difficult to pick any stars. Their team work was commendable and every man played his position effectively. For Stouffville Abel was outstanding and turned in an excellent game.

Junior Farmers Carnival Enjoyed By Record Crowd

The Richmond Hill arena on Thursday night last was a-hum with Junior Farmers from all over the County, the occasion being their annual County Carnival, and most of the largest crowds to be there. According to Reeve J. A. Greene who never misses this event, this was one of the largest crowds the Junior Farmers have ever had on the ice.

The weather was rather cold for a large turn-out of fancy costumes but the "old gray mare" staged by Merland Deavitt and Morley Cook of the Poplar Bank Club at Sharon, really took the oats. Their antics literally upset the judges and almost took all the prizes — in one mouthful. Charlie Chaplin who appeared early in the evening with his generously cut trousers and skimpy coat was none other than the foster father of the organization, our Agricultural Representative. Jean Hadwin of the Vellore Club proved a puzzle to the judges who were in doubt as to whether the milk bottle of a well known dairy which she represented was a "he" or a "she". The races were keener than for some years, though hockey games and other doings kept several of the regular contestants away. The winners were as follows:

Best Lady in Costume: 1st, Irene Hadwin, Vellore; 2nd, Annie Avison, Victoria Square. Best Gent in Costume: 1st, James Allen, Poplar Bank; 2nd, Cecil Nichols, Victoria Square. Best Couple in Costume: 1st, Viola Rutledge and Charles Haines, Poplar Bank; 2nd, Betty Clark and Jack Macklin, Unionville. Best Comic in Costume: Morley Cook and Merland Deavitt, Poplar Bank; 2nd, Thomas Watson, Poplar Bank.

Ladies' Race: 1st, Jean Kennedy, Unionville; Gents' Race: 1st, Douglas Palmer, Victoria Square; Inter-Club Relay Race: Unionville Club, Jean Kennedy, Marion Thomson, Cameron Kennedy, Walter Reesor. Club having largest number in costume: Poplar Bank.

The carnival committee expressed their gratitude to Reeve J. A. Greene and the judges for their assistance. The judges were Mrs. O. L. Wright, Mrs. D. M. Chamney, Mr. Jas. Skeele and Mr. F. Schissler, all of Richmond Hill.

VICTORIA SQUARE

The main topic of conversation in this community is "Roads". Those who live on the sideroads or who are compelled to travel on them in order to come into contact with the community activities have certainly the "low down" on bad ones. But Spring is coming. What a satisfaction!

Owing to the uncertainty of these same roads the monthly W.A. supper was postponed from Wednesday night to Friday night, February 24. Come everybody, and enjoy the "Pot Luck" supper provided by Mrs. Dennis and her energetic group.

Ladies! Please do not forget the "Annual Quilting" which will take place on Friday, all day, March 2nd. All the ladies are urgently requested to attend to help in this very worthwhile project. These quilts are for the needy. Not only will you assist in a good work but you will enjoy a social time as well.

A rare treat was afforded the Mothers and Daughters of this community when Dr. Hogg, astronomer, Richmond Hill, addressed them on Saturday after a banquet which had been provided by the "Goforth Mission Circle." Dr. Hogg and her husband, and two other astronomers were sent as delegates to an international convention of astronomers in Sweden last year. "Sweden" was the subject of her talk but she related many incidents which she noted on her journey. Her talk was very enlightening and intensely interesting. The sincere thanks of all present were tendered her at the conclusion of her address. The mothers and substitute mothers appreciated the honour that was thus conferred upon them.

Mrs. E. Caseley and Mrs. Alvin Frisby, daughters of Mr. Caldwell of Barrie have returned home after spending a couple of days with him while he was seriously ill with pneumonia. He is now progressing slowly.

Mr. and Mrs. Arthur Dennis with Mr. and Mrs. Arthur Clarke spent Sunday with the former's parents, Mr. and Mrs. George Dennis.
