VICTORIA SQUARE NEWSY NOTES

Well, there is only one thing of which we are certain these days regarding the weather and that is "we'll have weather, whether or not" but, as to what kind is a sealed book until it really happens. Season does not mean a thing this year. But we have been promised a seed time and a harvest so, why worry?

On Easter Monday the Woman's Association put on one of their monthly suppers for which they are famous and in spite of the vigorous return of winter on that evening there was a splendid attendance, the best yet. A very fine programme was furnished by the following artists: Mrs. (Rev.) McCrimmon gave a splendid talk on Women's Work of the past leading up to a more recent date thereby encouraging the women of the W.A. to do their best. Miss Shirley Brown of Unionville contributed several fine violin solos, accompanied by Miss Perkin on the piano. Miss Verna Cherry, Gormley, delighted her audience with several splendid solos, accompanied on the piano by Miss Gooding and Miss Shirley Young, Toronto, contributed several very delightful readings. The beginning of a quartette of talent was in evidence that night when the four young children of Mr. and Mrs. Clare Sanderson, namely, Edna, Marjory, Gordon and Larry sang together. Mrs. Sanderson and her group are to be congratulated on being able to secure such talented artists and they were accordingly grateful as Mrs. Sanderson indicated in a few appropriate words.

Wedding bells are ringing in the Square this week. Last Saturday night about one hundred friends and relatives gathered at the home of Mr. and Mrs. Harold Mortson to do honour to Miss Bessie Valliere who is marrying Mr. Fred Constable of Vellore. Along with the many beautiful gifts contributed individually, the choir presented her with a beautiful silver casserole. Miss Viola Avison read the address which expressed the appreciation of her services in the choir. Also the Sunday School presented her with a handsome floor lamp. This address was read by Miss Doris Knapp and the presentation was made by Mr. Fraser Gee. Miss Valliere expressed her sincere appreciation of the gifts from each society and also the others who had honoured her by giving her such a wonderful shower of gifts. Mr. Constable also expressed his appreciation of the generosity of their friends. Amidst a real shower of confetti the crowd sang "For they are jolly good fellows."

Mrs. Ida McCague spent last week with her sister and brother-in-law, Mr. and Mrs. L. L. Nichols.

The many friends of Mrs. E. Avison regret that she is in the General Hospital suffering with a bro-

ken hip, but they are glad to hear that she is doing as well as can be expected.

Also the many friends of Mr. Geo. Dennis were shocked to learn that he had to go to the General Hospital on Monday to undergo a serious operation. All wish for him a speedy recovery.

Miss Dorothy Hamilton of Toronto, who has been a guest of Miss Bonnie Robertson for the past week, has returned to her home.

Mrs. P. W. Willows, the director of the competition play, "Memory Rose", and the members of the cast, Bessie Valliere, Viola Avison, Jack Frisby and Walter Smith, are to be heartily congratulated on winning second prize when it was presented on Monday night in Pickering College in competition with three other societies. Quite a number from the Square availed themselves of the opportunity to hear them.

Messrs. John and Ike Williamson have returned to Pickering College after spending their Easter vacation at their home.

Sunday guests of Mr. and Mrs. Bert Sanderson were Mr. and Mrs. Fred Sanderson of Hamilton and Mr. and Mrs. William Nichols and little Miss Vera of Temperanceville.

Mr. Roscoe Mortson of Peterboro and Mrs. Winnifred Mortson and her daughter, Miss Connie, were guests of Mrs. Annie Mortson and family on Sunday.

Mrs. Clare Sanderson and her group of the Woman's Association held their regular monthly meeting in the basement of the church at 8 p.m. on Wednesday evening. Mrs. (Rev.) McKewan of Cashel addressed the gathering and spoke eloquently on the temperance subject giving valuable information on this all-important subject. Miss Mabel Sanderson rendered a beautiful piano solo. At the close of the meeting the hostesses for the evening served a dainty lunch.

SPECIAL SERVICE BY THE BLIND TO BE HELD SUNDAY EVENING

Mr. D. B. Lawley, blind Supervisor of Field Secretaries in connection with the Canadian National Institute for the blind will deliver an address in Richmond Hill United Church Sunday evening next at 8:15 o'clock. Mr. Thomas Mitchelltree, organist and Mrs. Gertrude Oster, soprano soloist, graduates of the Ontario School for the Blind, will assist in the program. Both Mrs. Oster and Mr. Mitchelltree have performed many times at church and public entertainments in Toronto.

It is hoped a large crowd will avail themselves of this opportunity of hearing such a forceful speaker as Mr. Lawley who has had wide experiences in work for the Blind both in England and Canada.

THE WRECKING BY-LAW STANDS SAYS COUNCIL

Reeve J. A. Greene called a special meeting of the Richmond Hill Municipal council Tuesday morning at 9.15 a.m. to ask the council if they would consider rescinding the by-law prohibiting the operation of a car wrecking business here. He suggested that the council might consider a by-law to license wrecking places which would give council the right to supervise and inspect. Council members made short shift of the suggestion and remained firm in their stand to let the by-law remain as it is. In turn councillors Little, Hill and Nelson turned down the suggestion of the Reeve that the matter be reconsidered in the light of present circumstances. "A large body of public opinion seems to think an effort is being made to squeeze this man out of business," said the Reeve.

"Not the majority of public opinion," said Councillor Little. Referring to reports which had appeared in the Daily Star following last meeting Councillor Hill said it was "rotten business". The report stated the same interests had opposed the greenhouses. These two men (councillors Little and Nelson) weren't living here then and I wasn't on council. I've always favored anything for the betterment of Richmond Hill and so did my father before me," he said. "Imagine saying I didn't want more business here."

Town solicitor Jordan present at the request of the Reeve in answer to a question stated that the business could be licensed and if conditions were not satisfactory the license could be cancelled by giving a specified notice.

Councillors Little and Hill strongly opposed any move to reconsider the matter. "Why did we pass the by-law in the first place," said councillor Little. "We all agreed to pass the by-law saying we'd have no wrecking places. You were the one who first brought it up, and now you want to change it," said councillor Hill.

Councillor Nelson—He (referring to Mr. Parisi) didn't make enough enquiry when he came here to see if he would be allowed to operate. I'm in favor of letting the by-law stand. If we license one we'd have to license them all. We couldn't discriminate.

Councillors Little and Hill both disclaimed any personal feeling in the matter. "It wouldn't make a dollar's difference to the business of either Mr. Hill or myself," said councillor Little.

When it was evident council was determined to make no change Reeve Greene intimated to the town solicitor that he might retire as his services would not be required, and members then proceeded with a discussion of buying medals, decorating the town, and other problems relative to the visit of Their Majesties the King and Queen to Toronto next month.

MR. R. D. LITTLE CHAIRMAN PAROCHIAL COUNCIL

At the first meeting of St. Mary's Parochial Council held on Monday evening, Mr. R. D. Little was elected chairman and Mr. R. Paris secretary. Among other matters discussed was the proposal to decorate the interior of the church, and to this end a small committee was appointed to get estimates. It was suggested that Sunday, May 7th be RED SUNDAY. This will be explained to the congregation on Sunday morning next by the Rev. W. F. Wrixon, Rector of the Parish.
