A delicious supper was served after which a presentation of a silver entree dish was made to Mrs. Allen by Minnie Line and the address as follows read by Marjorie Ingram:

Maple, Ontario,
May 20th, 1939.

Dear Mabel:

With deep regret, we your fellow employees of the Woodbridge and Vaughan Telephone Co., lately learned it was your intention to remove from our midst, and we begin to realize the loss we have sustained. We desire to take this opportunity to express our appreciation of you as a pal during the years that we have been permitted to enjoy your friendship.

It might appear like fulsome flattery to enumerate your excellent qualities both of head and heart, your genial disposition, your many noble qualities which in private life show forth in full lustre and endeared you to us.

And now realizing as we do, how much you will be missed in our company, we desire to make a more practical demonstration of our esteem and affection for you, than by mere words. We therefore ask you to accept this entree dish, not as a measure, but as a token of esteem in which you are held by us.

We wish you prosperity, health and happiness in the future, and may each rising sun remind you of the pleasant days passed in our office. Our earnest hope is that we shall often again be cheered by your presence and may the blessed Jesus go with you to your new home to brighten your life and lighten your labors.

The presentation of a beautiful wall mirror to Mrs. Marritt was made by Arlene Clift and the address read by Mabel Hall.

Maple, Ontario,
May 20th, 1939.

Dear Mrs. Marritt:—

The employees of the Woodbridge and Vaughan Telephone Co. have gathered today with you and would like you to carry away something by which you could remember us.

During the period you have worked in our company we have found you amiable, jovial and always willing to do your part. Your true devotion and faithful allegiance to the telephone company is worthy of comment. The work which you have performed was carried out with a great deal of satisfaction and while we know you enjoyed the time spent in Markham office, we also had the

enjoyment of becoming better acquainted with you and have learned to value your friendship.

We are sorry to see you drop from our midst but hope your future will be a success. Your cheerful smile, your sunny disposition, your hearty laugh and shrewd replies will long remain with us.

We ask you to accept this mirror and may this gift in some small way help you to remember the happy days you spent in our company.

Motion to Quash Wrecking By-Law Is Heard To-day

The action of Mr. J. Parisi, proprietor of the Paris Auto Supply in Richmond Hill to have the car wrecking by-law quashed was up for hearing in Osgoode Hall today. The by-law passed by Richmond Hill council forbids the wrecking of used cars and the selling of used car parts in Richmond Hill. Mr. Parisi in his action is seeking to have the by-law quashed. The hearing of the village's police court action against Mr. Parisi for breach of the by-law was laid over by Magistrate Keith until Friday.

We understand that a petition asking the council to rescind the by-law circulated in the town has been signed by a very large number of citizens.

Saluki, Rare Breed Shown at Dog Show

An interesting breed of dog was introduced at the fair here Saturday. Said to be the only two of their kind in Canada the Saluki is distinguished by their lack of a 'doggy odour'. The owner, Mrs. Gilbert Baghani, of Port Hope told The Liberal that the Saluki are often mistaken for a wolf hound. "However," she said, "these dogs are trained by the Arabs to hunt the gazelle, an animal which often reaches a speed of fifty miles an hour. The Saluki are not to be classed as a competitor of the grey hound because they are not able to reach this speed in a short distance, but given a long stretch they could easily outclass the greyhound. They are trained and their paws are formed in such a way that they can run over a rocky surface as easily as sand.

LATE LIEUT.-COL. A. J. VAN NOSTRAND

An outstanding citizen of York County, Lieut.-Col. Arthur Jabez Van Nostrand, died Wednesday morning in York County Hospital at Newmarket. He was in his seventyeighth year.

Born of United Empire Loyalist stock in Whitchurch Township, York County, he entered the surveying profession in 1879. In 1882 he was commissioned to carry out Provincial and Federal land surveys, and three years later he formed with T. B. Speight the firm of Speight & Van Nostrand. Both Mr. Speight and Lieut.-Col. Van Nostrand retired four years ago, after fifty years in partnership.

In 1887 Col. Van Nostrand married Miss Kathleen Logan, daughter of the late Canon William Logan, M.A. She died five years ago.

Colonel Van Nostrand entered military service in 1893 as a lieutenant in the Corps of Guides, which later became the Royal Canadian Signal Corps. By 1911 he was promoted to the rank he held at his death. He served overseas from 1915 to 1918 in England and France.

He was active in many associations including the Ontario Land Surveyors' Association, of which he was a past president; an honorary member of the Canadian Institute of Surveying; the Professional Engineers' Society; the United Empire Loyalists of Canada; the York Pioneer and Historical Society; the Canadian Military Institute; Engineers' Club of Toronto, of which he was a past president; the Royal Canadian Institute and the Canadian Red Cross Society.

He was a member of the Anglican Church, and for many years of St. John's Anglican Church, York Mills. Surviving are four daughters, Mrs. Robert Campbell of Richmond Hill; Mrs. Basil Wedd of Lille, France; Mrs. Harold Molyneux of York Mills; and Mrs. Ralph Hutchison of Toronto.

"It's lucky that Adam was the only man on earth, when he married Eve."
"How so?"
"Just think how he would have felt, if he had seen his rib walking around with another fellow."

List of the Prize Winners at Annual Richmond Hill Fair

Cool threatening weather and the widespread excitement in anticipation of the Royal visit to Toronto combined to keep the crowd attending Richmond Hill's 94th annual Fair last Saturday much smaller than usual. Although disappointed with the attendance officers and directors of the fair recognize that the exceptional circumstances surrounding the date could not help but interfere with attendance figures and they are not disheartened but already are planning for next year's Fair.

An exceptionally fine program of saddle and hurdle events featured by fine performances by a large number of outstanding horses compensated in some measure for the small entry in some of the heavy horse classes. The jumping program was very much enjoyed and the thrilling contests were features of the Fair.

The largest midway in some years reported business as fair, and the Aurora Boys' Band of forty pieces provided a delightful and entertaining program throughout the afternoon. Many very complimentary remarks were heard on the grounds on the work of the band which incidentally was first organized a little over a year ago.

The Dog Show while not boasting as large an entry as last year was enjoyed by a large crowd. There were some very fine dogs on exhibition and there was keen competition for a valuable selection of prizes and trophies. Top honors for best in show was captured by Mrs. McConaghy with a Pomeranian.

Horseshoe Pitching, Softball, and in the evening a wrestling show provided attractions which were well patronized.

Visitors of the Fair commented very favorably on the exhibits in the junior department. The work of the children of the public schools of the district proved very attractive. The prize winners were as follows:

Have you ordered your premium? No more lily bulbs are available but gladiolus corms already ordered will be at the home of Mrs. P. C. Hill this week-end. Any others must be ordered immediately.

Once more everything has settled down to normal. The King and Queen have come and gone from our side of Canada and the twenty-fourth is past. But one will not forget the loveliness of the queen and the handsome dignity of the king. Very surely they have left behind them millions of proud subjects as they travel on their way.

A little over a week ago the teacher, Miss E. Holden, and her pupils entertained the parents and friends of this community to a very fine patriotic program and a bazaar. Miss Dorothy Tilley occupied the chair. Mr. Patterson of the Toronto Normal School and Miss Power of the same school formerly but who travels through Ontario at the present trying to emphasize the importance of preserving one's good health or taking steps to obtain it. Also there was a splendid imitation of a castle, lit up inside and the king and queen looking out from one of the windows. Out on the green lawn were the two princesses. Certainly the pupils are to be congratulated on their handiwork. Mr. Thomas gave an interesting talk on the "Birds and Birdhouses", illustrated by slides.

At the close of the evening the teacher and her pupils served a dainty lunch. Mrs. Herman Morton presided at the table.

Mrs. Wm. Neill of Richmond Hill, Mrs. Annie Mortson and Mr. and Mrs. Walter Bone of Carrville were Sunday guests of Mr. and Mrs. Harold Mortson.

SOFTBALL NOTES

A game has been arranged between Earl Holmes Uptown Tire and Battery Service nine and the Richmond Hill team. This is the first chance the boys have had to show their wares under fire. Turn out and support the boys and look over the 1939 edition of the team.
