MARKHAM AND SCARBORO DISTRICT SECOND ANNUAL MILK PRODUCERS' BANQUET

An event that should prove very interesting to every milk producer in the Markham and Scarboro district will be held on April 4 when the annual Milk Producers' banquet will be held in the United Church hall at Markham.

The committee is especially pleased with the program they have been able to arrange. For guest speaker Mr. James Gifford, reeve of Ennisville township has been secured. While still quite a young man Mr. Gifford, rising rapidly, has been warden of Peterborough county and is recommended to us as one of the coming public men of the province. His subject, "A Better Day for Agriculture", sounds attractive and we can be sure he will have something really up-to-the-minute and constructive to offer. Mr. Erle Kitchen, newly appointed member of the Milk Control Board will be present to bring a brief message as will Mr. E. H. Clarke, who will respond to the toast to the Toronto Association.

For entertainment a fine array of talent will be with us. Duncan Cowan, well known entertainer, will be on hand again this year. As host, master of ceremonies or what you will, he is just about tops for a banquet. Dorothy Brown, prize soloist, of the county, Helen Evans, popular elocutionist and Harry Lawson in musical numbers will round out a program that should please everyone.

The banquet will start at 7 p.m. and the Markham ladies who are catering are giving us a splendid menu. Tickets at a reasonable figure may be secured from your nearest member of the executive. Come and enjoy a real outing with your fellow milk producers.

THORNHILL

Election For Trustee Will Be Held Monday

Electors of the Police Village of Thornhill will go to the polls next Monday, March 27th to elect a trustee to take the place made vacant by the resignation of Jack Henderson. The nomination meeting was held last Monday evening when the following five were nominated, Earl Jacques, Percy Maude, Thomas Jackson, Wilfred Dean and Grant Burns. Messrs. Dean and Burns withdrew but three, Messrs. Jacques, Maude and Jackson stood for election and the voting will be held Monday.

The Thornhill Home and School Association regular monthly meeting on Monday, March 27 at 8 p.m. will be conducted entirely by the men of the association. Mr. Spence will occupy the chair. The program for the meeting is outstanding. Mr. C. L. Burton, president of the Robert Simpson Co. will be the guest speaker. The Glee Club of the Toronto Club of Printing House Craftsmen will furnish the music. This organization, under the leadership of Mr. Plant, has been invited to sing at the World's Fair in New York. There will be a lucky number attendance prize, donated by Mr. Jaeger, as an added attraction. As for refreshments this will be somewhat of a mystery and those present must take their chances on a severe attack of indigestion. Every "Dad" and those who would like to be or should be one, is invited.

At a meeting of the Field Day association held in the Masonic Hall on Wednesday night Morgan L. Piper was asked to open negotiations with the owner for the purchase of the McMahon property off Yonge Street. Should the deal be consummated it is planned to use it as an athletic field. The following officers were elected: Hon. President, Mr. Richard Simpson; President, William A. Dean; Vice-President, William Riddell; Secretary, Clayton Scott; Treasurer, Nelson J. Smellie; Directors, Thomas Jackson, Wilfrid R. Dean, Matthew Pegg, R. H. Neil, Edward Walker, Mrs. R. Simpson, Miss A. Boyle, Miss J. Seager; Auditors, Mr. Gordon Spence, Mr. Cecil Martin.

BAGS FIFTEEN WOLVES

Fifteen large wolf pelts, all of which formed the outer covering of a pack of wolves that were running wild in the Severn district less than fifty miles north of Barrie, were displayed in County Treasurer D. H. Coleman's office on Friday. They formed the largest single catch of wolf skins ever presented at the local office for bounty.

Clarence Marshall, whose dexterity on the trap line was responsible for the record catch, when interviewed by newspaper men, stated that the first of the wolves were caught on Dec. 5, when his line yielded two of the ferocious looking creatures. Since then thirteen more came his way.

1939 FORD V-8 TUDOR

There are things to talk over when a new Ford V-8 moves into the neighbourhood. There's always the Ford V-8 engine. It's still the biggest engine value in a low-price car. There is talk about how good-looking the new Ford is. And motorists are saying you know you're riding in a fine car, too, with that extra seat comfort and plenty of room for the family to spread out and relax. Another important item is the new, powerful hydraulic brakes. Your Ford dealer invites you to take the wheel and get acquainted with these features and more.
